

2021 FACE MASK CATALOGUE

FLEXIBLE WASHABLE FACEMASK

MFLMASK

This reusable face mask is fully washable, reducing the need for disposable face masks. Arrow staff have tried and tested this mask and can confirm it's truly soft, breathable, and comfortable on the face.

These are not medical devices yet offer a physical barrier proven to prevent the spread of bacteria. Due to the nature of this product, we cannot accept returns or exchanges.

Elastic ear loops allow this mask to be one-size-fits-all. See our kids face masks for other options.

- Machine Washable up to 60 degrees celsius
- Two ply layers
- Polyester cotton fabric for breathability and comfort
- CE approved
- OEKO-Tex certified
- Individually bagged for hygienic distribution
