“We help our clients **Fortify** and **Defend** their Cybersecurity infrastructure”

At KNC Strategic Services, we provide **Cybersecurity Professional Services**. We exist to help our clients manage their exposure to the ever changing battlefield of Cybersecurity. We help our clients manage three risks: **Compliance Risk (GRC)**, **Cybersecurity Threat Risk**, and **Information Security Risk**. We are patriots who know that our country, our government, our military, our utility companies, and government contractors are under constant attack from invisible adversaries.

## CYBERSECURITY SERVICES

### Compliance Consulting (GRC)

- CMMC/NIST/DFARS/RMF/NERC
- Mock Compliance Assessments/Audits
- Policies, Plans, and Procedures

## Managed Compliance Services

### AEGIS

Powered By KNC

Microsoft 365 GCC or GCC High as a managed security service designed for NIST, DFARS, and ITAR Compliance co-managed by KNC Strategic Services.

### Cyber RECON

**Cyber Recon** is a independent risk assessment service that is comprehensive, scalable, high value, affordable, that assesses your Cybersecurity infrastructure, posture, supply chain, and regulatory compliance.

## Cybersecurity Maturity Model Certification (CMMC)

We provide services to Defense Industrial Base contractors that are preparing for the CMMC assessment process. We are a Candidate Certified Third Party Assessor Organization (C3PAO) through the CMMC-AB (Accreditation Body). At KNCSS we are adept at working with small businesses to help them prepare for the eventual assessment process, from start to finish, from policies to a mock assessment.

Are you ready to pass an assessment? If not, team KNC can help get you ready.

## Cyber S.W.A.R.M.

### Secure Watchtower And Remote Monitoring

A SOC-as-a-Service (Security Operations Center) 24 x 7 x 365 continuous monitoring managed service

## NAICS CODES
