## More details:

The Peralta Online Equity Training (OET) is an opportunity for faculty to learn and apply the award-winning Peralta Online Equity Rubric to their courses. This online professional development training course is FREE, five weeks in duration, and all content is offered asynchronously (no mandatory meetings). All you need for the course is 5 hours a week, the internet, and a device with access to Canvas.

## By the end of this course, participants will be able to:

1. Analyze online learning activities using the Peralta Online Equity Rubric;
2. Identify elements of sample online courses that demonstrate alignment with the rubric;
3. Suggest resources, activities, tools & strategies to help other faculty align with the rubric;
4. Create or revise learning resources and/or activities that align with the rubric.
