

WESTERN SPRUCE

Sitka Spruce's botanical name is *Picea sitchensis*. It grows from Southeast Alaska along the West Coast to Northern California. Alta Forest Products manufactures Rightwood and Rightwood Plus from Sitka Spruce.

Rightwood

Warranty: 5 years

Grading: #2 and better sorting

Dimensions: 5/8" x 5 1/2" - 6'

Surfacing: Rough Sawn

Topping: Flat Top | Dog Ear

Rightwood Plus

Warranty: 10 years

Grading: #2, no prior selection

Dimensions: 5/8" x 5 1/2" - 6'

Surfacing: Rough Sawn

Topping: Flat Top | Dog Ear

Resists Insects: Chemically treated to resist attacks by termites and other insects.

Wood Stabilizer Additive: Helps prevent warping and cupping.

Mutual Characteristics of both Rightwood & Rightwood Plus

Wax End Seal: Reduces splitting, checking, and protects against UV damage.

Economical: Homeowners can afford to fence larger areas, also saving money on stain and painting supplies.

Versatile: Combine boards, rails, and PostMaster+ steel posts, which can be easily installed into many popular fence styles.

Stained and Ready to Install: Pre-Stained with water-based protectant. Safe for people and pets.

Natural and Sustainable: Sourced from managed Pacific Northwest forests
