2.10 Public Communication
Meeting
At this time, the Board of Trustees will listen to communication from the public on matters that are not on the agenda and are within the Board’s jurisdiction. Under provisions of the Brown Act, the Board and District staff are prohibited from discussing or taking action on oral requests that are not part of the agenda, but may respond briefly. A maximum of 15 minutes (up to 3 minutes per individual) will be provided for speakers under this agenda section, at the Board President’s discretion. A speaker’s card must be completed to request to address the Board. Requests to speak which cannot be honored within the time limit will be scheduled for subsequent meetings in the order received. Persons addressing items included on the agenda will be heard at the time the item is considered, and comments on tangential issues not directly related to the item may be ruled out of order. Cards must be received prior to the Board’s consideration of the item and are honored in the order the cards are received. A speaker may yield time to another speaker up to a limit of 6 additional minutes, with no more than 5 speakers on the issue, where both have completed a speaker’s card, and the yielder must identify him/herself to the Board. Speakers are asked to submit any materials to the Board Clerk and shall not approach the dais during meetings. (Please line-up when your name is called.) Further direction is provided in Board Policy and Administrative Procedure 2345 Public Participation at Board Meetings.

2. OPEN SESSION

2.11 Chancellor's Reports

Meeting
TO: Peralta Board of Trustees
FROM: Chancellor Stanback Stroud
PREPARED BY: Vice Chancellor Walter

Background/Analysis:

This Resolution is being presented to this meeting for a first reading of the Board and will be presented again at the Board's July 14th meeting for approval.

In 2005, the District issued $153.7 million of OPEB bonds, with $133.7 million issued as convertible auction rate securities. In 2015, the District converted the Series B-2 OPEB Bonds to weekly variable rate bonds with a letter of credit. On May 26, 2020, the Board authorized the District to proceed with the same plan of finance as in 2015 for the Series B-3 Bonds, and specified a Reoffering Circular relating to such bonds would be presented for approval at a later meeting.

The Resolution approves the form of Reoffering Circular of the District, used to market the Series B-3 Bonds, and authorizes the Chancellor, the Vice Chancellor of Finance and Administration, and any other designated officer of the District to finalize, execute and deliver the Reoffering Circular, and any other requisite agreements and documents related to the Series B-3 Bonds.

Deliverables and Scope of Work:

N/A

Anticipated Completion Date:

The District currently anticipates closing the transaction in August 2020.

Evaluation and Recommended Action:

This is the first reading of this Resolution. It will be presented again at the July 14th Board meeting for approval.

Goals
C: Build Programs of Distinction
B: Engage and Leverage Partners
A: Advance Student Access, Equity, and Success

TO: Peralta Board of Trustees
FROM: Tim Karas, CoA President

PREPARED BY: Tim Karas

BACKGROUND/ANALYSIS:

Vincent Stevenson has worked for the CoA FabLab for the past 18 months. His work experience includes working at NASA as a 2D and 3D designer, over a decade as a professional illustrator, and working at Alameda County's premier trauma Hospital Highland/Alameda County Medical Center as a registered nurse with Oncology/Chemotherapy and Acute Heart condition patients. His passion is sharing his knowledge of various creative disciplines with students and community of varying skill levels to see them reach their potential.

Serving as an open entry/exit studio resource, as well as a campus hub for interdisciplinary curriculum, the CoA FabLab serves to ready students for entry into four-year universities, help prepare them for the rapidly evolving workplace, and for carrier opportunities in Advanced Manufacturing.

The FabLab has successfully assisted a number of departments to enhance curriculum and develop project based learning activities in the FabLab, a role that the CoA FabLab wants to expand. The CoA Art, Apparel Design and Merchandising, Business, English, and Biology departments have made use of the FabLab. Additionally, students, faculty, and administration at the Alameda Science and Technology Institute (ASTI) a High school located on campus, are actively engaged with the FabLab. We also plan to expand our involvement with ASTI.

In FY20/21, the CoA FabLab is working with services and disciplines to create and produce learning object, kits, and other tools to be used by students in remote learning environments. The FabLab will proto-type social distancing and safety items to assist services reopening to students.

The CoA FabLab is in alignment with the Parcel Tax language to "provide core academic programs including math, science and English; training of students for successful careers". The FabLab is at the core of an ecosystem that teaches critical thinking and analytical skills, prepares students for high-paying jobs, and creates an environment for student to use applied math and science skills.

DELIVERABLES/SCOPE OF WORK:
He will work closely with faculty, staff, and students to support the development of programs and provide professional expertise that serve the college, community, and public audiences.
Duties will include:

- Technical writing expertise to draft lab workflow and safety procedures.
- Facilitate lab workshops as needed.
- Develop organizational systems recommendations for improving and maintaining the FabLab.
- Proto-type PPE solutions for college departments
- Create and proto-type learning objects

ANTICIPATED COMPLETION DATE:
June 30, 2021

EVALUATION AND RECOMMENDED ACTION:
The Chancellor recommends approval.

Approve Independent Contractor Agreement (ICC) for Miguel Vega in an Amount not to Exceed $117,120 to act as Project Support for the Fabrication Lab (FabLab). Presenter: President Karas

**Goals**
TO: Peralta Board of Trustees

FROM: Tim Karas, CoA President

PREPARED BY: Tim Karas

BACKGROUND/ANALYSIS:

Miguel Vega has served as a consultant for the CoA Advanced Manufacturing Fabrication Lab (FabLab) for the past 18 months. His expertise, advice and recommendations have assisted the college in its work towards institutionalization of the FabLab. His work experience ranges from roles in cognitive training and machine learning startups, to machine shops, to art scale art installations. As a Laney Machine Technology graduate, Mr. Vega is invested in advancing the skills and opportunities for Peralta students. Mr. Vega is also a UC Berkeley alumni, with a BA in English.

The FabLab has successfully assisted a number of departments to enhance curriculum and develop project based learning activities in the FabLab, a role that the CoA FabLab wants to expand. The CoA Art, Apparel Design and Merchandising, Business, English, and Biology departments have made use of the FabLab. Additionally, students, faculty, and administration at the Alameda Science and Technology Institute (ASTI) a High school located on campus, are actively engaged with the FabLab. COA also plans to expand its involvement with ASTI. Serving as an open entry/exit studio resource, as well as a campus hub for interdisciplinary curriculum, the CoA FabLab serves to ready students for entry into four-year universities, help prepare them for the rapidly evolving workplace, and for carrier opportunities in Advanced Manufacturing.

