Live EDA – A new way to investigate

Frederic Bourget
VP Product, iPRO

Collecting Today

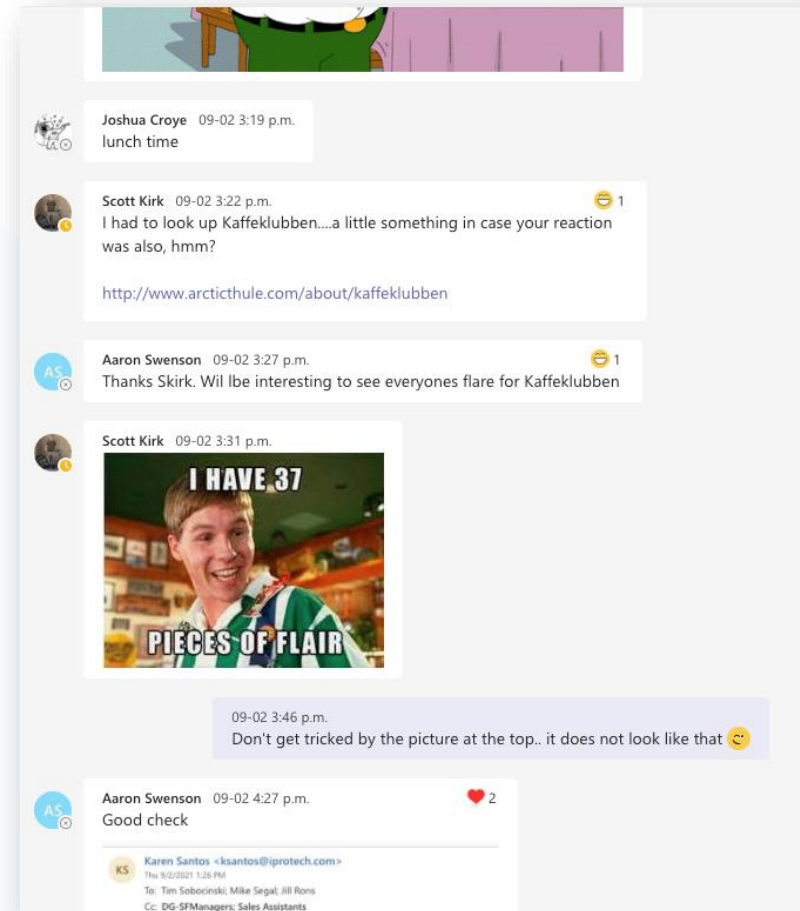

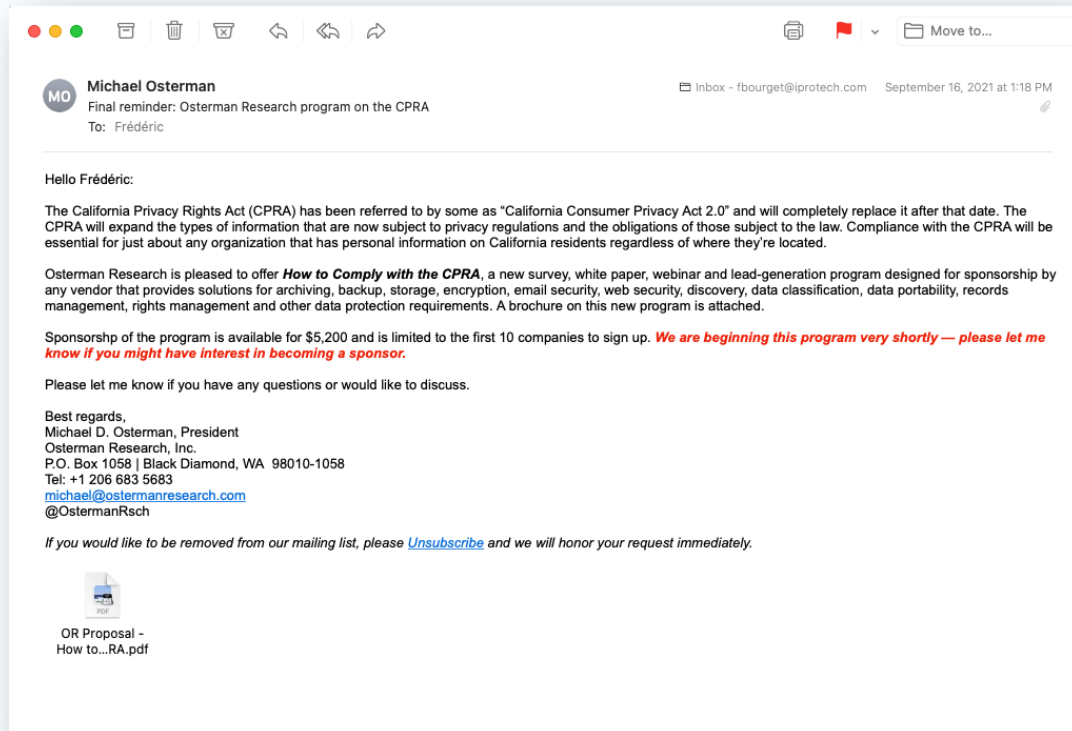

But then...

