

BERKELEY CITY COLLEGE

JANUARY 24 - MAY 27

President's Message

2050 Center St, (Between Shattuck Ave. & Milvia St.), Berkeley, CA 94704

Dear Berkeley City College Family & Community,

Welcome to the Spring 2022 Semester at Berkeley City College!

With the new calendar year comes an opportunity to continue your academic and career journey with a renewed sense of energy and passion. For nearly two years, our community has been impacted by the COVID-19 pandemic and we have seen the creative ways that teaching and learning have been adjusted to serve BCC students. I commend your resilience and commitment to continue your career and academic aspirations; and BCC is ready to serve you. We are following the Center for Disease Control and Prevention, County of Alameda, and City of Berkeley guidelines to assure your health and safety. So please visit our website for additional information on the COVID-19 prevention plan.

The Berkeley City College community of educators is committed to your success and completion. Faculty have transitioned curriculum and lab instruction onto an

online environment, focused on creating community and engage you in your learning. This semester, you will find that you have more options for in-person and hybrid classes as well as continued online classes. The faculty and instructional teams have developed a student-centered schedule of classes to meet your educational needs during these incredibly fluctuating times.

To support your transition to distance learning, the student support services team created tutorials for students to maximize your new learning environment. This spring semester you will find more opportunities for in-person support from key programs and services. Supporting you to complete your education is a priority and the faculty, classified professionals, and administrators have worked diligently to maintain institutional continuity of instruction and student support that is grounded in equity produces academic excellence.

As an example of our commitment to academic excellence and equity, Berkeley City College is a three-year recognized 2020 Champion of Higher Education for exemplary work in implementing and awarding the Associated Degree for Transfer (ADT). We are recognized as one of the top producers of transfers into the California State University (CSU) and University of California (UC) systems and ultimately supporting students to the next step in their education journeys. The College also received the inaugural 2020 Equity Champion for Higher Education for closing equity gaps in Latinx and African-American student transfers. We are proud of this recognition and invite you to join our educational community.

Berkeley City College is YOUR community college. We are here to support you as you set your goals and plans for your future. It is our honor to serve as a pathway to higher education and we are committed to ensuring your completion. As a first-generation college student, I understand first-hand what it means to have access to quality higher education that opens future doors. I understand that your academic and career goals are often driven by your desire to honor and pave new paths for your family and community. Berkeley City College is here for you. I wish you well with your studies and I look forward to seeing you in the spring semester.

It is my honor to serve as President and to be part of creating a community that provides high levels of care, compassion, and professionalism of faculty and classified professionals alike to deliver the world class education that you deserve.

In Community,

Mariatt

Admissions Information

Who May Register?

All persons 18 years of age or older are eligible for admissions as a California resident or nonresident. Anyone under 18 years of age who is a high school graduate or has been awarded a GED or California High School Proficiency Certificate may also enroll. Unless expressly exempted, or entitled to a waiver, all students enrolling for college credit must pay the enrollment fee.

Adding A Class

If a class is open, students can enroll online or in the Admissions and Records Office at any campus. If a class is closed, students can add their name to the wait list prior to the first day of class. After the first day, instructors will issue a permission number or sign an Add card if space is available. Students who are present and on the wait list will be given first priority. Students who do not attend the first class may be dropped by the instructor. Go to this link for all key deadlines for adding and dropping classes https://web.peralta.edu/admissions/category/academiccalendar/

Dropping A Class

It is the student's responsibility to drop classes that they do not wish to attend. Students can drop classes online or in the Admissions and Records Office on campus. However, instructors may drop students for non attendance during the first week of classes. Go to this link for all key deadlines for adding and dropping classes <u>https://web.peralta.edu/</u> <u>admissions/category/academic-calendar/</u>

PASS/NO PASS Option

Step 1: Check the college catalog to see if your class is eligible for P/NP grading.

Step 2: For Pass/No Pass Deadlines, go to this link for all key deadlines <u>https://web.peralta.edu/admissions/</u> category/academic-calendar/

Residence Requirements

A person must have lived continuously in California for at least one year immediately preceding the residence determination date to be considered a resident for tuition purposes. Evidence must also be provided to indicate that the person has intent to make California his/her permanent home.

A student must be a U.S. citizen or hold a U.S. immigration status that does not prevent establishment of residency.

Evidence of residency must include one of the following:

- A valid California ID or driver's license
- California State income tax return for the previous year
- Receipt for payment of residential property tax
- Rental or lease agreement showing continuous occupancy in a California property
- Active military ID card

Nonresident Tuition Exemption

A student is exempt from paying nonresident tuition if the student meets all of the following four requirements:

- 1. Must have: attended a combination of California high school, adult school, and California Community College for the equivalent of three years or more, or attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years.
- 2. Must have: graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam), or completed an associate degree from a California Community College, or completed the minimum requirements at a California Community College for transfer to the California State University or the University of California.
- 3. Must register as an entering student at, or current enrollment at, an accredited institution of higher education in California.
- 4. Must file an affidavit with the college or university stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status, or will file an application as soon as the student is eligible to do so.

Admissions Information (Continued)

Concurrent/Dual Enrollment/ High School / Other

In accordance with California Education Code, section 76001, high school students may enroll as special part-time students. Enrollment must be recommended by their principal, with parental consent. Units earned will be granted as college credit. The high school may grant high school credit for courses taken from the Peralta Colleges.

The student must follow all of the regulations and policies of the college, including adhering to assessment and any prerequisite requirements. A high school student whose high school counselor recommends that the student enroll in more than six units must have the approval of the Vice President of Student Services at the college of enrollment.

All California Community College fees will be waived for special part time high school students. However, full-time (enrolled in more than 15 units) concurrently enrolled high school students are subject to pay tuition fees and all other fees.

Military Residence Exemption

Nonresident U.S. military personnel and on active duty in California (except those assigned for educational purposes to state supported institutions of higher education) and their dependents are granted a waiver of Nonresident Tuition until they are discharged from the military service.

International Students

Special regulations govern the admission of international students. These students should contact the Office of International Education for applications and admissions at <u>https://web.peralta.edu/international</u>, by email at <u>international@peralta.edu</u>, or by phone at (510) 466-7380.

Apply & Enroll

Enrollment Appointments & Open Enrollment

You may enroll in classes on or after your enrollment or during open enrollment. If you have been provided an enrollment appointment, it will appear in <u>Campus Solutions</u> (under "Academic Record"). Most new and former students do not have appointments and may enroll during open enrollment.

Enrollment Dates

Priority Enrollment	November 15,	2021
Open Enrollment (including High School Students)	November 22,	2021

Placement (multiple measures):

Counselors review multiple measures to advise you on appropriate class enrollment and placement in English or English as a second language (ESOL) and mathematics.

Counseling

You will meet with a counselor to help develop a student educational plan (SEP) and select appropriate classes based on your objectives and assessment evaluation.

<u>Waitlist FAQs</u>

During registration, if you try to register for a class that is full ("CLOSED"), you will be given the option to add to the waitlist for that class until the waitlist fills. Remember, being on a waitlist does not guarantee you a seat in a class. If seats become available, those on the waitlist will be enrolled in the order they were added to the list.

Important: Passport will allow you to get on a waitlist, however, you will not be enrolled if you have any holds, time conflicts, repeat or prerequisite errors, duplicate courses, excessive units, or any type of registration error.

Frequently Asked Questions

Can anybody get on a Waitlist?

Anyone can get on a waitlist if the waitlist for the class is available, but you will ONLY be enrolled in the class if:

- 1. You meet the class prerequisites
- 2. The class time does not conflict with another class in which you are already enrolled
- 3. You are not enrolled in another section of the same course
- 4. You have no repeat errors or holds on your record
- 5. The class units do not exceed your maximum allowed.

When the daily process runs and space in the class is available, if you are on the waitlist but do not meet the criteria above, instead of being automatically enrolled in the class you will remain on the waitlist.

Who gets into a class from a waitlist?

If one seats become available, students will automatically be enrolled in the class in the order in which they were added to the waitlist as long as there are no errors or enrollment restrictions.

How do I know if I got into a class?

If you are auto enrolled from the waitlist, you will be notified by email to your Peralta email account. Be sure to activate and monitor your Peralta emails during the registration period.

When do I pay for the class?

Fees will be assessed after you enroll in a class and must be paid 2 weeks before the beginning of the term. If you do not pay your fees, you may be dropped from the class for non-payment. If you add after this deadline, you are required to pay the fees immediately or a hold WILL be placed on your account and your debt will be sent to collections. Students on a waitlist should monitor their Peralta email closely for enrollment notification.

What is the first day I can waitlist?

Waitlists become available when a class reaches its enrollment capacity. Waitlisted classes are displayed in the online schedule of classes with a yellow triangle icon. What is the last day I can be added to a waitlist? You can be added to a waitlist until the day before classes begin.

What prevents me from adding to a waitlist?

