

# Key results

Violet's Mission is to build a system-wide model of support that ensures no Australian feels uncertain or unprepared as they navigate caring for someone through the last stage of life.

**100% of Carers**  
feel better equipped to engage in end-of-life conversations

**94% of Carers**  
understand what matters most to the person who is dying

**90% of Carers**  
feel validated and empowered as a result of Violet's support

**3 in 5 people**  
access palliative care subsequent to accessing Violet's support

**95% of people**  
tell us that our online resources help build their knowledge, and their confidence

## WHAT IS THE MOST SIGNIFICANT CHANGE AS A RESULT OF VIOLET'S SUPPORT?

"I knew what to expect and what conversations to have ... being able to make the most of the precious time I had left with Mum and being with her until the end"

"I had the confidence to deal with the difficult conversations and how to raise them"

"I was able to take mum out of hospital and give mum the care she deserved at home"