In FY20/21, the CoA FabLab is working with services and disciplines to create and produce learning object, kits, and other tools to be used by students in remote learning environments. The FabLab will proto-type social distancing and safety items to assist services reopening to students.

The FabLab is at the core of an ecosystem that teaches critical thinking and analytical skills, prepares students for high-paying jobs, and creates and environment for student to use applied math and science skills.

DELIVERABLES/SCOPE OF WORK:

The consultant will work closely with faculty, staff and students to support the development of programs that serve the college, community, and public audiences. Duties will include:

- Generate strategies and recommendations to support inclusion of maker skills across campus.
- Assist in creating and running projects that utilize the space for existing courses.
- Collaborate with faculty to carry out professional development for CoA faculty and staff and identified stakeholders.
- Lead a series of basic use workshops for digital fabrication equipment and design tools in the FabLab.
- Promote FabLab learning experiences for school, community, and public groups in the FabLab.
- Create training and certification program outline for all staff, volunteers, interns, and guests on the use of the FabLab computers, and manufacturing equipment.
- Develop community use and relevant guidelines.
- Demonstrate and promote maker mentality in all external relationships.
- Promote FabLab to potential partners and funders.
- Work with CoA to develop funding proposals and reports to donors.
- Proto-type solutions to create colleg-branded collateral materials

Goals

C: Build Programs of Distinction
B: Engage and Leverage Partners
A: Advance Student Access, Equity, and Success

TO: Peralta Board of Trustees

FROM: Tim Karas, CoA President

PREPARED BY: Tim Karas

BACKGROUND/ANALYSIS:

Idea Builders Lab has been integral in the leading the development and growth of the Laney College and College of Alameda's FabLab, including designing the lab layout, sourcing needed equipment, helping build out the lab space for student use, and developing operating procedures for the lab. Idea Builders Lab will coordinate with Alameda County Office of Education, AUSD and other K-12 school districts in developing educational opportunities within the FabLab. It has also worked with numerous K-12 schools throughout the region and is the Co-Founder of the Oakland Fab Lab City initiative. Idea Builder Labs has been instrumental in helping both colleges attain statewide leadership status in the forefront of the Maker movement which has taken hold at community colleges across the State.

Serving as an open entry/exit studio resource, as well as a campus hub for interdisciplinary curriculum, the CoA FabLab serves to ready students for entry into four-year universities, help prepare them for the rapidly evolving workplace, and for carrier opportunities in Advanced Manufacturing.

The FabLab has successfully assisted a number of departments to enhance curriculum and develop project based learning activities in the FabLab, a role that the CoA FabLab wants to expand. The CoA Art, Apparel Design and Merchandising, Business, English, and Biology departments have made use of the FabLab. Additionally, students, faculty, and administration at the Alameda Science and Technology Institute (ASTI) a High school located on campus, are actively engaged with the FabLab.

College of Alameda (COA) is an active participant in meeting the local PPE shortfall for local healthcare workers and first responders now and since the early weeks of COVID-19 containment efforts due to the coordination efforts of Danny Beasley and Idea Builder Labs technicians. Idea Builder Labs provides consultation to support COA partnerships with Alameda County Office of Education and the diverse projects of its many schools as they seek to implement advanced technology into their curricula and build pathways to college for their students.

In FY20/21, the CoA FabLab is working with services and disciplines to create and produce learning object, kits, and other tools to be used by students in remote learning environments. The FabLab will proto-type social distancing and safety items to assist services reopening to students. We also plan to expand our involvement with ASTI, Alameda Unified School District Office, City of Alameda, and Maker Ed..

The CoA FabLab is in alignment with the Parcel Tax language to "provide core academic programs including math, science and English; training of students for successful careers". The FabLab is at the core of an ecosystem that teaches critical thinking and analytical skills, prepares students for high-paying jobs, and creates and environment for student to use applied math and science skills.
DELIVERABLES/SCOPE OF WORK:

The contractor will provide ongoing support to administrators, faculty, and students to achieve FabLab goals. Duties include but are not limited to:

- Provide advice on expansion or remodeling of the facility
- Assist in establishing connections to industry partners
- Recommend new equipment specifications
- Provide technical oversight the installation and placement of new specialized equipment
- Provide advice and feedback with curriculum development
- Train faculty and staff on the safe use and operation of equipment
- Generate reports and assist in submitting grant reports/updates
- Coordinate with Alameda County Office of Education, AUSD and other K-12 school districts in developing educational opportunities within the FabLab
- Organize community partnerships and meetings.
- Connect with the City of Alameda on City projects, like Alameda Mini-Maker Faire

FROM: Tim Karas, CoA President

PREPARED BY: Tim Karas

BACKGROUND/ANALYSIS:

The College of Alameda – College to Career (C2C) Program will offer instruction and educational assistance; increase C2C DOR consumer/student participation in on-campus activities; create access to career technical education classes; and provide internships, job development and placement services for individuals with intellectual disabilities and/or autism. Through inclusion in a post-secondary education, C2C students possessing intellectual disabilities and/or autism can expand the range of jobs available to them. In 2016-2017, C2C students were enrolled in approximately 244 courses. In 2017-2018, C2C students were enrolled in approximately 253 courses. All services, funded directly by Department of Rehabilitation, provided in this agreement shall be exclusively for students who are California Department of Rehabilitation clients or eligible to become one. The total amount allotted to C2C over a three (3) year period is $870,000, to be disbursed over 2020-2021, 2021-2022, and 2022-2023 fiscal years. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Resolution changes the signature authorization to the current Chancellor, Vice Chancellor of Finance & Administration, DSPS Coordinator, C2C Coordinator.