- Enrollment appointment date/time has not yet been reached
- The last day to add to the waitlist has passed
- Class is not yet closed
- Waitlist is at its capacity
- You have reached the limit for waitlisted units (waitlisted and enrolled units cannot exceed 10 units in summer, and 18 units in fall and spring)

If an enrolled student drops a class and a seat opens up, do waitlisted students get the opportunity to enroll first?

Yes. When a class is marked as closed only students from the waitlist can be enrolled. Before the first day of classes, a daily process runs to automatically enroll students from the waitlist. If all waitlisted students are successfully enrolled in the class and there are still seats available, the class will reopen. However, if all students from the waitlist are moved to the class filling the class to capacity, the class will remain closed and the waitlist will re-open. If by the first day of class you are still on the waitlist, you will need to attend the first class meeting and obtain a permission number from your instructor in order to enroll in the class.

Can I be on the Waitlist for more than one section of the same class?

Yes. You will be automatically enrolled in the section that becomes available first, depending on your position on the waitlist for each section.

Waitlist FAQs (continued)

Can a student be both enrolled and waitlisted for different sections of the same class?

Yes, but they cannot be enrolled in both. A student can be enrolled in the open section of a class and at the same time be on the waitlist for a different section of that same class (maybe the waitlisted section was their first choice, but it has reached capacity). However, a student will not be auto enrolled in the waitlisted section when a seat becomes available, even if they are eligible. In this instance, they will need to drop themselves from the section they are currently enrolled.

How will I move from the waitlist into the class?

During the registration period before classes begin, you are automatically enrolled as space becomes available. After classes begin, instructors are required to issue permission numbers. You use the class permission number to enroll in the class via Campus Solutions or by going to the Admissions and Records office at the college. Is there a limit to the number of units that can be waitlisted?

Yes. Your waitlisted units and enrolled units cannot exceed 10 units in summer and 18 units in fall and spring.

Are waitlisted units counted into my total units for the term?

No. Enrolled units and waitlisted units are counted separately. Waitlisted courses are not counted towards full-time status or calculated for fees.

Will I be charged the enrollment fee when I add to the waitlist?

No. You are only charged the appropriate fees when you are officially enrolled in the class.

How do instructors know who is on the waitlist?

Class waitlists are available to instructors through class rosters.

Can I drop myself from a waitlist?

Yes. You can drop yourself from a Waitlist using Drop Classes in Campus Solutions.

Can I see my position on a waitlist?

You can view your waitlist position in. Campus Solutions. Click the Manage Classes tile and review the information in the View My Classes section.

How can I tell if a class has a waitlist?

Waitlisted classed are marked by a yellow triangle in the online schedule of classes.

Fees Information

California Community College Enrollment Fee

All students are required to pay a California Community College Enrollment Fee. This fee will be collected at the time of enrollment into classes and shall be \$46 per unit for the semester. Enrollment fees are subject to legislative changes throughout the year. Contained within the current State budget mid-year enrollment fee increases may be enacted should State revenues fall below estimates. Students will be advised on any implementation of fee increases prior to the fees taking effect.

Campus Center Use Fee

In addition to the California Community College Enrollment Fee, there will be a Campus Center Use Fee of \$2 per semester, per campus (excluding off campus locations), to be collected at the time of enrollment.

Non-Resident Tuition

Students who are not residents of California for one year and one day prior to the first day of the term, or do not qualify for nonresident status known as "AB540," will be charged nonresident tuition. Nonresident tuition is charged at the rate of \$307 per semester unit plus the \$46 per unit California Community College Enrollment fee totaling, \$353 per semester unit, a \$2 per semester, per Campus Center User fee will be charged.

Capital Outlay Fee

Nonresident students of the State of California will be charged a Nonresident Capital Outlay Fee, in addition to the Nonresident Tuition, California Community College Enrollment Fee, and the Campus Center Use Fee. The Nonresident Capital Outlay Fee is \$7 per semester unit.

Student Representation Fee

Under Education Code §76060.5, each college Student Body within Peralta CCD elected to establish a Student Representation Fee of \$2.00 per college, per semester for each student. This fee will provide support for students or representatives who present college positions and viewpoints before city, county, district governments, and offices and agencies of the state and federal governments. Students will be charged this fee unless a Student Representation Fee waiver form is submitted to the college Bursar's Office before the last day of the semester charged.

Health Fee

All students are required to pay the Student Health fee of \$18.00 per semester for Fall and Spring semesters (\$15 for Summer session). This fee will be collected at the time of enrollment. The Health fee is subject to change as allowed by the State Legislature. NOTE: Students who qualify in the

following categories will be exempted from payment of the health fee.

- Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization (documentation required).
- 2. Students who are attending college under an approved apprenticeship training program.

International Health Insurance Fee

All international students will be automatically enrolled in the mandatory health insurance program. For more information on current health insurance fees and links, please visit: <u>https://web.peralta.edu/international/healthservices-2</u> or to review AP 5030, please visit: <u>http://web. peralta.edu/trustees/bps-aps/</u>

IT IS THE STUDENT'S RESPONSIBILITY TO DROP CLASSES!

Students are expected to attend all classes in which they are enrolled. If you do not attend, or stop attending classes, and fail to personally drop by the drop deadline, you will be responsible for all tuition and fees. Not attending classes does not warrant a refund of fees. It is the student's responsibility to drop all classes which they are not attending.

For specific refund dates, please visit www.peralta.edu and search "<u>Fall Refund Drop Deadline Schedule</u>". This includes the refund dates for Regular Session, Short-Term and Late Start Courses.

Refund Procedure for Enrollment Fees

A student who cancels his/her registration prior to the first day of instruction, or officially withdraws from all classes during the first two weeks of instruction, shall be entitled to a full refund less a \$10 processing fee. (This must be done whether you attend the class or not.)

If a student pays an Enrollment Fee of less than \$10 and cancels his/her registration or withdraws from all classes before the deadline, the processing fee shall equal the Enrollment Fee.

No refund of the Enrollment Fee will be made to any student who withdraws from classes after the first two weeks of instruction.

A student may request a refund up to the end of the following term in which the refund was due. After that time, the student will not be eligible for the refund.

To apply for an enrollment fee refund, email an Application for Refund Request form at the Cashier's Office website. <u>https://web.peralta.edu/business/student-financials/</u> <u>refund-drop-deadline-schedules/</u>

Once the request is submitted, refund processing time is 4 to 6 weeks (after last day to add classes) during peak periods and 2 to 3 weeks during off peak periods.

Refund Procedure for Non-Resident Tuition and Capital Outlay Fee

Students will receive a full refund for any class canceled by the college.

Regular Session Classes:

 A 100% refund of Nonresident Tuition and Capital Outlay Fee (minus a \$10 processing fee) will be made for any class in which the student withdraws through the Last Day to Drop Regular Session Classes And Receive a Refund.

Refund Procedure for Short-Term, Late Start and Open-Entry/Open-Exit Classes

• A student enrolled in a short-term class will receive a 100% re-fund (minus a \$10 processing fee for residents) if he/she officially withdraws within the first 10% of the class length. No refunds will be issued after the first 10% of the class length.

For specific dates, please visit www.peralta.edu and search Refund Drop Deadline Schedule. This includes the refund dates for regular session courses and short/late start courses.

Refund Procedure for Variable Unit Classes

No refund shall be made for variable units not earned by the student.

The State-mandated Enrollment Fees will be fully refunded if an action of the college (e.g. class cancellation) prevents a student from attending class. A student may, upon request, obtain a refund up to the end of the following term in which the refund was due. After that time the student will not be eligible for the refund.

Please note: Instructors may drop students who do not attend the first class meeting but students are ultimately responsible for dropping themselves from any course they are not attending.

Refund Procedures for Health Fee

This fee is non-refundable unless all classes are dropped on or before the last day to drop regular session classes and receive a refund.

The Peralta Community College District participates in the State of California Chancellor's Office Tax Offset Program (COTOP). Past due accounts may be submitted to COTOP by the Peralta Community College District. This enables the State of California Franchise Tax Board to appropriately intercept any tax refunds, lottery winnings or unclaimed property that might be owed to you.

Financial Aid - How to Apply

Financial Aid - Frequently Asked Questions

Why should I apply for financial aid?

Financial aid is made available to assist students and families in meeting the costs of a post-secondary education. If you believe you will need assistance in meeting those costs, you should apply for financial aid. You can apply online at <u>www.</u> <u>fafsa.ed.gov</u>, via the mobile app at "MyStudentAid", or at <u>dream.csac.ca.gov</u> (For California AB540 students)

If I am not a U.S. Citizen, am I still eligible to apply for Financial Aid?

