

A photograph of three people in a kitchen or bakery setting. On the left, a woman and a man are standing back-to-back, both wearing black short-sleeved polo shirts with a white checkered collar and aprons (black for the woman, white for the man). On the right, a woman is wearing a black chef's jacket, a black toque, and grey checkered trousers. They are all smiling. The background features a large window with multiple panes, shelves with various kitchen items, and a wooden crate filled with pastries.

A man with dark hair and a slight smile stands in a kitchen, wearing a white apron over a black polo shirt with a white checkered collar. The apron has a small 'CHEFSCRAFT' logo on the upper left. The background features a wooden countertop with various kitchen items: a wire basket with bread, a wooden crate of bread, a blender, and a cutting board with bread rolls. A shelf above the counter holds several glass decanters. The floor is made of light-colored wood.

HOW TO MEASURE YOURSELF

MALE

A) NECK

Measure around your neck at collar level. Keep one finger between the measuring tape and neck.

B) CHEST

Standing naturally, measure around the fullest part of the chest, keeping the tape at under arm level. Keep one finger between tape and body

C) WAIST

Measure around waist keeping one finger between tape and body. Measure at the navel.

D) INLEG

Measure the inside leg from the crotch to top of the heel of the shoe.

FEMALE

E) BUST

Standing naturally, measure around the fullest part of the chest / bust, keeping the tape at under arm level.

F) WAIST

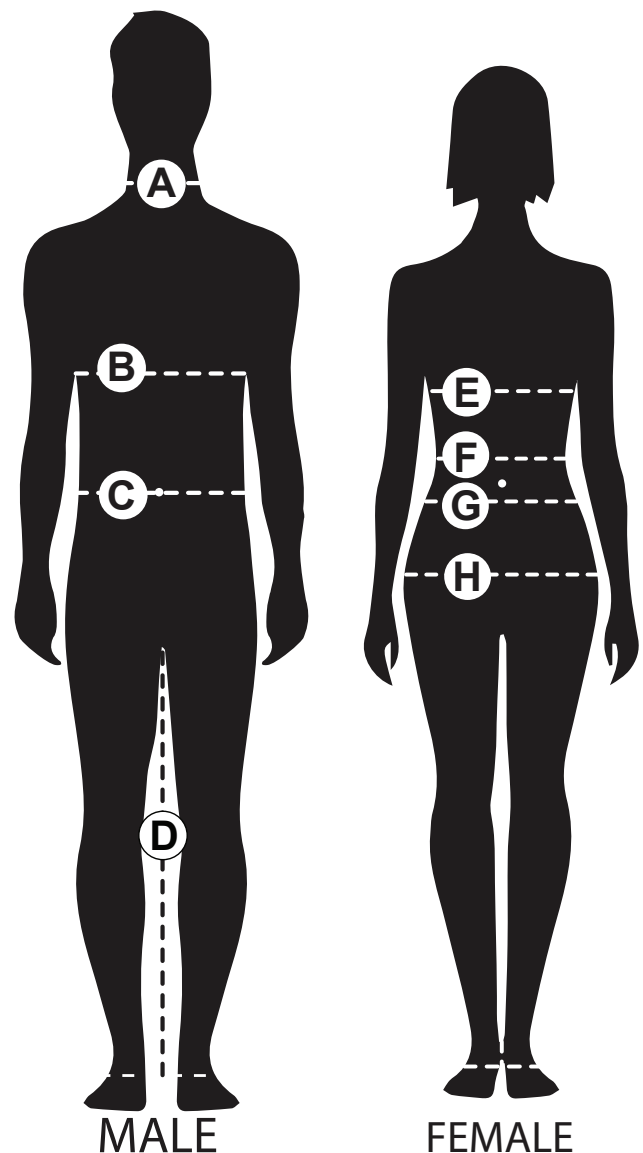

Measure around the waist, placing one finger between tape and body. Measure above the navel, at the narrowest part of your waist.

G) LOW WAIST

Measure around the waist, placing one finger between tape and body. Measure 4cms below your navel.

H) HIPS

Standing naturally, measure around the fullest part of the hips. Keeping the tape level and straight. Placing one finger between tape and body.

MEASURING TIPS

The above measurements are relating to body measurements in centimeters. These are not garment measurements.

For best results, ask someone to measure you with a tape measure.

Keep the tape tight but not stretched and follow the above instructions.
