Full 1095 automation

### Netchex

### Employee Navigator

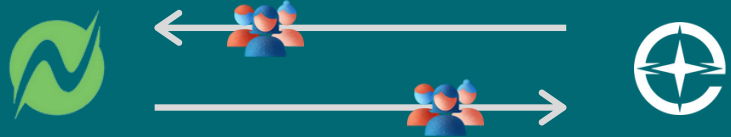

\*If you already have carrier feeds through Navigator or NetBenefits, you will need to go through a new round of file testing / implementation to change from one platform to the other.

# What's Being Exchanged?

## Bi-Directional Demographics

Demographic updates can be made in either system.

## Payroll Deductions: 1 Way

Employee recurring deductions are managed by navigator & flow to payroll

## Base Compensation: 1 Way

Compensation changes will flow from Payroll into Employee Navigator.