To be eligible for both federal and state aid, a student must be a U.S. citizen or an eligible non-citizen. For financial aid purpose, an eligible non-citizen is one of the following: a U.S. permanent resident who has an Alien Registration Receipt Card (I-551); a conditional permanent resident (I-551C); or a non-citizen with an Arrival-Departure record (I-94) from the U.S. Citizenship and Immigration Services with one of the following designations—"Refugee," "Asylum Granted," "Parole," or "Cuban-Haitian Entrant." Students who are residing in the United States with an F-1 or F-2 student visa or a G series visa are NOT eligible for federal or state financial aid.

How do I get financial aid?

To receive financial aid you must apply for it. The biggest mistake students make is not to apply because they don't think they'll qualify, therefore, everyone should apply. To apply for federal, state, and college financial aid programs, you need to complete the FAFSA or Dream Act application. For the Cal Grant program, you must submit a GPA verification form by March 2 2022 and September 2, 2022 (if form is not filed by March 2nd). You may also be requested to submit additional documents such as IRS tax transcripts to complete your financial aid file. Please respond immediately to all requests made by the Financial Aid Office.

Do I need to complete my income tax return before I complete the Financial Aid Application?

While it is recommended that you complete your tax return prior to filling out your FAFSA or Dream Act, it is not essential. You can fill out the financial aid application using estimated information from your W-2. Any large discrepancies between your aid application and your tax return may have a large impact on any preliminary financial aid award you receive.

What happens if I have academic or other problems and have to drop classes or drop out of college entirely?

If you receive aid and then drop units or withdraw prior to the end of the semester, you may be required to repay a portion of the funds. The repayment amount will be determined after the add/drop period has ended. Students that are required to repay will be required to do so before being allowed to enroll or requesting official transcripts.

What is Satisfactory Academic Progress (SAP)?

Students who have applied for financial aid enter into an agreement to attend class and complete courses with a passing grade. Failure to complete required units, meet the minimum cumulative GPA requirement or exceed the maximum unit limit will result in disqualification from receiving further financial aid.

Financial Aid - Frequently Asked Questions

Do I have to reapply for financial aid every year?

Yes. The FAFSA Application is available as of October 1st of each school year, and ends June 30th. Make sure you include our school codes: Berkeley City College (014311), College of Alameda (006720), Laney College (001266) and Merritt College (001267)

Is there a limit to how much financial aid I can receive?

Yes. The duration of a student's eligibility to receive a Federal Pell Grant is limited to 600% lifetime or its equivalent to 12 full-time semesters. Calculation of the duration of a student's eligibility includes all years of the student's receipt of Federal Pell Grant funding. Once a student has received a Federal Pell Grant for 12 full-time semesters (or its equivalent) the student will no longer be eligible for further Federal Pell Grant.

How is my financial aid disbursed?

Financial Aid funds are disbursed through BankMobile. Your financial aid will be used to pay off current aid year charges on your Campus Solutions account. If there are any remaining funds that exceed these charges on your Campus Solutions account at the time of disbursement, you will receive a refund of the excess amount which you may use to pay other educational expenses.

The Peralta Community College District partners with BankMobile[®], a financial services company which provides refund methods for students to receive financial aid disbursements.

I have more questions. Who can I contact?

CALIFORNIA DREAM ACT

FINANCIAL AID IS NOW AVAILABLE TO AB 504 STUDENTS

What is the California Dream Act?

The California Dream Act is comprised of two state laws, AB 130 and AB 131, that allow AB 540 students to apply for and receive several types of financial aid, including:

- California College Promise Grant (formerly BOG Waiver)
- State financial aids such as Cal Grants, Chafee Grant, and Student Success Completion Grant (SSCG)
- Assistance from EOPS, CARE or CalWORKs
- Privately-funded scholarships

Check with your campus financial aid, scholarship, EOPS/CARE and CalWORKs offices to see what is available.

What is an AB 540 student?

 have attended a combination of California high school, adult school, and California Community College for the equivalent of three years or more, or attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years,

AND

- 2. The student must have:
 - Graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam), or completed an associate degree from a California Community College, or
 - Completed the minimum requirements at a California Community College for transfer to the California State University or the University of California,

AND

3. The student must register as an entering student at, or current enrollment at, an accredited institution of higher education in California,

AND

4. The student must file an affidavit with the college or university stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status, or will file an application as soon as the student is eligible to do so.

What is My Next Step?

- If you are AB540 eligible, visit https://dream.csac.ca.gov/ to apply for financial aid
- For Cal Grant eligibility: Your college GPA verification form needs to be submitted to California Student Aid Commission (CSAC) by March 2 2021. For more information on GPA requirements, visit <u>https://www.csac.</u> <u>ca.gov/student-forms-0</u>
- To ensure that your GPA Verification is electronically submitted, visit Admissions & Records Office at your home college to update your SSN to 999-99-9999
- For high school GPA verification, you must check in with your high school

AB705 Information

There is a NEW WAY for you to graduate and transfer faster than ever before. See a counselor for more information and visit web.peralta.edu/academicaffairs/ab-705-at-pccd/ for a full description of the new California state law called AB 705.

WHAT'S OLD 🔷

- Placement tests that didn't do a very good job of properly placing students into the math and English classes right for them. That's old!
- Semester after semester of below-college-level math and English courses that delayed students from reaching their graduation and transfer goals. That's old!
- Math & English courses that didn't give students enough time with their instructors to really help them succeed. That's old!

WHAT'S NEW 🍷

- No more placement test for math and English. Almost all students are now placed directly into college and transfer-level courses, making it faster to complete your graduation and transfer goals.
- More classroom support is now available for your math and English classes. These classes offer additional one-on-one and small group learning with faculty. These "supplemental" courses are required for some students (based on high school gpa) but are open to all students.
- Taking math and English right away as you enter college for the first time or are returning back to college is key to your success. Our aim is to support students in successfully passing college-level math and English in your first year.

ESOL students can now complete the path to transfer more quickly with fewer Reading and Writing courses required to qualify for English 1A. We also have Workshop courses with one-on-one instruction by an ESOL instructor and trained tutors to support you in your Reading and Writing courses. Our goal in ESOL is to improve your reading and writing skills to prepare you for English 1A so that you can reach your transfer objectives faster.

Instead of a placement test, you will take a Guided Self Placement. This is a chance for you to think about what you can do in English and make the best level choice for your goals.

Student Placement & AB705

The Results of Placement

AB705

Now with AB705 every college is required to maximize the probability that a student will enter and complete transfer-level coursework in English and Math within a one-year timeframe. To achieve this goal, counselors now use the following measures:

- High school coursework
- High school grades
- High school grade point average

The Student Success and Placement Office is pleased to share some very important changes in the corequisite placement process. AB 705 has changed how we place students in Math and English. With the enactment of Assembly Bill 705, students are now placed in Math and English courses based on their high school records instead of taking a placement test and having courses assigned based on that test. Now student records are reviewed with a counselor and depending on your high school level, you will be placed at your academic level.

Why this change?

According to research, high school grade average is the strongest predictor of performance in college-level coursework. Assessment tests were not the best indicator of skills and ability. The new placement process uses your high school transcript. The purpose of this method is to place you into appropriate English, Math, and ESOL courses based on information regarding your current skills in reading, writing, and mathematics.

Once students are placed into remedial course, only 16% earn a certificate or associate degree within six years

For students who do not have access to high school records and GPA, click here: https://assessment.cco.edu/faqs

The results of the placement

Documented information provided by the student will assist and aid in the right placement into classes. The following documents can be used as multiple measures to assist you in achieving higher placement goals:

■ College and or high transcripts, high school AP (with a 3 or higher) and IB (with a 6 or higher) scores.

■ The counseling staff will use the multiple measures along with your high school transcript to assist you in selecting appropriate courses.

California College Promise Grant

The California College Promise Grant (formerly the BOG Fee Waiver) is available specifically for students at California community colleges. The California College Promise Grant will waive your per-unit enrollment fee (currently \$46) at any Peralta Community College.

If you believe you qualify for a California College Promise Grant Method A; submit the acceptable documentation to the Financial Aid Office. This Promise Grant will cover your enrollment fees for the entire academic year.

Acceptable Documentation for Promise Grant Method A:

AFDC or SSI Recipients

Notice of Action in your name (or your parent's name) for the same month in which you file this application or one calendar month before.

or

CalWORKs/TANF or SSI Warrant or Check issued in your name (or your parent's name) for the same month in which you file this application or one month before. **or**

Documentation agreed upon between your Community College and County Welfare Department. Contact the Financial Aid Office for details.

General Assistance Recipients

Documentation agreed upon between your community college district and county welfare department. Ask at your Financial Aid Office.

Deceased/Disabled Veterans' Dependents Or National Guard Dependents

Fee Waiver certification provided by the California Department of Veterans Affairs or your county Veterans Service Office. Fee Waiver certification provided by the California National Guard Adjustment General's Office.

Congressional Medal Of Honor Recipient Dependent Of September 11, 2001 Victim Deceased Law Enforcement/ Fire Suppression Personnel

- Certification of Medal of Honor Recipient, or a child of Medal of Honor recipient.
- Certification as dependent of a victim of the September 11, 2001 terrorist attack.
- Certification as dependent of deceased law enforcement/fire suppression personnel killed in the line of duty.

