Why You Must Attend Radiance

Click on the section below to visit the page

Learn from Peer Led Sessions

HighRadius brings together 50+ practitioners from across A/R, Treasury and R2R departments in the United States for a single stop conference on latest and greatest in these domains- in terms of post-pandemic process changes, technology advancements and best practices.

Network With Fellow Executives

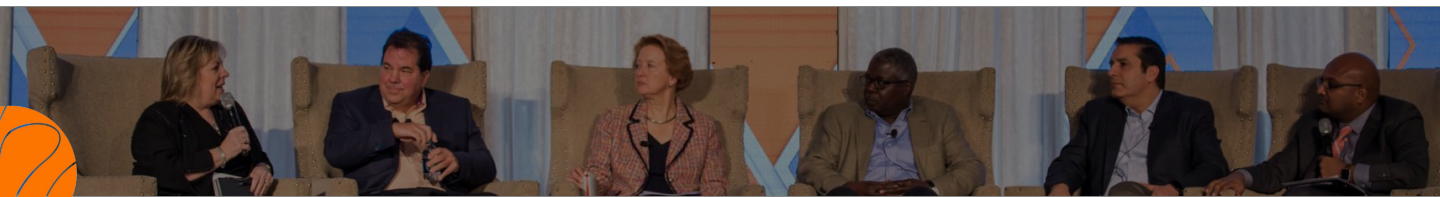

Exclusive opportunities for networking with fellow finance practitioners in a safe environment. Learn, attend events and parties and dive into the exclusive experience enabled by HighRadius.

Receive Awards and Recognition

Your first ever chance to be recognized for your contribution to the office of the CFO through the dotONE Pioneer Awards program. If you have done something amazing, apply here and we'll see you on the winner's stage.

Witness Technology in Action

Get self-guided and expert led demos of the best solutions for the office of the CFO: autonomous receivables, autonomous accounting and autonomous treasury. Work with value engineering experts to identify if and how these could deliver value to your business.

Find The Sessions That Are Relevant To Your Role

Evolve Your Global Business Services

Monday, April 25th | 11:30 AM

Survive or Thrive through Talent, Employee Flexibility and Culture

In a time where the employee holds tremendous power, what are companies doing to make themselves attractive? GBS organizations at large must figure out how to attract the top talent and workplace flexibility, company culture and brand development are key strategies.

Monday, April 25th | 12:00 PM

In 10 Years Will the BPO Model be Dead or Alive?

BPOs are at a crossroads where their original outsourcing mandates are not what most companies are looking for today with their BPO providers. This fireside chat will go deep the similarities and differences in practitioner and BPO expectations.

Monday, April 25th | 12:30 PM

In 10 Years What Technologies Will Be Dead or Alive? RPA, AI, Blockchain, Oh my!

While RPA in its current form of “as is screen flow automation” may be table stakes, what about 10 years from now? While Blockchain was a hot topic in 2018, is it today? And AI is on everyone’s minds for its limitless use cases. This Session dives into what’s hot and what’s dying.

Monday, April 25th | 2:00 PM

Better Services at a Lower Cost, but Does Your GBS Go Up the Value Chain?

The back office and labor cost arbitrage is just the beginning. What GBS can offer the greater business continues to expand into the middle and front office. What are GBS organizations offering now to keep themselves front and center at the head of the strategic table?

Monday, April 25th | 2:30 PM

Stakeholder Management: The Secret Sauce to Keeping GBS at the Heart of the Business

Who, what, when, where, why and how? Every one of these questions is at the heart of stakeholder management. Without the right players bought in, without the team bought in, GBS growth is all but impossible.

Monday, April 25th | 3:00 PM

Dynasty Leagues – Take Your Success With You in GBS

GBS leaders often move from company to company, bringing their experience and expertise where it's needed. How can GBS leaders successfully go to new companies and bring their legacy experiences and grow from there? This panel of 3 current GBS leaders from the same former company will tell us.
