The Subscriber acknowledges the information contained in the Offering Memorandum including, in particular, those investment considerations described therein under the heading "Risk Factors". Unless otherwise defined or the context otherwise requires, all capitalized terms used in this subscription form ("**Subscription Agreement**") have the meanings given in the Offering Memorandum.

The Subscriber tenders herewith full payment of the aggregate subscription amount of the Shares set forth in Section 1 above to the Corporation. This subscription will not be accepted and no Shares will be issued to the Subscriber unless the Corporation has received the subscription proceeds within such time as stipulated by the Corporation and this Subscription Agreement duly completed. Subscription funds received prior to a Subscription Date (as defined in the Offering Memorandum) will be kept in trust, in a non-interest bearing account, for the Subscriber pending the acceptance of the subscription.

The Subscriber acknowledges that a subscription for Shares is subject to the acceptance of this Subscription Agreement by the Corporation and to certain other conditions set forth in the Offering Memorandum. The Subscriber agrees that this subscription is given for valuable consideration and shall not be withdrawn or revoked by the Subscriber. The acceptance of this subscription shall be effective upon the written acceptance of this Subscription Agreement by the Corporation and the deposit of the Subscriber's payment into the Corporation's account. Subject to applicable laws, the Corporation may at its sole discretion, allow an investor to invest in a class of Shares regardless of the subscription amount contributed by the investor. This Subscription Agreement and subscription proceeds shall be returned without interest or deduction to the Subscriber if this subscription is not accepted. If the subscription is accepted only in part, that portion of the subscription amount for the Shares which is not accepted will be promptly returned to the Subscriber without interest or penalty.

The Subscriber represents, warrants, certifies, acknowledges and covenants to and in favour of the Corporation as follows:

The representations, warranties, covenants and acknowledgments of the Subscriber contained in this Subscription Agreement shall survive the completion of the purchase and sale of the Shares and any subsequent purchase of Shares, and the Subscriber undertakes to notify the Corporation immediately at the Corporation's address at 200 Bay Street, Suite 3120, Toronto, Ontario M5J 2J1 (or such other address as may be communicated by the Corporation to the Subscriber from time to time) of any change in any representation, warranty or other information relating to the Subscriber set forth in this Subscription Agreement.

The Corporation hereby covenants, represents and warrants with and to the Subscriber that as at the date of this Subscription Agreement:

1. the Corporation is a corporation incorporated and validly subsisting under the laws of Canada; and
2. the Corporation has the corporate power, authority and capacity to enter into this Subscription Agreement and to carry out its obligations under this Subscription Agreement and the execution and delivery of this Subscription Agreement and the completion of the transactions contemplated by this Subscription Agreement have been duly authorized by all necessary corporate action on the part of the Corporation.

Purchasing as Bare Trustee or Agent

If the Subscriber is purchasing the Shares as bare trustee or agent (including, for greater certainty, a portfolio manager or comparable adviser) for one or more principals, the Subscriber has notified the Corporation of such fact and:

1. represents and warrants that the bare trustee or agent is duly authorized to execute and deliver this Subscription Agreement and all other necessary documentation in connection with such purchase on behalf of such principal(s), to agree to the terms and conditions contained herein and therein and to make the representations, certifications, acknowledgments and covenants made herein and therein, and that this Subscription Agreement has been duly authorized, executed and delivered by or on behalf of, and constitutes a legal, valid and binding agreement enforceable against, such principal(s);

3. agrees to indemnify the Corporation against all losses, claims, costs, expenses and damages or liabilities which it may suffer or incur arising from the reliance on the foregoing representations, warranties and covenants of the Subscriber by the Corporation, and the breach of any of such representations, warranties and covenants by the Subscriber.

Anti-Money Laundering and Anti-Terrorist Financing Legislation in Canada

In order to comply with Canadian legislation aimed at the prevention of money laundering and terrorism financing, the Corporation may require additional information concerning investors from time to time, and the Subscriber agrees to provide all such information. The Corporation may also be required to disclose identification information in relation to such Subscribers to governmental, regulatory, taxation agencies or a third party service provider of web-

based anti-money laundering identity verification and search applications, which applications are commonly used as a component of anti-money laundering compliance programs.

