HAND LAID BRICK

Buff Blend

Color shown - Red Blend

TandoStone's Hand Laid Brick delivers the timeless look of brick meticulously and individually laid, without having to worry about the labor, time, and cost challenges associated with masonry.

TANDOSTONE ADVANTAGES:

- **Preferred by siding installers**
- Same installer can install siding and TandoStone's Hand Laid Brick
- No mortar or adhesives required
- **Easy one-person installation**
- **Impervious to moisture** making it perfect for ground contact and roofline applications
- Perfect for **single family, multi-family,** and **commercial applications**
