

IS YOUR PAD PROTECTED FOR THE HOLIDAYS?

A PEST-FREE HOME IS TRULY THE GIFT THAT KEEPS ON GIVING

1 Clean Insulation. Insulation contaminated by pests can pose health risks and compromise air quality. Take your pest control to the next level with an insulation cleanout and the added power of TAP® Pest Control Insulation.

2 Deny Access. Keep your holiday events invitation-only by sealing common pest entry points, part of our Home Sealer & Sanitizer Service.

3 Take Out the Trash. Regularly dispose of trash in sealed cans or bins.

4 Seal Food. Store food in airtight containers - no holiday feasting for pests!

5 Keep Clean. Ensure cabinets and pantries are crumb-free; regularly wipe countertops; sweep or vacuum around dining/food prep areas.

6 Stay Dry. Repair leaky plumbing and minimize standing water.

7 Inspect Packages. Inspect packages for signs of pest activity prior to bringing inside.

8 "Root" Out Potential Pest Threats. Check holiday trees and plants for pests that might be hitching a ride.

9 Decoration Examination. Inspect decor and storage for droppings, staining, or chewing. Carefully check string lights for rodent gnawing.
