

NATURAL BUG REPELLENT WIPES

INGREDIENTS

8 ounce Distilled Water

4 ounce Organic Cane Alcohol

any of OAC's 190-proof alcohols
can be used!

**20 drops Lemon Eucalyptus
Essential Oil**

10 drops Lavender Essential Oil

5 drops Cinnamon Essential Oil

2 teaspoon Vanilla Extract

4 ounce Fractionated Coconut Oil

Sharp Serrated Knife

1 standard Paper Towel Roll

**1 Empty clean airtight container large enough to hold
paper towel roll once cut in half**

An old-school coffee can works great! You can also order
these new on Amazon

PREPARATION

- 1** Carefully cut Paper Towel Toll in half (standard paper towels are approximately 11" long, this should give you 2 rolls 5.5" long)
- 2** In separate container mix Distilled Water, Organic Alcohol, Vanilla Extract, Coconut Oil, and Essential Oils
- 3** Mix very well to ensure oils are incorporated
- 4** Place roll inside your airtight container
- 5** Pour mixture over paper towels
- 6** Let mixture soak into paper towels
- 7** Keep sealed and pull out wipes as needed

As always avoid using on any skin breaks or on any sensitive areas, and avoid eyes. Happy camping!
