

The Materials You Need. The Payment Terms You Want.

Xometry's [Supplies Flex](#) program allows you to stock your shop with all the competitively priced raw materials you need for upcoming work, with no out-of-pocket costs or fees.

Email us at supplies@xometry.com to create your 90-day payment plan and order your first batch of materials today.

Connect With a Specialist

Schedule time with a [Supplies Flex Specialist](#) to create a custom material quote with a 90-day payment plan for your shop.

Xometry Tip

We know supply chain constraints are a leading issue for machine shops around the country. We have strong relationships with top vendors offering competitively priced materials and fast lead times and want to share those benefits with the you.

Create a Materials Quote

Email a list of all of the materials you'll need to supplies@xometry.com. All standard stock materials offered by Xometry Supplies, both through the website and via manual quoting, are eligible for Supplies Flex.

Xometry Tip

Order a variety of materials in different shapes and sizes to accommodate new and upcoming work.

90-Day Payment Terms

Receive your materials now and avoid fluctuating material prices. Simply pay us back in 3 equal installments in 90 days. It's that easy!

Xometry Tip

To get started, set up an appointment with a [Supplies Flex Specialist](#) to talk through your shop's raw material needs.