DOCUMENTATION FOR PROMISE GRANT METHOD B:

A California College Promise Grant Method can be awarded to low-income students. Whether you qualify is based upon your (or your parent's) income and household size. Colleges may ask you to provide documentation of income, such as a copy of your 2019 U.S. Income Tax Return. You are required to provide documentation if it is requested.

Family Household	2019 Tax Year (Sum 2021 - Spr 2022)
1	\$19,140
2	\$25,860
3	\$32,580
4	\$39,300
5	\$46,020
6	\$52,740

METHOD C (Available only by filing 2021-2022 FAFSA or CA Dream Act)

Note: Students not qualified by Method B income standards must file a FAFSA in order to demonstrate the need to qualify for a California College Promise Grant waiver.

If you have special circumstances where you cannot fill out a FAFSA to obtain a California College Promise Grant Enrollment Fee Waiver, please stop by the Financial Aid Office for other possible options.

*New Regulation: Students who apply via the FAFSA for Dream Act must demonstrate need in excess of the average cost of tuition of \$1104 for 2022-2022.

NOTE: Loss of Entitlement for California Promise Grant

Students who do not maintain minimum academic and/ or progress* standards for two consecutive primary semesters will be subject to loss of eligibility for the California College Promise Grant. Registered Foster Youth are exempted from this requirement.

* 50% Completion rate and cumulative GPA above 2.0

FILL OUT YOUR FAFSA AT WWW.FAFSA.GOV TO SEE IF YOU QUALIFY FOR METHOD B OR C.

Degrees & Certificates

Associate Degrees and Occupational Certificate Programs

The following is a list of study areas described in BCC's catalog supplement and in the college's 2017 - 2019 catalog for which BCC awards an Associate in Art degree (AA), an Associate in Science degree (AS), a Certificate of Achievement (CA), or a Certificate of Proficiency (CP) in liberal arts, science, occupational fields, or specialized areas of study. The Associate in Arts for Transfer (AA-T) and the Associate in Science for Transfer (AS-T) are intended for students who plan to complete a Bachelor's degree in a similar major at a CSU campus. The college also awards non-credit certificates (NC).

Degrees & Certificates (Continued)

The American Sign Language Major

Our American Sign Language Program is a highly acclaimed national model. It focuses on development of communication skills, understanding Deaf culture, and how cultural differences between the Deaf and hearing communities affect cross-cultural communication. Most importantly, it provides students with language skills and tools to continue learning ASL in the community and prepares them for transfer to the University of California or California State University systems. Students who have completed ASL courses at other colleges or who have experience should consult with the ASL Department staff for an evaluation. For details, contact Iva Ikeda at iikeda@ peralta.edu or Jenny Gough at jgough@peralta.edu.

The Anthropology Major (AA-T)

The Associate in Arts Degree for Transfer in Anthropology is designed for those who plan to transfer into an anthropology major at a CSU. For details, contact Dr. Thomas Kies at tkies@peralta.edu.

Art Majors Including Art History (AA-T) & Studio Arts (AA-T)

Our Art program provides you with a strong foundation in the terminology and principles of the visual arts, twoand three-dimensional design, and an introduction to various techniques and media. Other topics include the relationship between form and content, historical and contemporary approaches to art and art making, and personal expression. We offer a range of certificates and degrees, including an AA-T in Art History and an AA-T in Studio Art. Contact Dr. Carolyn Martin at cjmartin@peralta. edu, for information.

Biology and Biotechnology Majors Including Biology (AS-T)

Biotechnology draws from many disciplines, including genetics, immunology, and molecular biology. Recent advances have improved our understanding of biological processes that have accelerated discoveries in medicine and environmental sciences. BCC's programs integrate academic and applied instruction and prepare you for employment in a variety of technician-level careers. They also provide a solid background if you seek a higher degree.

The Biology Associate in Science Degree for Transfer (AS-

T) is designed for students who plan to transfer to CSU as biology majors. You will gain exposure to the main topics of biology: cell, molecular, organismal biology, and evolution and ecology. Call (510) 981-2887, or e-mail Dr. Barbara des Rochers at bdesrochers@peralta.edu.

Business Majors including Business Administration (AS-T)

If you are interested in Business, you can achieve your goals in several ways. Business Administration prepares you to transfer to a four-year school to study for a bachelor's degree in many business fields. Completion of our Business Administration AS- T degree guarantees transfer into the same upper division major at a California State University (CSU).

General Business can also help you transfer or it can give you a firm foundation in business theory and practice so you can begin working sooner and/or prepare to open your own business. Or it can show your current employer you are making an effort to upgrade your skills in order to contribute more to your company today and in the future. Accounting gives detail-oriented students a transferable skill that is in high demand in business today. Office Skills for Business provides basic office skills to help you get your foot in the door for that first job. For details, contact Chris Bernard at BCC-CISBUSECON@peralta.edu.

The Chemistry Major

(Analytical Chemistry) (AS/CA) Berkeley City College offers an Associate in Science Degree or a Certificate achievement in Analytic Chemistry. The two year (four semester) chemistry program is designed to provide you with the analytical skills needed for entry level employment as a laboratory technician. At the same time, the program also prepares you for transfer to four year colleges or universities. Contact Dr. Siraj Omar at (510) 981-2889, or somar@peralta.edu.

The Communication Studies Major (AA-T)

The Associate in Arts for Transfer Degree in Communications Studies is designed for those who plan to transfer into a communications studies major at a CSU. For details, contact Dr. Cora Leighton at cleighton@peralta. edu.

The Computer Information Systems Majors (AS/CA) Computer Information Systems majors include area specializations in Applied Computer Information Systems and Web Programming, one of the most highly demanded skills in public and private sector organizations. For information, phone (510) 981-2921, or contact Dr. Paramsothy Thananjeyan, department chair, at BCC-CISBUSECON@peralta.edu.

The Economics Major (AA-T)

Economics provides a sequential course of study that prepares you for transfer to four-year institutions with an economics major or acquisition of economics proficiency necessary for career fields that emphasize the value of familiarity with economics or accounting. For information, contact Christopher Barnard at BCC-CISBUSECON@peralta.edu.

The Education Majors Including Elementary Teacher Education (AA-T/AA/CA/NC)

Demand for Kindergarten to 5th grade teachers will rise rapidly in the next 10 years. Berkeley City College's Elementary Education AA-T Degree allows you to finish your first two years of teacher preparation, then transfer to a California State University to finish your bachelor's degree. The Liberal Studies Teacher Preparation degree can also help you transfer. The Teacher's Aide Certificate of Achievement prepares you for work in classrooms from kindergarten to high school and adult education and the School Readiness certificate prepares you to work with young children and in after school-programs. For details, contact Candida Tapia at ctapia@peralta.edu.

The English Majors Including English (AA-T/AA/CA/NC)

Our English majors allow you to develop strong communications and analytical skills through a variety of literature and writing classes. The associate degrees, including an Associate in Arts Degree for Transfer (AA-T), are transferable to four-year colleges and universities. For information, contact Jennifer Lowood at jlowood@ peralta. edu or Adán Olmedo at amolmedo@peralta.edu

The English as a Second Language Majors (CP/NC)

Students may earn Certificates of Proficiency in High Intermediate or Advanced English as a Second Language majors. For information, contact Gabe Winer at (510) 981-2825, or gwiner @peralta.edu.

The Global Studies Major (AA-T)

Our transferable global studies major prepares students for transfer to UC, CSU, and other four-year programs in Global or International Studies, Peace and Conflict Studies, area studies, such as Latin American Studies, and International Relations. The program is a stepping stone to a variety of career options in the international arena. Contact Dr. Charlotte Lee at clee@peralta.edu.

The History Major (AA-T)

The Associate in Arts in History for Transfer Degree is designed to prepare students for a seamless transfer with junior status and priority admission to their local CSU campus to a program or major in History or similar major for completion of a baccalaureate degree. Contact Dr. Tim Rose at (510) 981-2983 or trose@peralta.edu.

The Liberal Arts Majors; Certificates of Achievement in UC's IGETC and CSU's General Education Curriculum

The associate in arts degree in liberal arts is designed to fulfill lower division general education requirements. It is transferable to the University of California and California State University systems, and to private colleges. You also may earn a Certificate of Achievement in either UC's IGETC curriculum, or in CSU's General Education Breadth curriculum, or you may earn an associate degree in liberal arts with an emphasis in either arts and humanities or social and behavioral sciences. For more information, call (510) 981-2800 or see your counselor.

The Mathematics Major (AS-T)

The Associate in Science Degree in Mathematics for Transfer is designed to prepare you for transfer to fouryear institutions with a mathematics major. It also prepares you for other majors in the science, technology, engineering and business fields. For more information, see your counselor.

