

BerniePortal

January 2022 Release Notes

Three areas of improvement:

1 Knowledge Base Integration with BerniePortal:

- We've added a help icon to the bottom right corner of BerniePortal.
 1. When selected, a side menu will display the updated Knowledge Base.
 2. Users can search keywords and navigate among sections and articles.

2 Bills: Updated Primary Navigation Menu and Style Changes:

- We have moved the “Bills” tab to the primary navigation menu, as well as updated the secondary and side menus.
- We've also updated the design of the “Bills” area with an improved look and feel.

3 Improved Employee Profile Area:

- We have updated the design of the Employee Profile area with an improved look and feel.
