## Complex Rehab Technology: Foundations of Funding and Documentation

**DATE & TIME:**

**LOCATION:**

**CONTACT:**

**PRESENTER:**

### TARGET AUDIENCE

This program is designed for Occupational Therapists, Occupational Therapy Assistants, Physical Therapists, Physical Therapist Assistants, Assistive Technology Professionals, and Medical Suppliers/Providers.

### COURSE OVERVIEW

Understanding the foundation of funding and documentation is a key step in ensuring procurement of complex rehab technology. As the world of CRT grows the amount of justification and funding requirements grow and change as well; often leaving dealers and clinicians unsure of what is good to go or a complete no-go. This course will assist suppliers/dealers and clinicians to navigate the funding and justification process from start to finish. Focus of the course will include clarification of the face to face examination/ clinical specialty evaluation and the required process through the final delivery. Examples of clinical documentation and justification will also be utilized to help improve outcomes.

**LEVEL**— Introductory | **INSTRUCTIONAL METHOD**— Synchronous Live On-site or Streaming Lecture /Discussion / Clinical Applications / Demonstration

### CEU OBJECTIVES

By the end of the presentation, participants will be able to:

1. Differentiate between the necessary information required for the face to face examination versus the OT/PT specialty evaluation
2. Describe the 5 required documents in the CRT funding process and how they affect the outcome of procuring wheeled mobility equipment
3. Give 3 examples of commonly documented mistakes that lead to equipment denial.

## AOTA CATEGORY - OT Service Delivery

### STATEMENT OF CLINICAL RELEVANCE

Content of the activity directly relates to the scope of practice of occupational and physical therapy as defined by the American Occupational Therapy Association (AOTA) and the American Physical Therapy Association (APTA).
