

Additional Terms for International Consultants

1. **Shipping Cost:**

Shipping to Canada starts at \$30 per order. Shipping to all other countries starts at \$45 per order. This amount may increase due to heavier contents.

2. **Shipping Time:**

All orders are shipped through the United States Postal Service. You will generally have your order within 10-14 business days, however the time it takes to get through customs is a variable that we are unable to control. If you need your order shipped faster than normal, we may be able to use Express Shipping for an additional fee.

3. **No Invoice Adjustments:**

Each order will included a detailed invoice. This invoice will be comprised of the name of each item, the price of each item, the subtotal of all items, the shipping cost and the grand total of your order. We are not able to make any changes or adjustments to this invoice, this includes but is not limited to item names, prices, etc.

4. **Value of Goods:**

When preparing your order and filling out your shipping label, the Value of Goods will be the subtotal of your order. We are unable to alter this amount in any way.

5. **Taxes and Duties:**

Godiva's Secret Wigs is not responsible for any taxes, duties or additional charges that may be charged by Customs for International deliveries. Almost all shipments crossing international borders are subject to the assessment of duties and taxes imposed by the importing country's government. These duties and taxes normally must be paid before the goods are released from customs.

6. **Returns:**

Refer to #12 on your Consultant Terms. Note that you are able to make returns, however you will be responsible for paying the shipping cost to get the items back to us, as well as to have any new items shipped to you.

I have read and understand each policy above and agree to and accept these Terms as of the date set forth below ("Effective Date").