The Multimedia Arts Majors (AS-T/AA/CA/CP)

Learn the nuts and bolts of digital film-making digital imaging, video, animation, and web design. Earn a Certificate of Achievement, a Certificate of Proficiency, or an Associate in Arts Degree in Multimedia Arts with an emphasis in Animation, Digital Imaging, Digital Video or Web Design.

Professionals in each field inspire your creativity while emphasizing the practical essentials of multimedia arts. For details, contact Natalie Newman at nnewman@peralta. edu or Mary Clarke-Miller at mclarkemiller@peralta.edu.

The Philosophy Major (AA-T)

The Associate in Arts in Philosophy for Transfer Degree is designed to prepare students for a seamless transfer with junior status and priority admission to their local CSU campus to a program or major in Philosophy or similar major for completion of a baccalaureate degree. For details, contact Dr. Ari Krupnick at (510) 981-5024 or akrupnick@ peralta.edu.

The Political Science Major (AA-T)

The Associate in Arts in Political Science for transfer degree is designed to prepare students for a seamless transfer with junior status and priority admission to their local CSU campus to a program or major in Political Science or similar major for completion of a baccalaureate degree. For details, contact Dr. Matt Freeman at mfreeman@peralta. edu or (510) 981-2949.

The Psychology Major (AA-T)

The Associate in Arts in Psychology for Transfer Degree is for those who plan to transfer into the CSU psychology major. If you wish to earn an AA for transfer, you will study the nature of consciousness and the development of the person, basic processes of human perception, learning, cognition and motivation; the relationship of behavior to physiology; and the nature of psychological disorders and how psychologists use their knowledge to help improve the quality of people's lives. Successful completion of the program with a minimum G.P.A. of 2.0 affords students specific guarantees for transfer to the CSU system, such as admission to a CSU with junior status, priority admission to their local CSU campus and to a program or major in psychology or similar major. See a counselor to enroll. For information, contact Dr. Melina Bersamin at mbersamin@peralta.edu.

Social Work and Human Services (CA/NC)

Are you interested in a public or human services career? Our certificate programs in Social Work and Human Services and Community Health Worker prepare you for jobs in public service, and in social or human services, health education and community outreach, where job demand is great. Course work covers child and family services, gerontology and California welfare services. For more information, contact Dr. Tim Rose at trose@peralta. edu

The Sociology Major (AA-T)

The Associate in Arts in Sociology for Transfer Degree is designed for those who plan to transfer into the sociology major at a CSU. You will study the role of social theory, sociological research methods, social organization and structure, social stratifica-tion and hierarchies, dynamics of social change, family structures, social deviance and control, and applications to the study of specific social groups, social institutions, and social problems. Successful completion of the program with a minimum G.P.A. of 2.0 affords you specific guarantees for transfer to the CSU system, such as admission to a CSU with junior status, priority admission to their local CSU campus and to a program or major in sociology or similar major. See a counselor to enroll. For more information, contact Dr. Tim Rose at trose@peralta.edu

The Spanish Major (AA-T/AA/CA)

Our Spanish Associate in Arts Degree, Associate in Arts Degree for Transfer (AA-T) and Certificate of Achievement prepare you for transfer to four-year institutions with a Spanish major and/or helps you to attain Spanish proficiency necessary for careers which emphasize the value of familiarity with diverse cultures and global issues. For more information, contact Dr. Fabián Banga at (510) 981-2874, or fbanga@peralta.edu.

Add Deadlines

Please note that there are two key add deadlines for regular session (full term) classes:

- Last day to add without a permission number: January 30
- Last day to add with a permission number: February 6

In addition, February 6, 2022 is the last day to drop regular session classes to receive a refund and the last day to drop regular session classes without a "W" appearing on transcripts.

A full calendar can be found at <u>https://web.peralta.edu/admissions/fall-2021-important-dates-deadlines-enrollment-dates/</u>

HOW TO USE A PERMISSION NUMBER

Berkeley City Colle Peralta Community College Distric Laney Colle Merritt Colle Admissions and Records Students enrolling after the last day to add without a permission number must obtain instructor approval. To verify instructor approval, the permission number* and instructor signature must be included on this Add Card when enrolling in person. (See the Academic Calendar at www.peralta.edu for specific dates.) Completely fill out the Add Card. The instructor must sign and date the Add Card and provide a permission number Take the Add Card to the Admissions and Records Office to enroll in the class
Pay your fees at the Cashier's Office.

Permission numbers are re *Permission numbers are required for regular session classes only Stud Student ID: Dept. & Course #: Class Code: 10.42045 Le NUTR 010 Term of: 20_____ College: Alameda Berkeley Laney Merritt For the: Summer Fall Spring Effective Date of Add: Instructor's Name: OFFICE USE ONLY Instructor's Signature: Student's Signature: IT IS THE STUDENT'S RESPO PONSIBILITY TO SUBMIT THE ADD CARD TO THE CAMPUS DS OFFICE BEFORE ANY APPLICABLE DEADLINES **MISSIONS & RECO**

You may add regular session (full term) classes, where space is available, using Campus Solutions the first day of class and through Sunday of that week (January 24 - January 30). After the first week of classes, you may only add a regular session class by obtaining a permission number from the instructor.

To obtain an instructor permission number, you must go to a class meeting and /or e-mail the instructor. If space is available the instructor may provide the required permission number.

You will need only the permission number for online enrollment through Campus Solutions. You will need the permission number and signature on an **ADD CARD FORM** to enroll in-person.

You are responsible for registering yourself in the class via Campus Solutions with the permission number or in-person at the College Admissions and Records office by the last day to add for the term (February 6, 2022).

How do I obtain a permission number?

To obtain an instructor permission number you must attend a class meeting and/or e-mail the instructor. If space is available, the instructor may provide the required permission number.

How do I use the permission number to enroll?

To enroll online, log in to Campus Solutions and follow the regular enrollment steps. If a permission number is required, you will be prompted to provide it during the enrollment process (see adding a class with a permission number instructions). To enroll in person, you will need to fill out an add card form and obtain the permission number and instructor signature.

How do wait-listed students use a permission number?

A waitisted student needs to follow the regular enrollment process and add the permission number during Step 2 (Review Class Preferences).

Do permission numbers override a course pre-requisite or enrollment hold?

No. Similar to auto-enrolling from a waitlist, permission numbers only allow you to enroll if you have met the requisites and have no holds on your account.

Spring 2022 Class Schedule

Prerequisite/Corequisite Policy & Procedures

Prerequisites

Some courses have prerequisites: faculty have determined that students are highly unlikely to succeed in these courses unless they have acquired a certain level of skills or knowledge, usually through taking another course beforehand. The prerequisites for each course are listed in the class schedule.

When you attempt to enroll Online in a course with a prerequisite, the system checks your academic records for evidence that you have taken or are taking the prerequisites at one of the Peralta Colleges.

- If you have taken the prerequisites at a Peralta College after 1987 and have received a grade of C or better in it, you are allowed to enroll.
- If you are currently taking the prerequisites, you are allowed to enroll conditionally until your grade is received. If your grade in the prerequisites is below a C, you will be automatically dropped from the higher level course. You will be informed of this by Peralta email.
- 3. If you have met the prerequisites through a course taken at another college, you will need to submit proof to the counseling department.
- 4. If you feel the prerequisite has been met through assessment at another institution, and you have either your scores and placement recommendations or a transcript showing the courses you assessed into and enrolled in, or through other means, (this is referred to as "Multiple Measure Assessment" in the class schedule), please see a counselor. The counselor will look at your test scores and discuss your preparation for the course. If the counselor determines that you have met the prerequisites, he/she will clear you for the course and you will be allowed to enroll.
- 5. If you feel that you have met the prerequisites through your life experience, or you believe that the prerequisites is unnecessary or unlawful, go to the admissions office to complete and sign a Petition for Prerequisite Challenge. You will immediately be cleared to enroll, pending review of your petition by faculty. If your challenge is approved you will remain

in the class. If your petition is denied, you will be dropped from the class. You will be informed of this by phone. Challenge petitions must be approved or denied within five working days of the day they were filed. If your petition is not reviewed within five working days, you will remain in the class.

Co-requisites

Some courses have co-requisites: faculty have determined that students are highly unlikely to succeed in these courses unless they enroll in the co-requisite course at the same time. The co-requisites for each course are listed in the class schedule.

If you enroll in a course with a co-requisite, make sure to enroll in the co-requisite course as well. (If you have previously taken the co-requisite course and obtained a grade of C or better, you don't need to enroll in it again).

Open Classes

It is the policy of the Peralta Community College District that, unless specifically exempted by statute, every course, sections or classes, the average attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully opened to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

Student Study Load

In order to complete an Associate in Arts or Associate in Science degree at one of the Peralta Colleges in two years, an average unit load of 15 units per term is often necessary. Students may not carry more than 18 units (including a combined total of all Peralta Colleges) without prior approval of a counselor. Counselor approval is required for excess units up to 21.5 units. Enrollment in 22 to 25 units requires approval of the Dean of Student Services. Under no circumstances will approval be granted beyond 25 units. The maximum number of units for the Summer Session is ten (10). For college purposes, a full-time student is one who is carrying 12 or more units. Students are not permitted to enroll in classes with conflicting or overlapping meeting times.

