

Making Sense of Measurement

January 2022

HAPPY NEW YEAR!

2022 is off to a great start with the release of CheckMate 1299 and multiple MBE pilot projects underway.

The pilots show how important good GD&T is when creating MBD annotations. Why is GD&T so useful? Check out this [Tec-Ease video](#). It's a fascinating story, still relevant today.

What Origin's Customers Have to Say

Just so you know...YOU'RE THE BEST!!! In all my years in this industry (like 30+) , I've NEVER had or heard of this level of response and support with software!! And I've been around.

John C. Morin III

G.P.R. Co.

You are Awesome!!!! You Guys
always take care of us!! Thank You!

Kevin Romanowski

Bucher Hydraulics Inc.

"Checkmate technical support is superb, it is like the search engine "Google". You ask Cecil a question, literally, I receive a reply most of the times in minutes. I really appreciate Checkmate technical support team"

Riyad Abdel-Ghani

Pilkington North America
