

## The PeoplePoint™ Premium time clock delivers the flexibility your customers' need

Accu-Time Systems' Android-based PeoplePoint Premium offers a new level of interaction for employee self-service applications. Designed with data security in mind, the 10.1" widescreen touch display makes it easy to navigate schedules, view accruals, and enforce attestation.

As a Value Added Reseller you can now develop Workforce Management technology and employee self-service applications that can be easily developed and deployed on the Android-based PeoplePoint Premium.

### PeoplePoint™ Premium features