Recommended Action

Approve College of Alameda to renew a 3-year (2020-21; 2021-2022; 2022-2023) contract with the Department of Rehabilitation for the College to Career Program

Goals

B: Engage and Leverage Partners
C: Build Programs of Distinction
A: Advance Student Access, Equity, and Success

TO: Peralta Board of Trustees

FROM: Tim Karas, CoA President

PREPARED BY: Tim Karas

BACKGROUND/ANALYSIS:

The College of Alameda – College to Career (C2C) Program will offer instruction and educational assistance; increase C2C DOR consumer/student participation in on-campus activities; create access to career technical education classes; and provide internships, job development and placement services for individuals with intellectual disabilities and/or autism. Through inclusion in a post-secondary education, C2C students possessing intellectual disabilities and/or autism can expand the range of jobs available to them. In 2016-2017, C2C students were enrolled in approximately 244 courses. In 2017-2018, C2C students were enrolled in approximately 253 courses. All services, funded directly by Department of Rehabilitation, provided in this agreement shall be exclusively for students who are California Department of Rehabilitation clients or eligible to become one. The total amount allotted to C2C over a three (3) year period is $870,000, to be disbursed over 2020-2021, 2021-2022, and 2022-2023 fiscal years. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Resolution changes the signature authorization to the current Chancellor, Executive Fiscal Director, DSPS Coordinator, C2C Coordinator.

The goal of the C2C program is for students to 1) participate in an inclusive postsecondary education experience and 2) upon completion of the program for C2C students to attain competitive integrated employment in an area of their choice. C2C is under a cooperative contract with DOR to admit up to 20 students per year to receive services for three years. Eligible students are required to be consumers of the DOR. C2C provides academic and vocational counseling that assists each student to choose a course of study that aligns with their goals for post-secondary education and competitive integrated employment. Typically, the C2C program at the College of Alameda accepts student referrals from regional centers, K-12 school districts, and local DOR offices.

DELIVERABLES/SCOPE OF WORK:

Per year, at least 20 students from C2C program enroll in 2-unit C2C courses, as well as additional courses related to their job goal. All services, funded directly by the Department of Rehabilitation, provided in this agreement shall be exclusively for students who are California Department of Rehabilitation clients or eligible to become one. The total amount allotted to C2C over a three (3) year period is $870,000, to be disbursed over 2020-2021, 2021-2022, and 2022-2023 fiscal years.

ANTICIPATED COMPLETION DATE:

General Fund 01 (50%) and Grant Fund 11 (50%)

Recommended Action

Approve an independent contractor agreement (ICC #21232) for Cathy Summa-Wolfe in the amount not to exceed $60,000 for the Fiscal Year 2020-21.

Goals
TO: Peralta Board of Trustees

FROM: Tim Karas, CoA President

PREPARED BY: Tim Karas, CoA President

BACKGROUND/ANALYSIS:

Cathy Summa-Wolfe provided communication and public information related services to the College of Alameda in FY 2019-20. The College recommends the work outlined in the scope of work to support CoA's strategic goals in FY2020-2021 be provided by Ms. Summa-Wolfe. The deliverables outlined are not part of any employee job description at College of Alameda (CoA). CoA does not have any positions related to public information, marketing, graphic design, web master, or related fields. The work outlined allows the college to have a foundational capacity in public information to support the President’s Office in advancing our mission to support student access, success, and achievement.

DELIVERABLES/SCOPE OF WORK:

- Write and edit president's messages for official publications, including Splash newsletter, Board Reports, Schedule of Classes, Catalog, and other projects as requested.
- Assist in press relations, community relations, government relations, emergency communications.
- Support Guided Pathways communications efforts, planning, visual presentations etc.
- Facilitate production and design of new and continuing printed and digital publications for the President’s Office, including newsletters, reports, banners, and postcards among others.
- In alignment with District PIO processes, assist in facilitating the production College of Alameda Class Schedule content, including wraps, president's welcome, and cover design.

ANTICIPATED COMPLETION DATE:

June 30, 2021

EVALUATION AND RECOMMENDED ACTION:

The College of Alameda President's Office has evaluated the deliverables to date for Cathy Summa-Wolfe and found them to be satisfactory.

The Chancellor recommends approval.

Recommended Action

Approve a contract amendment with OutFront Media Inc. for $12,000 for Laney College.

Goals

A: Advance Student Access, Equity, and Success
C: Build Programs of Distinction

BACKGROUND/ANALYSIS:

Laney College seeks to promote college-wide and online CTE pathways, programs and classes, with a focus on English for speakers of other languages (ESOL) and adult students, for the upcoming summer 2020 and fall 2020 semesters. This advertising effort will be throughout the East Bay area, with a combination of billboard advertising, digital displays and through mobile advertising.

Founded in 1938, OutFront Media Inc. is one of the largest outdoor media companies. It operates in markets including the United States and Canada with more than 510,000 displays. OutFront Media Inc. offers billboards, digital displays, and mobile advertising.
DELIVERABLES/SCOPE OF WORK:

OutFront Media Inc. will provide Laney College with a 12-week cycle of advertisements by placing one billboard in Oakland on Broadway and 42nd. St., one digital display on I-80 at University Ave., and up to 12 weeks of mobile advertising.

<table>

Recommended Action

Approve Amendment No. 1 to Agreement for Construction Management Services with Roebbelen Construction Management Services, Inc., to add the College Science Annex Building – HVAC Upgrade Project and increase the negotiated fee in an amount not to exceed $129,903.75.

TO: Peralta Board of Trustees

FROM: Department of General Services

PREPARED BY: Vice Chancellor Sata

BACKGROUND/ANALYSIS:
In 2018, the District selected A&B Mechanical to provide design-build services for $545,360 for the College of Alameda / Merritt College Science Annex Building ("Project"). Due to funding issues, the Project was delayed until this year.

On July 10, 2018, the Board approved Resolution 18/19-12, approving seven (7) Construction Management vendors deemed qualified to manage large construction projects for the District, consistent with Government Code qualifications-based procurement for construction management services (Gov. Code, § 4525, et seq.). One of the vendors is AECOM which the District hired as the Bond Program Manager on February 4, 2020. The remaining six (6) Construction Management firms were asked to submit proposals to manage State and Bond funded design and construction work at the District’s four (4) colleges.

