HOW TO MEASURE YOURSELF

MALE

A) NECK

Measure around your neck at collar level. Keep one finger between the measuring tape and neck.

B) CHEST

Standing naturally, measure around the fullest part of the chest, keeping the tape at under arm level. Keep one finger between tape and body

C) WAIST

Measure around waist keeping one finger between tape and body. Measure at the navel.

D) INLEG

Measure the inside leg from the crotch to top of the heel of the shoe.

FEMALE

E) BUST

Standing naturally, measure around the fullest part of the chest / bust, keeping the tape at under arm level.

F) WAIST

Measure around the waist, placing one finger between tape and body. Measure above the navel, at the narrowest part of your waist.

G) LOW WAIST

Measure around the waist, placing one finger between tape and body. Measure 4cms below your navel.

H) HIPS

Standing naturally, measure around the fullest part of the hips. Keeping the tape level and straight. Placing one finger between tape and body.

MEASURING TIPS

The above measurements are relating to body measurements in centimeters. These are not garment measurements.

For best results, ask someone to measure you with a tape measure.

Keep the tape tight but not stretched and follow the above instructions.
