

# Peerless Pipe Manufacturing

## THE PROBLEM

The customer is a well known brand in the manufacture of PVC pipes and plumbing systems. It has its corporate office in Mumbai and manufacturing plants spread across the country. They use extruder machines for manufacturing PVC Pipes such as CPVC Plumbing Systems, UPVC Plumbing Systems, PPR Plumbing Systems and Roof Water Collection and Disposal Systems.

## FUJI ELECTRIC SOLUTION

The team of engineers from Fuji Electric studied the operation of the manufacturing process and the various extruder machines and based on this recommended the installation of a Falcon 5000 UPS of rating 250 KVA

## CUSTOMER NAME

Well Know Manufacturer of PVC Pipes

## INDUSTRY

Plastic Industry

## APPLICATION

Extruder

## PRODUCT / SOLUTION

UPS

## LOCATION

Jaipur

## RESULT

The customer is satisfied with the operation of the UPS that ensures smooth operations of the extruder machines so that the quality of pipes and fitments meet the stringent quality requirements of the company