The six (6) firms were asked to present a team of managers with experience overseeing projects of similar scope and size, providing design and construction management services in a participatory governance decision making system, facilitating the DSA process, understanding State funding deadlines, and strategizing on the various project delivery methods within California Community Colleges. Roebbelen Construction Management Services, Inc. (“Roebbelen”) was one of the remaining six Construction Management firms and was ultimately selected to manage the District’s College of Alameda site. However, the Project was not listed as a project in the negotiated Agreement for Construction Management Services (“Agreement”) and Roebbelen’s November 25, 2019 proposal for the Project was not incorporated into the Agreement.

This Amendment No. 1 adds the Project to the Schedule of Services in the Agreement and increases the total fee amount accordingly.

In the 2019-20 Fiscal Year, Roebbelen has been awarded the following contracts with the District:

<table>
<thead>
<tr>
<th>Contract</th>
<th>Amount</th>
<th>Board Approval</th>
<th>Complete or Ongoing</th>
</tr>
</thead>
<tbody>
<tr>
<td>Construction Management (College of Alameda campus)</td>

<td>This Item</td>
</tr>
<tr>
<td>Total</td>
<td>$5,109,402.75</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

**DELIVERABLES/SCOPE OF WORK:**

Roebbelen will provide construction management services for the Project. Services include, but are not limited to, serving as the District’s Project representative; serving as the liaison with the general contractor, suppliers, and vendors; monitoring and advising the District on all key project developments, reporting methods for schedules, cost and budget status and cost controls; tracking and reporting on project status; communicating with the Board to provide Project updates; providing design coordination services; verifying general contractor deliverables including bids, insurance, and schedule of values; monitoring the Project work for compliance with DSA requirements; and managing the project to achieve the District’s objectives in relation to costs, time, and quality, assisting the District in assessing Project completion; obtaining from the general contractor the final Project documents and reviewing them for compliance with the contract requirements; managing District warranty inspection and warranty work; among other Project related tasks.

**Contact:**

Roebbelen Construction Management Services, Inc.
1241 Hawks Flight Court
El Dorado Hills, CA 95762

Robert McLean is the Executive Vice President and Victor C. Lopez is the Project Executive.

**ANTICIPATED COMPLETION DATE:**

The contract for the construction management services is anticipated to be completed by April 30, 2025. The HVAC project is anticipated to be completed by March 31, 2021.
EVALUATION AND RECOMMENDED ACTION:

The Vice Chancellor of General Services and Chancellor recommend approval of Amendment No. 1 to the Agreement for Construction Management Services with Roebbelen Construction Management Services, Inc., to add the College Science Annex Building – HVAC Upgrade Project and increase the negotiated fee in an amount not to exceed $129,903.75.

Recommended Action

Approve an Agreement for Maintenance Services with Elite Tree Service, Inc. in the amount of $48,000 to provide landscaping maintenance of seasonal weeds, grasses and brush at the Merritt College campus.

TO: Peralta Board of Trustees

FROM: Department of General Services

PREPARED BY: Dr. Leigh Sata, Vice Chancellor, DGS

BACKGROUND/ANALYSIS:

On July 3, 2019 the Merritt College campus was inspected by the Oakland Fire Department Vegetation Management Unit and found to be non-compliant with Oakland Fire Code. In response, Elite Tree Service, Inc. performed abatement work to bring the campus under compliance. This compliance must be maintained on an annual basis for fire safety and to avoid further citations from the Oakland Fire Department. To secure the required services, the Department of General Services solicited proposals from three contractors for a 1 year landscaping maintenance program to maintain the Merritt College Campus. Elite Tree Service, Inc. submitted the lowest proposal and was selected to provide the services before the 2020 fire season.

Pursuant to Public Contract Code section 20651 (a), non-construction services, including maintenance, over the bid limit of $95,200 must be formally bid. As this agreement for maintenance services is below the threshold, formally bidding was not required.

In the 2019-20 Fiscal Year, Elite Tree Service, Inc. has the following contracts with the District:

<table>
<thead>
<tr>
<th>Contract</th>
<th>Amount</th>
<th>Board Approval</th>
<th>Complete or Ongoing</th>
</tr>
</thead>
<tbody>

<td>Pending June 23, 2020</td>
<td>This Item.</td>
</tr>
<tr>
<td>Total</td>
<td>$101,050.00</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

DEVELOPABLES/SCOPE OF WORK:

Elite Tree Service, Inc. will perform the following services: 1) re-cut down all grasses, scotch broom and shrubs within 15ft of the perimeter of the solar panels located on the Merritt College campus; and 2) re-cut down grass and scotch broom in parking lot D and adjacent lot and remove dead trees as needed.

ANTICIPATED COMPLETION DATE:

June 23, 2021

EVALUATION AND RECOMMENDED ACTION:

The Vice Chancellor of General Services and Chancellor recommend approval of the Agreement for Maintenance Services with Elite Tree Service, Inc. to provide abatement of seasonal weeds, grasses, and brush at the Merritt College Campus in the amount of $48,000.

Recommended Action

Approve Change Order No. 4 to Agreement for Construction Services with Professional Glass Installations, Inc. for the Laney College Window Repairs Project (Bid No. 18-19/28) for a non-compensable time extension of 60 days.

TO: Peralta Board of Trustees

FROM: Department of General Services

PREPARED BY: Swinerton CM

BACKGROUND/ANALYSIS:

On July 23, 2019, the Governing Board approved a contract for Professional Glass Installations, Inc., to replace twenty-nine (29) broken glass window panes of various sizes and thicknesses throughout Laney College in the amount Not-to-Exceed $20,574.66.

Subsequently Change Order No. 1 was approved to replace twelve (12) additional glass window panes that were discovered to have been broken and/or inadvertently not included in the original proposal. Fire rated glass and glazing gaskets were also replaced as part of Change Order No. 1. As the project progressed additional windows were broken necessitating an increase in the scope of work as set forth in Change Order Nos. 2 and 3. Change Order No. 2 replaced glass at three (3) locations, and Change Order No. 3 replaced glass at four (4) locations and a mirror at another.
The delivery date of the last piece of glass to be installed at the Student Center has taken longer than anticipated and additional time is needed to complete the installation as a result of lost time due to the Coronavirus. Change Order No. 4 is a request for the additional 60 days required to complete the project. There is no monetary cost associated with this change order as the time extension is non-compensable. Change Order No. 4 is the last change order for the project.

