BUNDLE & SAVE!

Pay As You Learn with our Course Bundles

Whether you need to renew your license, advance your salary, or want to obtain a master's or doctoral degree, course bundles offer an opportunity to achieve your goals at a lower cost.

ACE 3-COURSE BUNDLE

- Choose three 3-credit graduate-level CE courses
- Pay \$1236 – A savings of \$189!
- **\$103 monthly payments for 12 months**
- Select from 150+ 3-credit courses
- Take up to one year to register for your courses
- Complete your courses based on the session due dates in which you register
- Use your 9 credits in multiple ways:
 - Advance your career and salary
 - Apply toward an American College of Education master's or doctoral degree

5-COURSE LANE CHANGE BUNDLE

- Choose five 3-credit graduate-level CE courses
- Pay between \$1,995 – 2,045 (based on university partner selected)
- A savings of \$330 – 380
- **\$166.25 monthly payments for 12 months**
- Select from 150+ 3-credit courses
- Take up to one year to register for your courses
- Complete your courses based on the session due dates in which you register
- Use your 15 credits in multiple ways:
 - Advance your salary (many districts require 15 credits for a lane change)
 - Apply 9 credits toward an American College of Education master's or doctoral degree

Make a commitment to your career and financial growth! Explore our course bundles at **TEACHINGCHANNEL.COM**

NEW!

Explore a few of our new courses.

Full STEAM Ahead with Arts in STEM Education

STEAM education—Science, Technology, Engineering, Arts, and Math—is an interdisciplinary approach that engages students in active, authentic, inquiry-based learning. Teachers in any area will learn strategies to boost engagement, creativity, perseverance, and collaboration in your classroom!

PK-12+ / #5266 / 3 Credits | \$475

Building Comprehension with the Science of Reading

Grounded in the research on the Science of Reading and Scarborough's Reading Rope, the course leads participants to a deeper understanding of comprehension and offers practical strategies to strengthen instruction.

K-8 / #5269 / 3 Credits / \$475

Reclaiming Your Passion for Teaching with Balance and Bandwidth

"Bandwidth" is the term the course textbook authors use to describe what educators need in order to have the energy, passion, and time to feel balanced and successful. Learn ways to prioritize tasks, time management tips, and how work-life balance can make you an even more effective and efficient educator.

PK-12+ / #5271 / 3 Credits / \$475

Mental Health Matters

Celebrate students' stories of successfully navigating mental illness and discover ways to boost engagement with research-based, actionable strategies like movement, meditation, and mindfulness. Pick a PreK, elementary, middle, high school, or educator pathway, then create a "mental health moonshot," your opportunity to dream big and share ideas for making mental health a priority.

PK-12+ / #5267 / 3 Credits / \$475

Unlocking World Languages through Comprehensible Input

This course explores the Comprehensible Input (CI) approach, with the use of the target language 90% of the instruction time. The course will challenge and empower teachers in all languages, to make intentional and impactful changes to your teaching practices.

K-12 / #5256 / 3 Credits / \$475

Inclusive Support for Students with Severe and Multiple Impairments (SMI)

This course provides important tips and processes for how to include students with severe and multiple impairments. By the end of this course, no matter what your role, you'll feel more confident in connecting and supporting students with disabilities in your classroom.

K-12 / #5258 / 3 Credits / \$475

Social Emotional Learning

Social and Emotional Learning Starts with You

Explore how social and emotional learning can instill hope in the school community, how it impacts students academically, and how adult SEL is just as important as student SEL. You will learn the five SEL skills and ideas for implementation of each to see how SEL can help make your classroom and school a place of genuine acceptance and hope.

PK-12+ / #5266 / 3 Credits | \$475

Social Emotional Learning: Strengthening Hearts and Minds

SEL has been called the "missing piece" of education – this course will help you complete the puzzle. Find resources and create activities that take the learners on a journey from the basics of SEL to competency. Each application is designed for exploration and reflection to develop plans for implementation of social emotional learning.