The Subscriber acknowledges that if, as a result of any information or other matter which comes to the Corporation's attention, any director, officer or employee of the Corporation, or its professional advisers, knows or suspects that an investor is engaged in money laundering, and it is determined that a report containing such information may be required to be reported to the Financial Transactions and Reports Analysis Centre of Canada ("FINTRAC"), such report shall not be treated as a breach of any restriction upon the disclosure of information imposed by Canadian law or otherwise.

Resale Restrictions

The Shares are subject to restrictions on resale until such times as: (i) appropriate hold periods have been satisfied; (ii) the trade is made in reliance on an available statutory exemption; or (iii) an appropriate discretionary order is obtained pursuant to applicable securities laws. Since the Corporation is not a reporting issuer pursuant to applicable securities legislation, the applicable hold period may never expire, and if no further statutory exemption is available and if no discretionary order is obtained, this could result in the Subscriber having to hold Shares for an indefinite period of time. The Corporation does not intend to file a prospectus or otherwise become a reporting issuer pursuant to applicable securities legislation and accordingly it is not intended that any Shares will become freely tradable. The Subscriber should consult with his, her or its own legal advisers prior to engaging in any resale, to ascertain the restrictions on any such resale.

The CRA will then exchange the information with the tax authorities in the relevant participating foreign jurisdictions.

The Dealer has certified that it will comply with all necessary account classification, due diligence and reporting obligations under FATCA and CRS. The Subscriber agrees to provide any FATCA or CRS identification documentation requested by its Dealer such that the obligations under FATCA and CRS may be fulfilled.

The Subscriber acknowledges that if the Dealer or the Corporation is required to report information to the CRA in connection with the Subscriber's investment in the Corporation, such report shall not be treated as a breach of any restriction upon the disclosure of information that may be imposed by Canadian law or otherwise.

APPENDIX A to SCHEDULE C

DIVIDEND REINVESTMENT PLAN (DRIP)

1. The Plan

The Dividend Reinvestment Plan (the “**Plan**”) of RiverRock Mortgage Investment Corporation (the “**Corporation**”) provides a means for eligible holders of each class of non-voting common shares of the Corporation (collectively, the “**Shares**”) to purchase additional Shares of the applicable class by reinvesting the cash dividends declared by the board of directors of the Corporation (the “**Board**”).

The Corporation intends to pay monthly dividends on the Shares. However, the declaration, amount and payment of dividends on the Shares is at the sole discretion of the Board.

Under the Plan, Shares will be acquired at a price of \$10.00 per Share. As these Shares will be Shares purchased directly from the Corporation, no fees or commissions will be payable to the Corporation in respect of the issuance of such Shares. All administrative costs of the Plan will be paid by the Corporation.

2. Eligibility

Subject to applicable laws, any beneficial or registered holder of Shares is eligible to become a participant in the Plan.

3. How the Plan Works

A shareholder that has been accepted by the Board of Directors to participate in the Plan (a “**participant**”) may elect in an enrolment form provided by the Corporation (the “**Enrolment Form**”) or by completing a subscription agreement for Shares, as applicable, to be enrolled in the Plan to reinvest cash dividends paid on their Shares. The applicable cash dividends paid on the Shares owned by the participant, including all Shares acquired under the Plan, will be applied automatically on each monthly dividend payment date selected by the Board (an “**Investment Date**”) to purchase additional Shares under the Plan.

Shares purchased under the Plan on any Investment Date will be issued from treasury at a price of \$10.00 per Share (the “**Share Price**”).

Any amount required under applicable tax laws to be withheld by the Corporation from cash dividends paid to any participant and remitted to a taxing authority will be withheld and remitted as required, with the balance being utilized by the Corporation for reinvestment on behalf of the participant in accordance with the Plan. The applicable cash dividends paid on the Shares registered in the name of the participant will be used by the Corporation to purchase Shares from the Corporation for the account of the participant. Fractional Shares may be purchased under the Plan.

Shares purchased under the Plan will be registered in the name of the participant, and the participant’s account maintained by the Corporation will be credited with the number of Shares, equal to the applicable cash dividends (or the relevant percentage of cash dividends reinvested pursuant to the participant’s election, if applicable) paid on the participant’s Shares divided by the Share Price. Any residual cash which is not used to purchase additional Shares on a particular Investment Date will be credited to the account of the participant and will be utilized for the purchase of Shares on a subsequent Investment Date or will be distributed to the participant at the end of the year, in the sole discretion of the Corporation.

