

## Summary

Atrezzo is a person-centered, web-based care management solution that transforms traditional, episodic-based care management into proactive and collaborative population health care management. Chrome is the preferred internet browser. The below instructions will highlight the steps to add Chrome to your computer.

## Search for Google Chrome

In your current internet browser, do a search for “Google Chrome Download” or click [Download](#) to access an available link, then follow the below steps to complete installation.

**STEP 1**

### Open

Open the ChromeSetup.exe file from the downloads list at the bottom left corner of this window.

[Can't find your installer?](#)

**STEP 2**

### Allow

If prompted, click **"Install anyway"** and **"Yes"** on the system dialogs.

**STEP 3**

### Install

Wait for the installation to finish. Chrome will open automatically when it's done.