College District Policies

For a complete list of Board Policies, go to web.peralta.edu/trustees/board-policies/

BOARD POLICY 3410 NONDISCRIMINATION

The District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.

The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, sex or gender, gender identity, race or ethnicity, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, active duty military and veterans, pregnancy, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Chancellor shall establish administrative procedures that ensure all members of the college community or persons using the services of the district can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, sex or gender, race, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, active duty military and veterans, pregnancy, or because he or she is perceived to have one or more of the foregoing characteristics, or because of his or her association with a person or group with one or more of these actual or perceived characteristics.

Administrative Policy 3410 Nondiscrimination -Educational Programs and other Services

The District shall provide access to its services, classes and programs without regard to, national origin, religion, age, sex or gender, gender identification, race or ethnicity, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy or because he/she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

A. All classes, including credit, noncredit and not- for-credit, shall be conducted without regard to the gender of the student enrolled in the classes. As defined in the Penal Code, "gender" means sex, and includes a person's gender identity and gender- related appearance and behavior whether or not stereotypically associated with the person's assigned sex at birth.

- B. The District shall not prohibit any student from enrolling in any class or course on the basis of gender.
- C. Academic staff, including but not limited to counselors, instructors and administrators shall not offer program guidance to students which differs on the basis of gender.
- D. Insofar as practicable, the District shall offer opportunities for participation in athletics equally to male and female students.

BOARD POLICY 3433 PROHIBITION OF SEXUAL HARASSMENT UNDER TITLE IX

All forms of sexual harassment are contrary to basic standards of conduct between individuals. State and federal law and this policy prohibit sexual harassment and the District will not tolerate sexual harassment. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation including acts of sexual violence.

The District seeks to foster an environment in which all employees, students, applicants for employment, and applicants for admission feel free to report incidents of sexual harassment in violation of this policy and Title IX, without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of sexual harassment in violation of this policy and Title IX or for participating, or refusing to participate, in a sexual harassment investigation. The District will investigate all allegations of Title IX retaliation swiftly and thoroughly. If the District determines that someone has retaliated, it will take reasonable steps within its power to stop such conduct. Individuals who engage in Title IX retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

Any employee, student, applicant for employment, or applicant for admission who believes he/she/they has been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in AP 3434 Responding to Harassment Based on Sex under Title IX. The District requires supervisors to report all incidents of harassment and retaliation that come to their attention.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities, and compensation. To this end, the Chancellor shall ensure that the institution undertakes education and training Activities to counter sexual harassment and to prevent, minimize, or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment.

The Chancellor shall establish procedures that define sexual harassment on campus. The Chancellor shall further establish procedures for employees, students, and other members of the campus community that provide for the investigation and resolution of complaints regarding sexual harassment in violation of this policy, and procedures to resolve complaints of sexual harassment in violation of this policy. State and federal law and this policy prohibit retaliatory acts against all participants by the District, its employees, students, and agents.

The District will publish and publicize this policy and related written procedures (including the procedure for making complaints) to administrators, faculty, staff, students, applicants for employment, and applicants for admission, particularly when they are new to the institution. The District will make this policy and related written procedures (including the procedures for making complaints) available in all administrative offices and will post them on the District's website.

Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion. Volunteers or unpaid interns who violate this policy and related procedures may be subject to disciplinary measure up to and including termination from the volunteer assignment, internship, or other unpaid work experience program.

Board Policy 3430 Prohibition of Unlawful Harassment

The District is committed to providing an academic and work environment free of unlawful harassment. This procedure defines sexual harassment and other forms of harassment on campus, and sets forth a procedure for the investigation and resolution of complaints of harassment by or against any staff or faculty member or student or unpaid interns and volunteers within the District.

I.Definitions

- A. General Harassment
 - Harassment based on race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation of any person, or military or veteran status, or the perception that a person has one or more of these characteristics is illegal and violates District policy. Harassment shall be found where, a reasonable person with the same characteristics as the victim of the harassing conduct would be adversely affected to a degree that interferes with his or her ability to participate in or to realize the intended benefits of an institutional activity, employment or resource.

For sexual harassment under Title IX, Complainants must proceed under BP 3433 Prohibition of Sexual Harassment under Title IX, AP 3433 Prohibition of Sexual Harassment under Title IX, and AP 3434 Responding to Harassment Based on Sex under Title IX. For other forms of sexual harassment or gender-based harassment, Complainants should use this procedure.

Gender-based harassment does not necessarily involve conduct that is sexual. Any hostile or offensive conduct based on gender can constitute prohibited harassment if it meets the definition above. For example, repeated derisive comments about a person's competency to do the job, when based on that person's gender, could constitute gender-based harassment. Harassment comes in many forms, including but not limited to the following conduct that could, depending on the circumstances, meet the definition above, or could contribute to a set of circumstances that meets the definition:

B. Verbal

Inappropriate or offensive remarks, slurs, jokes or innuendoes based on a person's race gender, sexual orientation, or other protected status. This may include, but is not limited to, inappropriate comments regarding an individual's body, physical appearance, attire, sexual prowess, marital status or sexual orientation; unwelcome flirting or propositions; demands for sexual favors; verbal abuse, threats or intimidation; or sexist, patronizing or ridiculing statements that convey derogatory attitudes based on gender, race nationality, sexual orientation or other protected status.

C. Physical

Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing, patting, lingering or intimate touches, grabbing, pinching, leering, staring, unnecessarily brushing against or blocking another person, whistling or sexual gestures. It also includes any physical assault or intimidation directed at an individual due to that person's gender, race, national origin, sexual orientation or other protected status.

D. Visual or Written

The display or circulation of visual or written material that degrades an individual or group based on gender, race, nationality, sexual orientation or other protected status. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics or electronic media transmissions.

E. Environmental

A hostile academic or work environment may exist where it is permeated by sexual innuendo; insults or abusive comments directed at an individual or group based on gender, race, nationality, sexual orientation or other protected status; or gratuitous comments regarding gender, race, sexual orientation, or other protected status that are not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work environment. It can also be created by an unwarranted focus on, or stereotyping of, particular racial or ethnic groups, sexual orientations, genders or other protected statuses. An environment may also be hostile toward anyone who merely witnesses unlawful harassment in his/her/their immediate surroundings, although the conduct is directed at others. The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual's learning or work.

F. Sexual Harassment

In addition to the above, sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from, or in, the work or educational setting when:

- Submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, progress, internship, or volunteer activity;
- Submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
- The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile or offensive work or educational environment (as more fully described below); or
- 4. Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college.
- 5. This definition encompasses two kinds of sexual harassment:
- a. "Quid pro quo "sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual's willingness to engage in or tolerate unwanted sexual conduct.
- b. "Hostile environment "sexual harassment occurs when unwelcome conduct based on a person's gender alters the conditions of an individual's learning or work environment, unreasonably interfere with an individual's academic or work performance, or create an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile. A single isolated incident of sexual harassment may be sufficient to create a hostile environment if it unreasonably interfered with the person's academic or work performance or created an intimidating, hostile, or offensive learning or working environment.
- c. Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual

harassment is whether a reasonable person of the same gender as the victim would perceive the conduct as harassment based on sex.

II. Consensual Relationships

Romantic or sexual relationships between supervisors and employees, or between administrators, faculty members or staff members and students are discouraged. There is an inherent imbalance of power and potential for exploitation in such relationships. A conflict of interest may arise if the administrator, faculty members or staff member must evaluate the student's or employee's work or make decisions affecting the employee or student. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or employees. A consensual sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. In the event that such relationships do occur, the District has the authority to transfer any involved employee to eliminate or attenuate the supervisory authority of one over the other, or of a teacher over a student. Such action by the District is a proactive and preventive measure to avoid possible charges of harassment and does not constitute discipline against any affected employee.

III. Academic Freedom

No provision of this Administrative Procedure shall be interpreted to prohibit conduct that is legitimately related to the course content, teaching methods, scholarship, or public commentary of an individual faculty member or the educational, political, artistic, or literary expression of students in classrooms and public forums. Freedom of speech and academic freedom are, however, not limitless and this procedure will not protect speech or expressive conduct that violates federal or California anti-discrimination laws.

Administrative Procedure 3540 Sexual and Other Assaults on Campus

- I. The District and the Colleges shall make available sexual assault awareness information to students and employees.
- II. Any sexual assault or physical abuse, including, but not limited to, rape, as defined by California law, whether committed by an employee, student, or member of the public, occurring on District property, in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District's facilities or at another location, or on an off-campus site or facility maintained by the District, or on grounds or facilities maintained by a student organization, is a violation of District policies and regulations, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures (See also AP 5500 Standards of Student Conduct).
- III. It is the responsibility of each person involved in sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be

ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

"Affirmative consent" means affirmative, conscious, and voluntary agreement to engage in sexual activity.