PK-12+ / #5031 / 3 credits / \$475

Mindsets Matter

Children can learn and grow in ways they never thought possible through the adoption of growth mindsets for students! You will learn strategies to ensure your students are challenged, think critically, and can embrace failure as a steppingstone to success. Incorporating mindsets in the classroom will introduce a self-aware and important philosophy for promoting both personal and academic success.

K-12+ / #731 / 3 credits / \$475

Top 10 Teacher Favorites

- ♥ **Anxiety Awareness: Empowering Students with Help and Hope**
Get the tools you need to support students with anxiety including foundational knowledge about anxiety, its symptoms, and Cognitive Behavior Therapy (CBT). Once complete, you will be able to implement strategies for your students with anxiety.
[K-12+ / #5102 / 3 credits / \\$475](#)
- ♥ **One Stop Shop: Online Docs, Spreadsheets, Slides and Forms for your Classroom**
ISTE Certified
Use Google apps to take your classroom to the next level. Learn how to leverage creative and collaborative features of Google apps to increase engagement, design lessons to enhance and extend student learning, and improve 21ST century skills in your students.
[K-12+ / #5833 / 3 credits / \\$475](#)
- ♥ **Raise the Bar: Positive Interventions for Students Who Challenge Us**
Learn techniques and strategies for K-8 teachers to proactively assist students through positive behavior intervention. Learn how to deconstruct and address the root of a child's challenges rather than simply addressing the behavior.
[K-8 / #5849 / 3 credits / \\$475](#)
- ♥ **Neurodiversity: A New Approach for Students with Special Needs**
Shift from a disability to a diversity perspective and use strength-based strategies designed to help students with disabilities be successful in school and life. Course topics included are teaching students with dyslexia, autism, mental illness, and more.
[K-12+ / #5855 / 3 credits / \\$475](#)
- ♥ **Refocus & Recharge: Strategies for Finding Balance in Teaching**
Learn to manage stress, teach with a sense of purpose, engage positively, and more. This course provides strategies to apply and create a professional and personal balance, avoid teacher burnout, and recharge.
[K-12+ / #5792 / 3 credits / \\$475](#)

Hybrid/Blended Courses now offered year-round.

A mix of self-paced learning in the online environment (asynchronous) and an instructor-led Zoom session (synchronous). Connect with your colleagues from across the country in these energizing courses!

- ♥ **A Moving Body, A Thinking Brain**
Develop an in-depth understanding of the critical roles of movement and play in the healthy development of children from birth through 2ND grade. This research-based course is designed for teachers to help their students learn and grow to their full potential.
[PK-3 / #5853 / 3 credits / \\$475](#)
- ♥ **Focus on Phonics for Effective Reading, Writing, and Spelling Instruction**
Go back to the basics with a fresh focus on phonics. Through a review of reading fundamentals and direct phonics instruction, teachers will learn proven strategies of practice and repetition to support readers struggling with letter and word decoding automaticity.
[K-8 / #5030 / 3 credits / \\$475](#)
- ♥ **Shifting Your Focus to the Science of Reading**
As excitement and intrigue grow around the Science of Reading, this course helps you dive in. Find pathways toward more impactful instruction with six shifts grounded in research. Delve into this course and unlock the alphabetic code to enable students to read with great confidence.
[PK-3 / #5227 / 3 credits / \\$475](#)
- ♥ **Learning to Learn: Student Skills for School and for Life**
Executive skills are a necessary focal point for educators when students show deficits in basic organizational, emotional, and cognitive process. This course defines and offers a variety of ways to strengthen the skills of students.
[K-12+ / #5847 / 3 credits / \\$475](#)
- ♥ **A Closer Look at Dyslexia, Dysgraphia, and Dyscalculia**
Learn the ins and outs of three common learning disabilities in this course focused on what educators need to know. Explore experiences of parents/families, colleagues, and students who have knowledge and experience with learning disabilities.
[K-12+ / #5212 / 3 credits / \\$475](#)

