

## How to Apply for a County Substitute Teacher Certification

### Items Needed to Apply

The items below must be sent to the county (where you reside), once you complete the Online Substitute Certification Application on the Teachers Certification Information System (TCIS) website:

- **Tracking number** – Provided on the confirmation page when you apply and process the \$125 payment with a credit card.
- **Fingerprint Approval** – Fingerprints must be less than five (5) months old, transfer dates do not count. Your fingerprint approval can be accessed from the [Applicant Approval Employment History](#) page.
- **Official Electronic Transcripts** – Printed transcripts are sent directly from your college/university to the county office. You can send printed transcripts to the county office if they are sealed by your college/university. Electronic transcripts can be used if they are sent from your college/university. Apply online with your county to obtain the county contact email.

**Note:** Unsealed printed transcripts sent by you and electronic transcripts sent by you are **not** considered official.
