

DISCOVER THE CLEARSPEC DIFFERENCE

# ClearSpec Disposable Speculum With Integrated Sheath & Reposable LED Illuminator

THE ONLY ILLUMINATED SINGLE-USE SPECULUM TO FEATURE AN INTEGRATED SHEATH

ClearSpec's advanced design is clinically proven to improve visualization of the cervix in every exam and minimize patient discomfort. The integrated sheath provides multi-planar tissue retraction and the cordless LED illuminator provides a crisp, natural white light.

## CLEARSPEC BENEFITS

Reduces the risk of cross-contamination

Eliminates the expense of reprocessing metal specula

Offers savings when compared to other illuminated specula

Reposable LED can be used for up to 100 exams

Improves physician workflow

Improves patient comfort

## SHEATHED SPECULUM

Integrated sheath retracts sidewalls for an optimum and unobstructed view of the cervix.

Lateral ports in sheath allow for tissue viewing and biopsy procedure.

Improves patient comfort by allowing for the use of a smaller speculum, particularly with obese patients or those exhibiting prolapse.

Offers multi-planar tissue retraction to address instances of excess lateral wall tissue.

## REPOSABLE ILLUMINATOR

Patented LED Illuminator is designed to offer better balance along with a crisp, natural white light for 2+ hours.

Cordless LED Illuminator does not require recharging and automatically turns on when inserted into handle, and off when removed.

One FREE Illuminator is included in each box of 25 specula.
