March 2022 Release Notes

Three areas of improvement:

1 Employee Compensation Tab Relabeled as “Payroll”

- The ‘Compensation’ tab of the employee profile has been relabeled to “Payroll.”

2 Direct Deposit Information moving to Employee Payroll Area

- Employee Direct Deposit information will now be housed under the “Payroll” area of an employee’s account.

3 Custom Fields

- We are adding the ability for employers to create Custom Fields that an employee can be asked to complete during Onboarding.
- These fields will be housed in a new library called the Custom Fields library.