The proposed Change Order No. 4 is listed below with accompanying Board approvals of the original contract and Change Orders No. 1 – 3.

Recommended Action

Approve Amendment No. 2 to CMAS Purchase Contract with GonLED, to increase the purchase price in an amount not-to-exceed $311,832.06 to cover the purchase of LED lighting materials and installation services for the retrofit of the exterior lighting at Laney College and additional lighting fixtures for the Laney College Athletic Fields.

TO: Peralta Board of Trustees

FROM: Department of General Services

PREPARED BY: Kitchell CM

BACKGROUND/ANALYSIS:

On March 24, 2020, the Governing Board approved a CMAS Purchase Contract with GonLED, for the purchase of LED Lighting materials and installation for the Peralta CCD in the amount of $1,530,811.19 ("Agreement"). This project will fulfill the Proposition 39 Energy Incentive project. Following award of contract, GonLED commenced work on the project.

Following the Board’s approval of the Agreement, County and State shelter in place orders were issued relating to coronavirus. Thereafter, on May 12, 2020, Amendment No. 1 to the Agreement was approved
which provides greater detail regarding how unavoidable events causing unavoidable delays will be addressed.

Recently, additional non-operational lights were discovered around the exterior of the Laney College campus and throughout the Athletic Fields. These lights serve to provide security and safety for the students and the public. District staff and the Project Manager have reviewed the proposed increase to the scope of the repair of the existing exterior lighting and the additional lighting of dark areas of the campus and determined that the repairs are essential for safety and security purposes. The completion date for the Agreement will be extended by 28 calendar days to account for the time required to perform the additional services.

GonLED, is located at 1835 Whittier Ave. D-12, Costa Mesa, CA 92627. Justin Swedlow is the main contact for the company.

**DELIVERABLES/SCOPE OF WORK:**

The additional LED lighting repairs and installation provided by GonLED are to be completed at the following locations:

1. Laney College Campus Exterior Lighting Retrofit
2. Laney College Athletic Fields Additional Scope

**ANTICIPATED COMPLETION DATE:**

GonLED shall complete the delivery and installation of all products and complete all other services no later than August 28, 2020.

**EVALUATION AND RECOMMENDED ACTION:**

The Construction Manager, Vice Chancellor of General Services, and Chancellor recommend approval of Amendment No. 2 to CMAS Purchase Contract with GonLED for an increase in scope of services, an extension of the completion date by 28 calendar days and an increase in the Purchase Price in an amount not-to-exceed $311,832.06.

Approve Change Order No. 1 to Agreement for Construction Services with Environmental Resources Group, Inc. for repair work for plumbing issues at “T” connection under walkway near the mechanical room and Building D at College of Alameda in an amount not-to-exceed $17,294.

TO: Peralta Board of Trustees

FROM: Department of General Services

PREPARED BY: Roebbelen CM

BACKGROUND/ANALYSIS:

In February of 2020, the College of Alameda (“Alameda Campus”) discovered sudden, unexpected leaks in certain underground pipes that are connected to and support the fire sprinkler system. The District’s project manager, Roebbelen Construction Management Services, Inc. (“Roebbelen”), promptly investigated, and at the District’s request, contacted Environmental Resource Group, Inc. (“ERG”), an A-license (General Engineer Contractor), B (General Building Contractor), and Hazardous Substance Removal Certification contractor, to evaluate the underground plumbing and recommend repairs, if necessary.
ERG’s investigation confirmed the pipes, near the drinking fountain by the mechanical room, as well as Building D, were experiencing plumbing issues and required immediate remedial action. On March 24, 2020, the Governing Board of trustees approved Resolution No 19/20-40 authorizing the Chancellor, or her designee, to take all actions required to repair the existing plumbing issues near the drinking fountain by the mechanical room and Building D at the Alameda Campus.

Thereafter, ERG performed the required plumbing work to address the leaking pipes. During that course of that work, the pressure was reduced in one area of the leaking piping which in turn created pressure in a new area of the pipe which resulted in the outflow of water from the “T” connection underneath the walkway near the Mechanical Room and Building D. The additional emergency repairs include the replacement of the eroded “T” connection and the entire run of pipe from the T to the newly installed valve. This work must be done to avoid property damage and is authorized pursuant to Section 7 of Resolution 19/20-40.

Change Order No. 1 is the only change order related to the project.

**Recommended Action**

Approve Change Order #7 to C. Overaa & Co.’s Design-Build Agreement for the College of Alameda New Center for Liberal Arts Project in the amount of $276,184.00 to cover additional owner-initiated services required to address unforeseen conditions.

**TO:** Peralta Board of Trustees

**FROM:** Department of General Services

**PREPARED BY:** Dr. Leigh Sata, Vice Chancellor, DGS
BACKGROUND/ANALYSIS:
The New Center of Liberal Arts Project includes the construction of a new classroom building at the College of Alameda. Following a formal procurement process, the District entered into contract with C. Overaa & Co. in February 2017, to provide Design-Bid-Build Services for the construction of the new classroom building at the campus. Subsequently, six (6) Change Orders have been approved. At this time, Change Order No. 7 is presented for consideration by the Board. Change Order 7 includes three Change Order Requests (CORs) from Overaa.

COR 32 resolves previous work related to underground unforeseen conditions. There were several issues related to repairs, improvements and other scope changes that were addressed in Change Order 2. At that time, several unresolved cost issues that required additional review by the Construction Manager (CM), Roebelen. The CM has now completed their review of the paperwork, which included daily reports prepared by the sub-contractors and signed off by the District’s third party Project Inspector (See COR 32 PCO 58).

COR 47.10 resolves an urgent request from the District to provide power to the neighboring Diesel Building. The District was informed the day before class, that power had been lost to the Diesel Technology Lab Building. It was determined that the power line was adjacent to the NCLA construction site. Swinerton Management and Consulting was asked to trace the line, work with a third party electrician to establish temporary power to the Diesel building, and provide a plan to restore power permanently. After appropriate due diligence, Rosendin Electric was assigned to Overaa to perform the necessary repairs, as the repair work ran through the NCLA project site and was otherwise inaccessible. This COR completes the paperwork needed to reimburse Overaa for their efforts (See COR 47.1 PCO 72).

