WHO IS PRAESIDIUM?

Praesidium is a mission driven risk management firm that helps organizations reduce the risk of sexual abuse as well as the risk of false allegations. With over 30 years of experience and serving thousands of clients in the United States and 11 other countries, our dedicated team of researchers, attorneys, social workers, and human resource professionals have analyzed thousands of cases of abuse in organizations and synthesized the latest scientific research.

We know how abuse happens in organizations... and more importantly, how to prevent it.

PRAESIDIUM'S SCIENTIFIC METHODOLOGY

Using current research and root cause analysis, Praesidium developed its own abuse risk management model, The Praesidium Safety Equation.[®] Root-cause analysis of several thousand incidents of abuse across industries demonstrated that risks fell into eight organizational operations: Policies, Screening and Selection, Training, Monitoring and Supervision, Internal Feedback Systems, Consumer Participation, Responding, and Administrative Practices. By implementing best practices in each of these operations, Praesidium determined that risks could be reduced or eliminated.

As a Cincinnati Insured you have access to model policies, available at no additional charge, that set the stage for safe environments by defining acceptable and unacceptable employee and volunteer conduct. Policies also facilitate effective monitoring and supervision by helping others to recognize and take action when they see policy violations.

The most comprehensive package of its kind, our Screening and Selection Toolkit, available at no additional charge comes complete with resources your organization needs to effectively screen employees and caregivers, including "red flag" indicators for identifying high-risk applicants and hundreds of examples of high- and low-risk applicant responses.

PRAESIDIUM HELPLINE

The Praesidium Helpline gives your organizational leadership team a confidential mechanism to discuss concerns or allegations involving sexual abuse and receive support to navigate next steps. Available seven days a week, Praesidium's team can provide immediate recommendations to ensure: the safety of all parties, external reporting, internal reporting; mid-term recommendations to course correct; and long-term recommendations to support a culture of safety. *Be sure to use the dedicated helpline number outlined in the Cincinnati materials.