Educator Wellness

- Living Your Happiest Life, Inside & Outside the Classroom**
Teaching is incredibly rewarding – and can be incredibly hard. To be most effective, teachers need to bring their best selves to the classroom. This course will teach you how to master your mindset to increase your happiness – in and out of the classroom.
[PK-12+ / #5105 / 3 credits / \\$475](#)
 - Goodbye Teacher Burnout, Welcome Teacher Wellness**
Give burnout the boot! Learn about the reasons behind and signs of teacher burnout, how this leads to teachers leaving the profession, and what strategies you can use to combat burnout and maintain a path toward wellness.
[PK-12+ / #5124 / 3 credits / \\$475](#)
 - Connection and Calming Strategies for Today's Teachers**
Envision reacting to the world of unknowns and “new normal” with a connected-and-calm response even when circumstances are beyond your control. This course will help you manage your stress by focusing on gratitude, compassion, and hope.
[PK-12+ / #5116 / 3 credits / \\$475](#)
- More courses available online!**

21ST Century Learning

- Exploring the Impact of Social Media on Students, Wellness, and Society**
Social media has become one of the primary ways to communicate. Learning to navigate the social media vortex will help educators understand and share the effects of social media on the brain, how coding keeps you involved, and how to best use this tool in a healthy way.
[5-12+ / #5115 / 3 credits / \\$475](#)
 - Teaching Media Literacy in a Fake News World**
Investigate media literacy and fake news basics, discover the five components of media literacy education, and uncover reliable methods for educating students about fake news. Apply new learning to your classroom or school for a real, relevant impact on 21ST Century students.
[5-12+ / #5122 / 3 credits / \\$475](#)
 - Project Based Learning for the Digital Age**
Explore the key elements of designing, implementing, and managing project based learning experiences in the online and face-to-face classroom. Learn strategies to empower your students as they explore their passions, collaborate with others, and create projects that can solve challenging real-world problems.
[PK-12+ / #5133 / 3 credits / \\$475](#)
- More courses available online!**

Special Populations

- ADHD: Focusing, Learning, Teaching**
Explore executive functions, instructional strategies, as well as methods for increasing appropriate behaviors, treatments, modifications and accommodations for students with the disability of ADHD.
[K-8 / #5027 / 3 credits / \\$475](#)
 - Across the Spectrum: Teaching Students with Autism**
Learn how to assist and work with students diagnosed with autism spectrum disorder (ASD) by exploring components associated with ASD: anxiety, sensory processing, engagement, classroom communication, and more to help your students experience success in a mainstream classroom.
[PK-12+ / #776 / 3 credits / \\$475](#)
 - Trauma-Sensitive Teaching: Helping Students Overcome Adverse Experiences**
Learn how to help your students overcome adverse experiences as you develop trauma-sensitive strategies for your classroom. Explore the foundations of trauma-informed teaching including an emphasis on relationship-building, student choice, safety, and resiliency.
[K-12+ / #5007 / 3 credits / \\$475](#)
- More courses available online!**

Positive Behavior Supports

- Priceless, Proactive Classroom Management Practices**
Explore and understand the main frameworks and philosophies of classroom management and how they work with one another to increase success for students. Proactively set the stage for learning and apply new-to-you strategies in your classroom to help your students thrive.
[K-12+ / #5127 / 3 credits / \\$475](#)
 - PBIS 101**
Positive Behavior Intervention Systems are being used in many schools across the nation – and its implementation has led to positive changes in how schools address behavior concerns. Learn the concept of PBIS and work through the processes of setting up and implementing the school-wide framework of PBIS within your school or district.
[K-12+ / #5850 / 3 credits / \\$475](#)
 - Building Peace through Restorative Practices in Schools**
Explore a holistic approach to classroom management based on the principles of restorative justice in schools. These practices focus on building healthy relationships, fostering social and emotional skills, encouraging engagement, and empowering students to address and correct misbehaviors cooperatively.
[K-12+ / #5006 / 3 credits / \\$475](#)