COR 65 resolves a change of scope requested by the District. It was decided that the classrooms in the building should have an electronic keying system, replacing the physical keys. The subconsultant Navco, provided a scope of work for an additional 20 electronic locks and an appropriate "head end," or computer control for the cloud based system. The decision to move towards electronic locking is in alignment with the District’s desire to consider the long term cost of ownership in new buildings. Rather than maintain physical keys, it is hoped that the District will replace most physical keys with electronic readers which are easier to maintain and produce (See COR 65 PCO 104).

A summary of the CORs are detailed in the following table:

<table>

Phone: 510-234-0926 | Mobile: 510-719-0446
www.overaa.com

**DELRIVERABLES/SCOPE OF WORK:**

Change Order #7 increase the contract amount by $276,184.00 to cover additional wire pulls and security items requested by the District. The scope of the COR included in these change order can be found in the descriptions on the attached Change Order #7.

**ANTICIPATED COMPLETION DATE:**

The Final Completion Date for the Project is March 23, 2020.

**EVALUATION AND RECOMMENDED ACTION:**

The Construction Manager, Vice Chancellor of General Services and Chancellor recommend approval of Change Order #7 to the District’s Design-Build Agreement with C. Overaa & Co. in the amount of $276,184.00.

Consider approval of the District's fiscal year 2019-20 third quarter CCFS 311Q report.

TO: Peralta Board of Trustees

FROM: Vice Chancellor Walter

PREPARED BY: Executive Fiscal Director Ahmed

Background/Analysis:

This report was completed and submitted on time to the State Chancellor's Office and in accordance with the District's Financial Reporting Calendar. The CCFS 311Q is the District's quarterly financial status report and details how funds were spent and projections for the upcoming year. The district shall submit a copy of the certified report to the Chancellor's Office no later than 45 days following the completion of the first, second, and third quarter of the fiscal year (Title 5, Section 58310).

Deliverables/Scope of Work:

Not applicable.

The Chancellor recommends appointment of three members to additional two year terms on the Bond Measures Oversight Committee.

Approved appointment of new two year terms of service for three members of the Bond Measures Oversight Committee.

TO:  Peralta Board of Trustees

FROM:  Mark Johnson, Executive Director, Department of Marketing, Communication & Public Relations

PREPARED BY:  Diana Fitzgerald, Staff Assistant, Department of Marketing, Communication & Public Relations

BACKGROUND/ANALYSIS:
On September 24, 2019 the PCCD Board of Trustees took action to appoint Yusef Herbet, Andrea Dawson, Marcus Crawley, Ariana Brown, Kevin Jenkins and Patricia Ellis as members to the Bond Measures Oversight Committee. (Eddie R. Dillard was also appointed but later stepped down for personal reasons.)

On February 4, 2020 the PCCD Board of Trustees approved an update to the bylaws of the Bond Measures Oversight Committee with two-year term start dates to begin on July 1.

Three members have terms that are expiring at the end of June 2020. All three would like to continue their service on this committee, and it is recommended that the Board approve new two-year terms beginning on July 1, 2020.

2. Kevin Jenkins (representing the community at-large) – Current term expires June 30, 2020. New term to run from July 1, 2020 to June 30, 2022

The remaining members have terms that currently expire on June 30, 2021.

DELIVERABLES/SCOPE OF WORK:  N/A

ANTICIPATED COMPLETION DATE:  N/A

EVALUATION AND RECOMMENDED ACTION:

All three of these BMOC members have attended and contribute actively to the bond oversight meetings. Ms. Dawson is the committee chair and Mr. Jenkins is the committee vice chair. It is strongly recommended that these relatively new oversight members (none served on the old COC) have their terms extended so that the committee can complete the essential task of writing their annual oversight committee report.

All matters listed under the Consent Calendar are considered by the Board of Trustees to be routine or sufficiently supported by back-up information as to not require additional discussion. Consent Calendar items will be enacted by one motion. There will be no separate discussion on these items prior to the time the Board votes on them, unless a Board member requests that a specific item be removed from the Consent Calendar for action and a separate vote. Public comment on Consent Calendar items from anyone completing a card will be heard prior to the Board's vote on the Consent Calendar. All Board approved contracts are subject to final negotiation and execution by the Chancellor.

PREPARED BY: Diana Fitzgerald, Staff Assistant, Department of Marketing, Communication & Public Relations

BACKGROUND/ANALYSIS:

On September 24, 2019 the PCCD Board of Trustees took action to appoint Bernard Ayanruoh, Oscar F. Porter, Debra Weintraub, Aisha K.L. Jordan, and Zac Unger as members to the Parcel Tax Measures Oversight Committee.

On December 10, 2019 the PCCD Board of Trustees took action to appoint Mónica Henstroza as a member to the Parcel Tax Measures Oversight Committee.

On February 4, 2020 the PCCD Board of Trustees approved an update to the bylaws of the Parcel Tax Measures Oversight Committee with two-year term start dates to begin on July 1.
Two members have terms that are expiring at the end of June 2020. Both would like to continue their service on this committee, and it is recommended that the Board approve new two-year terms beginning on July 1, 2020.

2. Oscar F. Porter – Current term expires June 30, 2020. New term to run from July 1, 2020 to June 30, 2022 (Note that Mr. Porter may serve to 2023 pursuant to term limits.)

The remaining members with their term expirations are:
- Debra Weintraub to June 30, 2021*
- Aisha K.L. Jordan to June 30, 2021
- Zac Unger to June 30, 2021*
- Mónica Henstroza to June 30, 2021

*May serve to 2021 pursuant to term limits.

DELIVERABLES/SCOPE OF WORK: N/A

ANTICIPATED COMPLETION DATE: N/A

EVALUATION AND RECOMMENDED ACTION:
The Chancellor recommends appointing these two members for additional two year terms on the Parcel Tax Measures Oversight Committee

Executive Content

Both of these members have been active contributors to the Parcel Tax committee.