4. How to Enroll

An eligible participant may enroll in the Plan at any time by completing an Enrolment Form and sending it to the Corporation or pursuant to the terms of the applicable subscription agreement for the purchase of Shares. Subject to the discretion of the Board of Directors, holders of Offered Shares may enroll all or a portion of their Offered Shares in the DRIP.

Registered Owner of Shares

Where a Share is held by more than one registered owner, each registered owner must sign the Enrolment Form (or subscription agreement, as applicable). Also, if a participant’s holdings, direct and/or indirect, are registered in different names (e.g., held personally as opposed to a holding company or Corporation), a separate Enrolment Form must be completed for each different registration name. If dividends from all holdings are to be reinvested under one account, the registered name must be identical.

A completed Enrolment Form (or subscription agreement, as applicable) must be received by the Corporation no later than five (5) business days prior to the Investment Date in order for that dividend to be reinvested under the Plan.

Once a participant has enrolled in the Plan, participation will continue until the participant terminates his or her participation (as set forth below) or until the Plan is suspended or terminated. The Corporation reserves the right to deny the right to participate in the Plan to any person or terminate the participation of any participant in the Plan if the Board deems it advisable under any applicable laws or regulations or as otherwise set out in this Plan.

Beneficial Owners of Shares

If a participant is a beneficial owner of Shares (including through such participant's RRSP or other registered plan), he or she should contact his or her broker, investment dealer, financial institution or other nominee who holds his or her Shares to provide instructions regarding his or her participation in the Plan and to inquire about any applicable deadlines that the nominee may impose or be subject to and to confirm what fees, if any, the nominee may charge to enroll all or any portion of such participant's Shares in the Plan on his or her behalf or whether the nominee's policies might result in any costs otherwise becoming payable by the participant.

5. Transaction Statements

A statement will be mailed to each participant following each Investment Date, setting out the amount of the cash dividends reinvested, the number of Shares purchased under the Plan and the Share Price on each Investment Date. The statements are a continuing record of the cost of the Shares purchased under the Plan and should be retained for income tax purposes. In addition, to the extent required by law, the Corporation will annually provide each participant with the information required for tax reporting purposes.

6. Termination of Participation

A participant may terminate participation in the Plan at any time by providing no less than five (5) days' written notice to the Corporation (or in the case of beneficial owners, by making arrangements to terminate participation through their nominee). Upon receipt of the termination notice by the Corporation, termination will be effective immediately prior to the next Investment Date (or the subsequent Investment Date if less than five (5) days' written notice is provided). If Shares are registered in more than one name, then the notice of termination must be signed by all of the registered holders.

Participation in the Plan will also terminate upon the transfer or disposition of all of a participant's Shares.

Subject to applicable law and regulatory policy, the Corporation reserves the right to determine, from time to time, a minimum number of Shares that a participant must hold in order to be eligible to participate in, or continue to participate in, the Plan. Without limitation, the Corporation further reserves the right to refuse the participation in the Plan or terminate the participation of any person whose participation in the Plan, in the Corporation's sole opinion, is part of a scheme to avoid applicable legal requirements or engage in unlawful behavior. The Corporation may also deny the right to participate in the Plan to any person or terminate the participation of any participant in the Plan if the Corporation deems it advisable under any applicable laws or regulations, whether domestic or foreign, or to preserve the status of the Corporation as a "mortgage investment corporation" within the meaning of the *Income Tax Act* (Canada) (the "**Tax Act**").

7. Issuance of Shares

Shares purchased under the Plan will be subject in all respects to the provisions of the Corporation's Articles of Incorporation (the "**Articles**") in the same manner as Shares purchased outside the Plan. Shares issued under the Plan may not be transferred, except with the approval of the Board. Shares purchased under the Plan will be issued to the participant in book-entry, uncertificated form unless a participant requests a certificate for such Shares.

The attributes of each class of Shares is described in the Corporation's Offering Memorandum and the Articles. The Corporation will invest the proceeds received from the issuance of the Shares in the manner described in the Offering Memorandum.

