

GET THE EQUIPMENT YOU NEED &

ONLY PAY \$49/MONTH
for the first 4 months

**Need equipment
but facing delays?**

**Finance today &
pay as little as
\$49 a month for
the first 4 months.**

Your needs come first.

With the market still uncertain, we know things come up. That's why we offer seasonal payment options, deferred payments, and a 7-day payment grace period for when you need more support.

Pay less while you wait for your purchase.

We know that the pandemic has caused delays in getting equipment. That's why with this offer, you pay less for the first six months - enough time to get your equipment and start generating revenue.

Make your working capital last.

Financing equipment, including service and installation costs, allows you to buy the equipment you need while saving working capital for essential operations.

**Finance your equipment within 24 hours.
Get started today with our simple application process.**
