

How are fuel prices across Canada affecting your fleet costs?

While fuel prices are out of your control, there are things you can do to lower your overall fuel costs

To find the lowest prices, consider both Tier 1 and Tier 2 vendors

Tier 1: Esso, Shell, Petro Canada, Tier 2: Various smaller vendors

Adopt a fleet card for your business

Works at all fuel vendors across Canada

Drivers can choose the station with the lowest price

Built-in spending controls prevent fuel fraud
