

December 2021

Happy Holidays from the Origin Team

Despite ongoing challenges in 2021, it was a good year. Public health measures did their job. And as those measures were eased it became practical to meet and attend conferences again. It was great to be able to see people in person. Looking forward to 2022.

Please note: From Dec. 27-31st, we will be monitoring emails and offering limited support.
