

For applicants to the Special English Graduate Programs,

10,000 Japanese Yen is required as an examination fee.

Payment must be made by credit card, China Union Pay, or Alipay. Payment fees are the responsibility of the applicant to pay.

\*It is possible to use a credit card which carries a name different from that of the applicant.

\*This fee is not required for MEXT scholarship candidates who have passed the primary selection at the Japanese embassy in their home countries.

\*MEXT scholarship candidates who hope to be selected via recommendation by the University have to pay the examination fee at first; then, if they are selected, they will receive a refund of the examination fee directly to their account upon enrollment.

Those who are not able to make a payment using credit cards, China Union Pay, or Alipay must contact either:

The office of your applicable program no later than 2 weeks prior to the deadline for online application via T-cens (for applicants to all programs except International Graduate Program in Chemistry and Biotechnology); or

The applicant's potential supervisor in Department of Chemistry and Biotechnology no later than 2 weeks prior to the deadline for application (for applicants to International Graduate Program in Chemistry and Biotechnology).

We will add more details on payment methods later.
