Log-in to view

Now you can quickly and easily update your primary address via the MyEmpire client portal.

The newly added online **address change** service on [MyEmpire](#) allows you to make primary address changes and phone number updates directly from your “My Profile” page, or the portal home page by going to the “Make a change” section and clicking on “Contact information”.

Once you have made the address change, you will receive a confirmation email letting you know the change has been submitted.

The screenshot shows the MyEmpire client portal dashboard. At the top, there is a navigation bar with the Empire Life logo, a home icon, and links for "Dashboard Home", "My Profile", "My Documents", "Contact Us", "FR", and "Log out". Below the navigation bar, a green banner says "Hello". The main content area is titled "My Investments" and features a "Total Investment Value" of \$95,169, updated on December 8, 2021. Below this, there is a section for a "Locked-in Retirement Savings Plan" with a value of \$95,169. On the right side, there is a "Make a change" button, which is highlighted with a red box. Below this button, there are links for "Contact Information", "Bank Account Information", "Name", and "Paperless Settings".