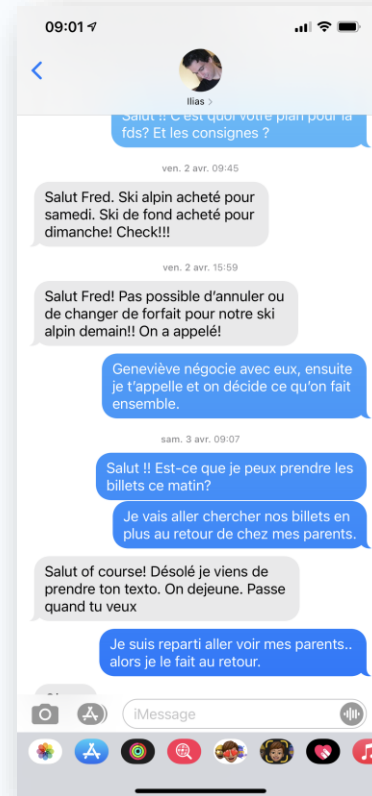

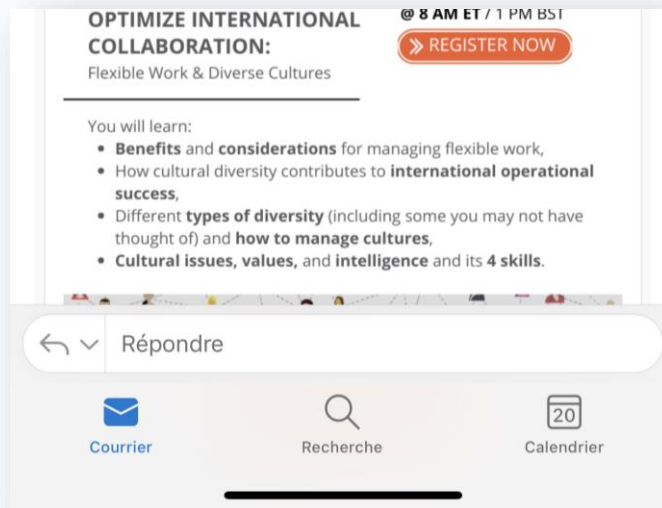

- **Average enterprise uses 1,427 distinct cloud services**
- File sharing is pervasive
- Enterprise data set to grow 42.2% for next two years

McAfee Cloud adoption & Risk report, 2014 - <https://www.mcafee.com/blogs/enterprise/cloud-security/12-must-know-statistics-on-cloud-usage-in-the-enterprise/>
IDC survey Jan 2020 - <https://www.zdnet.com/article/enterprises-are-collecting-more-data-but-do-they-know-what-to-do-with-it/>

And also...

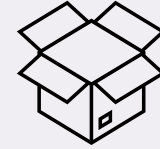

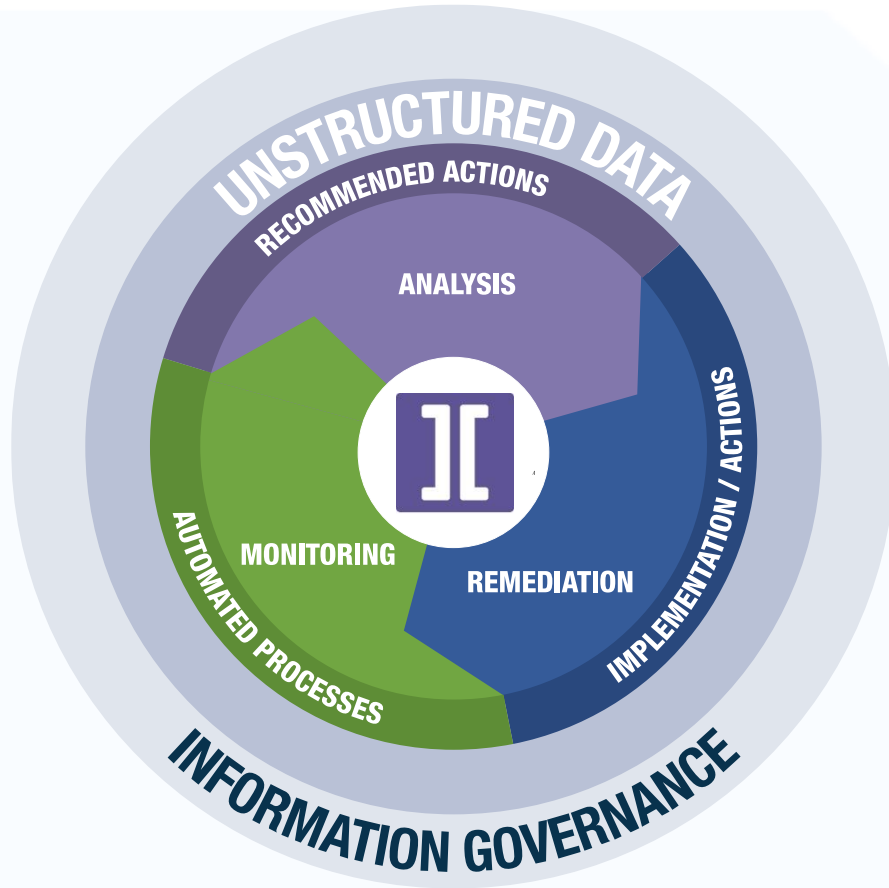

... our conversation evolved.

What about IT... Why did we buy these tools ?

- Vendors say they have tools to collect
 - What about consistency
 - Search criteria
- You want to go everywhere ?
- You want to learn all these tools ?
- Will you export for each one of them.
- Reporting ?
- Inconsistent?