8. Share Dividends and Share Splits

Share dividends declared on the Shares and any Shares resulting from the subdivision of the Shares will be credited to the account of the participant based on Shares held for the account of the participant under the Plan.

9. Death or Incompetence of a Participant

Subject to the discretion of the Board, participation in the Plan will not be affected by a participant's death or incompetence and participation will remain effective until it is terminated in accordance with the provisions of the Plan.

10. Amendment, Suspension or Termination of the Plan

The Corporation reserves the right to amend, modify, suspend or terminate the Plan at any time, but such actions shall have no retroactive effect that would prejudice a participant's interests. The Corporation will provide reasonable written notice to participants of any modifications made to the Plan that, in the Corporation's opinion, may materially prejudice participants. Reasonable written notice will also be provided of any suspension or termination of the Plan. Generally, no notice will be given to participants regarding any amendments to the Plan intended to cure, correct or rectify any ambiguities, defective or inconsistent provisions, errors, mistakes or omissions.

If the Plan is suspended or terminated by the Corporation, the Corporation will continue to hold the participant's Shares in book-entry form unless a unit certificate has been issued for such Shares. If the Plan is suspended or terminated by the Corporation, no investment will be made under the Plan on any Investment Date subsequent to the date of termination.

The Corporation may make rules and regulations consistent with the terms of the Plan in order to improve the administration of the Plan.

11. Notices

All notices required to be given to a participant will be mailed to the participant at his, her or its latest address shown on the records of the Corporation or provided by such electronic means as the participant has consented to from time to time. All notices to the Corporation should be provided to the Corporation at the address indicated on the Enrolment Form (or subscription agreement, as applicable) unless the Corporation has subsequently notified the participant of a change of address.

12. Taxes

The reinvestment of dividends and the purchase of additional Shares does not relieve the participant of any liability for income tax which may have been otherwise payable on such dividends. **Participants should consult with their tax advisors concerning the tax implications of their participation in the Plan.**

Administration

The Corporation will act as administrator of the Plan. The Corporation may appoint another entity (the “**Administrator**”) to administer the Plan in accordance with the terms of the Plan.

The Corporation reserves the right to interpret and regulate the Plan as it deems necessary or desirable.

Unless the context requires otherwise, words importing the singular number only shall include the plural and vice versa, words importing gender shall include masculine, feminine and neuter genders, as the context requires, and words importing persons shall include individuals, trusts, associations, partnerships, unincorporated organizations and corporations.

13. Liability of the Corporation and the Administrator

The Corporation and the Administrator, in administering the Plan, are not liable for any act undertaken or omitted in good faith in connection with the Plan, including, without limitation, any claims of liability: (a) with respect to receipt or non-receipt of any payment, form or other writing purported to have been sent to the Corporation or the Administrator; (b) in respect of actions taken as a result of inaccurate and incomplete information or instructions; (c) in respect of any decision to amend, suspend, terminate or replace the Plan in accordance with the terms hereof; (d) in respect of the involuntary termination of a participant’s participation in the Plan in the circumstances described herein; (e) with respect to the prices at which Shares are purchased for a participant’s account and the times such purchases are made; or (f) in respect of income taxes or other liabilities payable by any participant or beneficial owner in connection with their participation in the Plan.

Participants should recognize that neither the Corporation nor the Administrator can assure profit or protect against a loss on Shares acquired or sold under the Plan and each participant assumes all such risk.

The Corporation and/or the Administrator shall have the right to reject any request regarding enrolment in, withdrawal from or termination of, the Plan if such request is not received in proper form or if such request would be contrary to applicable laws or would compromise the Corporation’s status as a “mortgage investment corporation” under the Tax Act. Any such request that is not in proper form will be deemed to be invalid until any irregularities have been resolved to the Corporation’s satisfaction. Neither the Corporation nor the Administrator are not under any obligation to notify any shareholder of an invalid request.

14. Transfer

A participant may not transfer the right to participate in the Plan to another person without the approval of the Board.

15. Currency

All dollar amounts referred to in the Plan are in Canadian funds.

16. Governing Law

The Plan shall be governed and construed in accordance with the laws of the Province of Ontario.

17. Effective Date

The Plan, as amended, shall be deemed effective for any dividends made by the Corporation on or after June 1, 2018.