All matters listed under the Consent Calendar are considered by the Board of Trustees to be routine or sufficiently supported by back-up information as to not require additional discussion. Consent Calendar items will be enacted by one motion. There will be no separate discussion on these items prior to the time the Board votes on them, unless a Board member requests that a specific item be removed from the Consent Calendar for action and a separate vote. Public comment on Consent Calendar items from anyone completing a card will be heard prior to the Board’s vote on the Consent Calendar. All Board approved contracts are subject to final negotiation and execution by the Chancellor.

9. CONSENT CALENDAR - PUBLIC INFORMATION OFFICE

Subject

9.3 Consider Appointment of Member to the Bond Measures Oversight Committee. Presenter: Executive Director Johnson

Meeting

Jun 23, 2020 - REGULAR MEETING OF THE BOARD OF TRUSTEES

Access

Public

Type

Action (Consent)

Preferred Date
TO: Peralta Board of Trustees

FROM: Mark Johnson, Interim Executive Director of District Marketing, Communication & Public Relations Dept.

PREPARED BY: Diana Fitzgerald, Staff Assistant, District Marketing, Communication & Public Relations Dept.

BACKGROUND/ANALYSIS:
In 2006 and 2012, District voters adopted Measure A (bond measure) and Measure B (parcel tax measure). In 2018, District voters adopted Measure G (bond measure) and Measure E (parcel tax measure.) All of these measures required establishment of oversight committees. Previously, the Board adopted “Resolution 18/19-42 Regarding Constitution, Membership, and Duties of Measure Oversight Committees.” Resolution 18/19-42 created a Bond Measures Oversight Committee and a Parcel Tax Measures Oversight Committee.

On September 24, 2019, the Board of Trustees appointed seven members to the Bond Measures Oversight Committee and opened up the application period to accept additional applications for the committee until the committee membership bylaws are met. The Committee was lacking a Community College Supporter (Advisory Council or Foundation).

The District has received one new application, from Benjamin Scott, for appointment to the Committee. The application of this individual is attached. Mr. Scott was recommended for committee membership by Ms. LaNiece Jones, Executive Director of the Peralta Colleges Foundation. There is not currently a member on the committee representing Community College Support organizations, as required by committee bylaws.

The District recommends acceptance of this applicant as the Community College Supporter (Advisory Council or Foundation) representative member of the Committee, with initial two-year term to begin on July 1, 2020 and extend to June 30, 2022.

The Bond Measures Oversight Committee Bylaws indicate that the Committee is to consist of at least seven members, representing five constituencies plus members at large. With this appointment, the membership on the committee would meet the requirements of the bylaws and recruiting for this committee can be closed.

DELIBERABLES/SCOPE OF WORK: N/A

ANTICIPATED COMPLETION DATE: N/A

EVALUATION AND RECOMMENDED ACTION:
The Chancellor recommends appointment of this applicant as a member of the Bond Measures Oversight Committee.
File Attachments
This item was originally submitted for Board of Trustees consideration on April 21, 2020 and it was not approved (2 yes + 1 no + 3 abstain; only 6 trustees attending).

Mr. Scott was referred to the committee by LaNiece Jones at PCF. He is a local entrepreneur, a former student at Merritt and Laney Colleges, a donor to the Peralta Colleges Foundation, and also a volunteer working with PCF on their annual scholarship program.

All matters listed under the Consent Calendar are considered by the Board of Trustees to be routine or sufficiently supported by back-up information as to not require additional discussion. Consent Calendar items will be enacted by one motion. There will be no separate discussion on these items prior to the time the Board votes on them, unless a Board member requests that a specific item be removed from the Consent Calendar for action and a separate vote. Public comment on Consent Calendar items from anyone completing a card will be heard prior to the Board’s vote on the Consent Calendar. All Board approved contracts are subject to final negotiation and execution by the Chancellor.

10. ACTION ITEMS

10.1 PRESENTATION AND ACTION ITEM: Consider Approval of the Peralta Community College District 2020/21 Tentative Budget. Presenter: Vice Chancellor Walter

TO: Peralta Board of Trustees

FROM: Chancellor Stroud
PREPARED BY: Vice Chancellor Walter

Background/Analysis:

The 2020/21 Tentative Budget is presented for consideration and approval.

The Board of Trustees adoption of the 2020/21 Tentative Budget for all District funds will provide an operational budget as of July 1, 2020, in order to meet the requirements of Section 58305, Title 5, of the California Code of Regulations, which requires submittal of an annual Tentative Budget by July 1st. Adoption of the 2020/21 Tentative Budget will authorize a total District Budget of $231,136,353 including income, appropriations, and expenses for all District funds as contained in the attached Tentative Budget book. The attached presentation providing highlights from the 2020/21 Tentative Budget will be presented to the Board of Trustees at the meeting.

Fiscal Impact
Approve Amendment No. 3 for a contract extension with Alameda County Sheriff’s Office to provide police services to the Peralta Community College District for an additional one (1) year term in the amount of either $3,570,497.64, or $3,848,221.61, dependent upon the security model selected.

TO: Peralta Board of Trustees

FROM: Department of General Services

PREPARED BY: Vice Chancellor Sata

BACKGROUND/ANALYSIS:

In last year’s approval of ACSO’s contract amendment, Board members asked for a more comprehensive review of the District’s security infrastructure. Over several months, the District performed several tasks to meet the expectations of the Board. Those tasks included:

- Hiring a security consultant;
- Reviewed findings from the 2017 security survey;
- Performed an additional survey with more targeted questions;
- Attended a community meeting about security and the CAHOOTS model;
- Held a security workshop for students, faculty and staff;
- Engaged in discussions with the Restoring our Communities (ROC) program at Laney College;
- Met with community organizations, including NAACP, PAAA, and others;
- Met with City Council Members and a representative from the Mayor’s office;
- Met with local law enforcement, including the Oakland Police Department and the Alameda County Sheriff’s Office (ACSO);
- Held a community security workshop, with outreach to several community panelists, including representatives from the NAACP, BWOPA/Holy Names University, Bay Area Urban League, PRC, PAAA and others.