- IV. These written procedures and protocols are designed to ensure victims of domestic violence, dating violence, sexual assault, or stalking receive treatment and information. (For physical assaults/violence, see also AP 3500, 3510, 3515).
- V. All students, faculty members or staff members who allege they are the victims of domestic violence, dating violence, sexual assault, or stalking on District property shall be provided with information regarding options and assistance available to them. Information shall be available from the Peralta Safety & Security Services, which shall maintain the identity and other information about alleged sexual assault victims as confidential unless and until Peralta Safety & Security Services is authorized to release such information.
- VI. Safety & Security Services shall provide all alleged victims of domestic violence, dating violence, sexual assault, or stalking with a copy of the District's policy and administrative procedure regarding domestic violence, dating violence, sexual assault, or stalking upon request, and the importance of preserving evidence and the identification and location of witnesses.
- VII. Victims will be provided the option to:
 - 1. (1) notify proper law enforcement authorities, including on campus security and local police;
 - 2. (2) be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses; or
 - 3. (3) decline to notify such authorities;
- VIII. The victim will be provided a description of the following procedures:
 - (1) criminal prosecution;
 - (2) civil prosecution (i.e., lawsuit);
 - (3) District disciplinary procedures, both student and employee;
 - (4) modification of class schedules; and
 - (5) tutoring, if necessary.
- IX. The District will investigate all complaints alleging sexual assault under the procedures for sexual harassment investigations described in AP 3434 Responding to Harassment Based on Sex under Title IX, regardless of whether a complaint is filed with local law enforcement. All alleged victims of domestic violence, dating violence, sexual assault, or stalking on District property shall be kept informed, through Safety & Security Services, of any ongoing investigation. Information shall include the status of any student or employee disciplinary proceedings or appeal; alleged victims of domestic violence, unless the alleged assailant has waived rights of confidentiality consistent with state and federal law.
- X. A Complainant or witness who participates in an investigation of sexual assault, domestic violence, dating violence, or stalking will not be subject to disciplinary sanctions for a violation of the District's student conduct

policy at or near the time of the incident, unless the District determines that the violation was egregious, including but not limited to, an action that places the health or safety of any other person at risk or involves plagiarism, cheating, or academic honesty.

- XI. In the evaluation of complaints in any disciplinary process, it shall not be a valid excuse to allege lack of affirmative consent that the accused believed that the complainant consented to the sexual activity under either of the following circumstances:
 - (1) The accused's belief in affirmative consent arose from the intoxication or recklessness of the accused
 - (2)The accused did not take reasonable steps in the circumstances known to the accused at the time, to ascertain whether the Complainant affirmatively consented.
- XII. In the evaluation of the complaints in the disciplinary process, it shall not be a valid excuse that the accused believed that the Complainant affirmatively consented to the sexual activity if the accused knew or reasonably should have known that the Complainant was unable to consent to the sexual activity under any of the following circumstances:
 - (1) The Complainant was asleep or unconscious.
 - (2) The Complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the Complainant was unable to communicate due to a mental or physical condition.
- XIII. The District shall maintain the identity of any alleged victim or witness of domestic violence, dating violence, sexual assault, or stalking on District property, as defined above, in confidence consistent with state and federal law, unless the alleged victim or witness specifically waives the right to confidentiality. All inquiries from reporters or other media representatives about alleged domestic violence, dating violence, sexual assaults, or stalking on District property shall be referred to the District's Public Information Office, which shall work with Peralta Police Services to assure that all confidentiality rights are maintained consistent with state and federal law.
- XIV. Additionally, the Annual Security Report will include a statement regarding the District's programs to prevent sexual assault, domestic violence, dating violence, and stalking and procedures that should be followed after an incident of domestic violence, dating violence, and stalking has been reported, including a statement of the standard of evidence (preponderance of evidence) that will be used during any district proceeding arising from such a report. The statement must include the following:
 - A description of educational programs to promote the awareness of rape, acquaintance rape, other forcible and non-forcible sex offenses, domestic violence, dating violence, or stalking;
 - (2) Procedures to follow if a domestic violence, dating violence, sex offense or stalking occurs, including who should be contacted, the importance of preserving evidence to prove a criminal offense, and to whom the alleged offense should be reported.
 - (3) Responses to stranger and non-stranger sexual assault;(4) The preliminary victim interview, including the

development of a victim interview protocol, and a comprehensive follow-up victim interview, as appropriate;

- (5) Contacting and interviewing the accused;
- (6) Seeking the identification and location of witnesses;
- (7) Information on a student's right to notify appropriate law enforcement authorities, including on-campus and local police, and a statement that campus personnel will assist the student in notifying these authorities, if the student so requests, and the right to decline to notify these authorities;
- (8) Written information and notification for students about existing on- and off- campus counseling, mental health, victim advocacy, legal assistance, or other services for victims and contact information;
- (9) Participation of victim advocates and other supporting people;
- (10) Investigating allegations that alcohol or drugs were involved in the incident;
- (11) The role of the institutional staff supervision;
- (12) A comprehensive trauma-informed training program for campus officials involved in investigating and adjudicating sexual assault, domestic violence, dating violence, and stalking cases;
- (13) Written notification of victims about options for, and available assistance in, changing academic, living, transportation, and working situations, if requested and if such accommodations are reasonably available, regardless of whether the victim chooses to report the crime to Peralta Police Services or local law enforcement.
- (14) Procedures for campus disciplinary action in cases of an alleged domestic violence, dating violence, sexual assault, or stalking, including a clear statement that:
 - a. Such proceedings shall provide a prompt, fair, and impartial resolution;
 - b. Such proceedings shall be conducted by officials who receive annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability;
 - c. The accuser and the accused must be informed of the outcome of any institutional disciplinary proceeding resulting from an alleged domestic violence, dating violence, sexual assault or stalking, the procedures for the accused and victim to appeal the results of the disciplinary proceeding, of any changes to the results that occur prior to the time that such results become final, and when such results become final. Compliance with this paragraph does not violate the Family Educational Rights and Privacy Act. For the purposes of this paragraph, the outcome of a disciplinary proceeding means the final determination with respect to the alleged domestic violence, dating violence, sex offense, or stalking and any sanction that is imposed against the accused.

- (15) A description of the sanction the campus may impose following a final determination by a campus disciplinary proceeding regarding rape, date rape, or other forcible or non-forcible sex offenses, domestic violence, dating violence or stalking.
- XV. Education and Prevention Information Safety & Security Services shall:
 - A. Provide, as part of each campus' established oncampus orientation program, education and prevention information about domestic violence, dating violence, sexual assault, and stalking. The information shall be developed in collaboration with campus-based and community-based victim advocacy organizations, and shall include the District's sexual assault policy and prevention strategies including empowerment programming for victim prevention, awareness raising campaigns, primary prevention, bystander intervention, and risk reduction.
 - B. Post sexual violence prevention and education information on the campus internet website regarding domestic violence, dating violence, sexual assault and stalking.

Please note:

For additional information and resources on sexual assault, domestic violence, dating violence, and stalking in the educational/campus environment, the Department of Justice has established a clearinghouse of resources geared towards colleges and universities, which can be accessed at the California Attorney General's website.

Safety Services

Peralta Safety Services is responsible for protecting the life and property of students, employees, and visitors. Our mission is to preserve the peace, maintain order and enforce state, federal and local laws. Our goal is to provide a safe environment so that the educational process can be conducted in an orderly and uninterrupted manner. Community safety partners focus on working with students, faculty and staff in addressing the problems and/or concerns identified with safety and security.

Beginning on January 1, 2021, we've begun transitioning to a community-based safety and security model that includes a number of vendors, all locally-owned small and mid sized businesses.

As of August 2021, the district consolidated all district-wide safety services needs which will be provided by <u>Marina Security</u> <u>Services</u> (Marina). We are working to add other vendors who meet District's requirements.

We are working to add other vendors who meet District's requirements. To contact Peralta's Security Services, please call (510) 466-7236

Security Approach and Interaction with Police Authorities

The District is committed to a community-based security service model that focuses on personal engagement between the security team, students, faculty, staff and administration. Community Ambassadors will be assigned to each campus. The Community Ambassadors will understand restorative justice principles and de-escalation techniques and will earn the trust of the communities they serve. The selected security firms and those that they employ will have particular sensitivity to communities of color and communities that have experienced the dehumanizing effects of institutional racism, oppression and willful neglect. The security firms will employ a team of first responders that will be dispatched through the District's centralized dispatcher. Ideally, these first responders will come from the community and have specific knowledge of the community they serve.

Security personnel will walk the campus during daytime hours or will be stationed at the security guard's console. Personnel will be unarmed and equipped with two-way radio devices with connectivity to other district staff and the District's dispatcher. The goal of the District is to create a non-lethal, nontraditional security ecosystem that proactively responds to challenges before traditional policing services, including local law enforcement, are activated or called.

