Compensation Resources is pleased to present the 2021 Compensation Survey Report of Not-For-Profit Organizations. This survey, targeted exclusively to tax-exempt organizations, was designed to capture compensation data of positions within a broad range of not-for-profit classifications. Data was collected between April and August 2021, and results were compiled from survey questions that were developed by Compensation Resources and distributed to organizations in all not-for-profit classifications. This survey also reports the prevalence of various programs and practices relative to compensation, covering annual incentives, long-term incentives, various perquisites, supplemental benefits, and agreements.

Compensation Resources is dedicated to providing accurate results of this survey to participants; therefore, should you have any questions or need clarification regarding any aspect of the survey's results, please contact me at (201) 710-6483.
