INVISIBLE SAFETY

UNOBSTRUCTED VIEW...

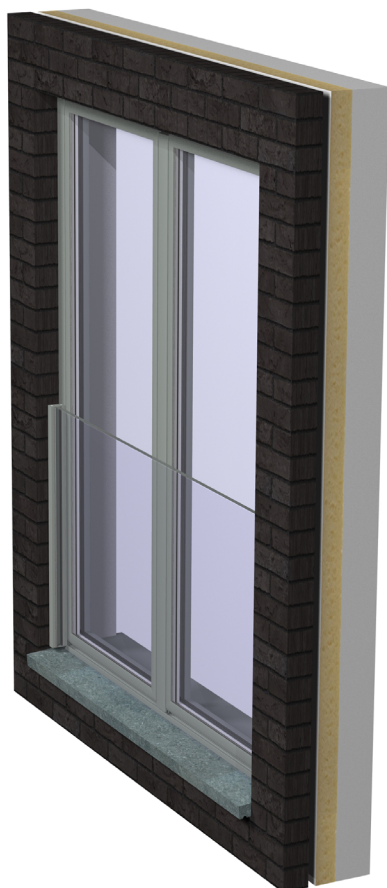

High-rise buildings without balconies are a worldwide seen architectural trend. Simultaneously safety cannot be jeopardized by transparency and design.

...IN ALL SAFETY

RB Glass is an add-on glass balustrade for larger window areas in high-rise buildings. Even without balconies, you can safely open your windows and enjoy an unobstructed view.

MODULAR ADD-ON CONCEPT

RB Glass is compatible with all Concept System and MasterLine Window- and Door Systems, as well as Concept Patio and Hi-Finity Sliding Systems.

TECHNICAL CHARACTERISTICS

Min. glass thickness	1/2 in.