The Community Ambassadors and the firms they work for are established entities, familiar with the District's many communities, with an established reputation for successfully working in communities of ethnic, cultural and religious diversity. This approach to security will include community engagement and respect. The selected vendors will actively engage in assisting the District in building a security model that requires input from the communities they serve, including District leadership, community groups, peer groups, neighborhood groups, student groups, and faculty and staff groups.

Crime Prevention

Crime prevention can be enhanced by the vigilance and engagement of the entire community: faculty, staff, and students. Willingness to look out for each other and to report unusual situations and suspicious activities can improve safety and security for everyone.

Safety Tips

- Keep vehicles, offices, classrooms, and other areas secured when practical.
- Keep valuable and/or easily portable items secured when possible
- Keep keys and emergency communication systems readily available
- Choose routes and locations that are better lit, more familiar, and more secure, when available.
- Travel, work, and study with potential assistance near by, when possible
- Analyze surroundings for opportunities to escape, hide, and to obtain help and witnesses
- Analyze surroundings for potential criminal access, ambush, and activity
- Know the locations of emergency phones
- Know the locations and call numbers of emergency responders
- Practice describing people and events in a way that supports appropriate response by others
- Opt in for safety and security alert systems
- Notify others when working at unusual times or in unusual locations

Safety Services (continued)

Questions, suggestions or concerns regarding campus safety and security may be directed to the Dispatch Office at (510) 465-3514. Your concerns will be treated with confidentiality and care.

Weapons Policy

The unauthorized use, possession, or storage of weapons, fireworks, or explosives is prohibited on the Peralta Community College District (PCCD) premises, at any PCCD sponsored activity, or in vehicles parked on the premises. Weapons are defined as including, but not limited to: firearms, pellet guns, bows and arrows, martial arts equipment, switchblade knives, swords, large knives, clubs and other blunt force instruments.

Parking & Traffic Regulations

During the pandemic, parking citations were not enforced. Peralta is looking to resume parking enforcement as outlined below this coming January 2022.

All provisions of the California Vehicle Code apply to individuals and to vehicles being driven on and about campus property and parking lots. All vehicle codes, including 21113 C.V.C., are strictly enforced. The speed limit is 5 m.p.h. in campus parking lots and property. Students may only park in designated student parking areas.

Persons must obey all California Vehicle Codes and carefully read and follow the campus parking and traffic signage. Illegally parked vehicles will be cited and/ or towed at the owner's expense. For towed vehicles, contact Peralta Safety Services at (510) 465-3514. Parking violations are enforced 24 hours a day, seven days a week, including holidays.

College officials do not have the authority to rescind or to arbitrate citation matters.

Students must not park in staff parking areas, red zones, yellow (loading zones), green 30 minute zones or in other unauthorized areas. Disabled student parking areas are available and posted with blue paint and handicapped parking signs.

"Handicap Accessible" signs mean the area is accessible by persons with disabilities; it does not mean it is designated for "Handicapped Parking".

Disabled students must also properly display their daily or semester parking permit (and a Student I.D. Decal if they attend Laney) along with their D.M.V. issued handicap placard and/or handicap license plate.

Staff must properly display their staff parking permit along with their D.M.V. issued disabled placard and/or disabled plate.

Daily parking permits expire at 10:45 p.m. each night and the parking lot gates are locked and secured at 11:00 p.m. each evening. Overnight parking is not authorized and vehicles will be towed at the owner's expense. (Contact Peralta Safety Services for towed vehicles at 510-465-3456).

Visitors may park in the green 30 minutes zones at Merritt and College of Alameda if they are staying only 30 minutes or less. Visitors may park lawfully on the street at campuses with street parking, (metered zones require coinage). Special guest permits may be obtained through the business offices, and the Department of General Services in the District Administration Center (DAC). Semester parking permits may be purchased for the student parking at Laney, Merritt and College of Alameda campuses for \$40.00 (\$20.00 for motorcycles).

The summer session rate is \$20.00 for cars (\$10.00 for motorcycles). Rates are subject to change. You may choose to pay for parking on a daily basis, rather than purchasing a semester permit. The cost of daily parking is \$2.00 per day (exact change only). The daily permits may be purchased from the ticket machines located in the parking lots.

In addition to the daily parking permits, Laney College students must properly display a "STUDENT I.D. DECAL" (hanging from the rear view mirror with the numbered side facing outward), in order to park in a student parking lot or you will be cited.

Student I.D. Decals are issued, initially, at no charge and can be obtained from the Cashier's Office. (There is a \$10.00 replacement cost for lost or stolen Student I.D. Decals).

Unlike Laney, Merritt and College of Alameda, the Berkeley City College campus has no parking lot; therefore, Berkeley City College does not honor parking stickers from other Peralta Colleges. There is no designated public parking lot at Berkeley City College.

Jeanne Clery Disclosure

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or Clery Act, codified at USC 1092(f) as part of Higher Education Act of 1965, is a federal law that requires all colleges and universities to keep and disclose information timely and annually about certain crime on and near their respective campuses. These crime statistics can be found in the Peralta Community College Personal Safety Handbook, on the Peralta Community College District – Safe Peralta website: www.peralta.edu

Annual Security Report

The Peralta Community College District (PCCD) Annual Security Report (ASR) is provided in accordance with the Crime Awareness and Campus Safety Act of 1990 and subsequent amendments that led to its being renamed the Jeanne Clery Act in 1998.

The ASR is part of ongoing efforts to inform you of the safety programs and services available and the crimes that are reported to Peralta Sheriff's, local police partners and other campus security personnel. It also contains information about proactive steps you can take to help maintain a safe and secure campus for everyone.

Health Services

Peralta Health Services will be back at the Colleges in the Spring and will continue to provide a range of comprehensive medical care by the Roots Clinic staff. Mental Health services will be provided at each college by on-site counselors. General service information is provided on the District Health Services website. For scheduling and appointment times, students should access individual college Health Services websites.

All students will have an opportunity to qualify for transfer level math and English courses for enrollment, due to the enactment of AB705. With AB705 in place, students will automatically being placed in math and English courses based on their high school transcripts instead of taking a placement test and having courses assigned based on that test. Now student transcripts will be reviewed by a counselor and depending on your high school level in English and Math courses, you will be placed in the appropriate course. The following documents can be used as multiple measures for course placement:

- 1. college and/or high school transcript,
- 2. high school AP (with a 3 or higher) and
- 3. IB (with a 6 or higher) score.

Transfer Curriculum for UCs and CSUs

The University of California and California State University campuses have cooperated to develop IGETC (Intersegmental General Education Transfer Curriculum). IGETC is a pattern of courses that you can use to satisfy lower division general education requirements at any UC or CSU campus. You must complete the entire pattern of courses in order to be certified.

Note: IGETC is not recommended for all majors. Please check with your counselor to plan your pro-gram. At minimum, 60 transfer units are required for admission as a transfer student. You may also visit https://www.assist. org/web-assist/welcome.html to view your major.

Transfer curriculum for CSUs only

If you are seeking a bachelor's degree at a California State University you must complete a 60-semester unit breadth requirement, distributed among five academic areas. Certification is provided when you complete the prescribed pattern of courses. A list of the CSU General Education breadth requirements are available from a counselor or in the Transfer Center. GE requirements are not recommended for all majors. Please check with your counselor to plan your program.

Transfer Information Online

You can access articulation agreements, general education and major preparation requirements, and other transfer information at the ASSIST website: assist.org/web-assist/welcome.html

Concurrent Enrollment with Four Year Colleges and Universities

BCC offers a concurrent enrollment program with the University of California, Berkeley, Mills College, and California State University, East Bay. This program provides access to these three institutions for students who might not otherwise consider them. The program allows you to take courses you need (if offered) that are not available at BCC and enables you to test your potential for success in a university/four-year college setting. You pay the same fees for concurrent enrollment courses as you do for your BCC courses. You are not eligible for this program if you have previously attended a four-year institution or hold a bachelor's degree or equivalent from a university.

You can make a difference in the lives of motivated Peralta students by supporting the Peralta Colleges Foundation

Throughout the four District colleges, the Peralta Colleges Foundation provides academic scholarships to committed students and financial assistance for faculty development and library initiatives.

Please consider making a donation to help increase the number of scholarships we award to students in need. A gift of any size can make a big difference!

A Peralta Colleges Foundation scholarship can provide a student with:

- apprenticeship uniforms, culinary knives, machine repair tools and other specialty equipment
- supplies to pursue a career in design or the arts
- required course textbooks and classroom materials
- gas or a transit pass to get to school, an internship or a job
- self-confidence and hope for the future

For a student who struggles just to pay tuition and buy textbooks each semester, a Peralta Colleges Foundation scholarship provides the encouragement and resources that a student needs to succeed.