Through this engagement process, the security consultant prepared a report with several options and a recommendation. These options were discussed at the June 9th Governing Board meeting. The recommended option scales back (but keeps) ACSO’s services, and adds a community-based policing component to the District’s security ecosystem, with a priority on de-escalation tactics and restorative justice techniques. Traditional private security and a renewed Student Ambassador’s program will remain a part of the security infrastructure. The RFP for the community-based security consultant is currently in process, and a vendor (or several vendors) will be selected in the July timeframe. This option is referred to as "MODEL 1" in the consultant’s security report, dated June 17, 2020.

After receiving input from Governing Board members, the security consultant was asked to explore additional options, as follows:

- MODEL 2: ACSO’s services continue at Laney College and an ACSO Deputy is added back to Merritt College. Private security and the Student Ambassador program will complement the services provided by the Community-based security firm and ACSO. BCC and COA will be supported by the community-based security firm, private security, the Student Ambassador program and local law enforcement (Berkeley City Police and Alameda Police);
- MODEL 2a: ACSO’s dispatch services are reduced, focusing on college operational hours only;
- MODEL 3: ACSO’s services include only dispatch. This model was deemed unworkable by ACSO;
- MODEL 4: ACSO is replaced with an in-house police service. The security consultant estimates that it will take 18 to 24 months to develop the in-house model.

Regardless of the final outcome, it is expected that a transition period is needed for the new vendor(s) to become acclimated to the specific needs of the District. To that end, the Governing Board is now asked to consider approval of the ACSO contract for a minimum period of one year, with knowledge that the contract may be terminated at any time with a 90-day notification. Two contracts are attached for the Board to consider, depending upon the model selected.
The original contract with ACSO was procured in 1995. On June 23, 2015, the Governing Board approved a contract to provide security services from July 1, 2015 through June 30, 2018. On January 20, 2018 the Governing Board approved a one-year contract amendment and on June 11, 2019, the Governing Board approved a second one-year contract amendment with additional performance requirements. Those requirements included apprenticeships, community policing, regular attendance at student organization meetings, and opportunities for student engagement. ACSO will continue to perform traditional police services for the District, as well as providing Dispatch and monitoring services. ACSO will no longer provide badging services, which will be assumed by District staff. The recommended contract reduces ACSO’s services, and the resulting savings will be applied to community based security services. Service levels will be adjusted to balance the community-based security firm, private security and Student Ambassador programs.

**DELIVERABLES/SCOPE OF WORK:**

ACSO will continue to provide:

- Law enforcement services from Monday to Friday, between the hours of 7am and 11pm (excluding holidays) at Laney College;
- Law enforcement services from Monday to Friday, for a period of one shift (hours TBD) at Merritt College;
- Alarm monitoring and public inquiry services (excluding holidays) through the Dispatch Command Center located at the District’s Administrative Center (hours dependent upon the selected option);
- Parking enforcement district-wide;
- Related administrative and crime statistical reporting services to the colleges, Administrators, Governing Board of Trustees, members of the public as required by law, including the Clery Report.
- The proposed contract renewal will include:
  - One (1) Lieutenant
  - One (1) Sergeant
  - Six (6) Sheriff’s Deputies
  - Five (5) Sheriff’s Technicians (MODEL 2), or Three (3) Sheriff’s Technicians (MODEL 2a)

Additional contracts addressing the community-based model will be presented at a later date. The existing private security contract will be renewed for up to two additional years. The student ambassador program will commence when the District fully returns from the County’s Sheltering-In-Place order.

**Should the Board select MODEL 2, the contract value is $3,848,221.61. Should the Board select MODEL 2a, the contract value is reduced to $3,570,497.64. The difference is in the number of technical staff providing dispatch services. Model 2 continues the current 24/7/365 dispatch model, and Model 2a provides dispatch services from M-F from 7am to 11pm only.**

**ANTICIPATED COMPLETION DATE:**

The contract termination date is June 30, 2021.

**EVALUATION AND RECOMMENDED ACTION:**

The District's Vice Chancellor of General Services and Chancellor recommend approval of Contract Amendment #3 for the Alameda County Sheriff's Office, in the amount of either $3,570,497.64, or $3,848,221.61, dependent upon the security model selected.

Recommended Action
TO: Peralta Board of Trustees

FROM: Department of General Services

PREPARED BY: Dr. Leigh Sata & Interim General Counsel Warden

BACKGROUND/ANALYSIS:

DWK provides legal services to the District, as one of several law firms with a specific specialty. DWK supports DGS in construction matters, and also provides guidance on bond issues, oversight committee issues, CEQA and other areas. A contract amendment and estimated legal fee is approved annually. Legal invoices are billed on an hourly basis and are reviewed by the Chief of Staff/General Counsel and Vice Chancellor of DGS. This amendment is based on a proposal letter dated May 20, 2020, and revised on May 27, 2020, for FY 2020-21. Because DWK's work largely supports the Capital Improvement program, all but $85,000 of the projected fee is related to capital projects and is bond eligible.

On July 12, 2016, a contract in the amount of $30,000 was entered into between the District and DWK, to provide legal counsel around matters related to Facilities Maintenance and Operations and Capital Project Planning, managed by the Department of General Services (DGS). On March 14, 2017, Amendment #1 was approved by the Board in the amount of $90,000. On June 13, 2017, Amendment #2 was approved by the Board in the amount of $842,740. On March 26, 2019, Amendment #3 was approved by the Board for a time extension only. On September 24, 2019, DWK was authorized by the Board along with various other legal firms to provide services through FY 2019-20, and on March 24, 2020, Amendment #4 was approved in the amount of $1,036,600 by the Governing Board. At this time, the Board is asked to consider Amendment #5.

</tbody>
</table>

DELIVERABLES/SCOPE OF WORK:

The estimated annual fee is based on estimates from previous years’ billings. The fee includes fees associated with an ongoing construction defect lawsuit and vendors associated with the lawsuit. Specifically, the fee will include:

1. Litigation matters related to a construction defect lawsuit, scheduled for mediation in Spring 2020, with a trial date scheduled for December 2020; and
2. Bond Related Legal Services included contract matters related to the bond, including contract template development, Board agenda materials, review and/or preparation of all DGS contracts prior to upload to Board Docs, legal input on matters related to procurement, design and construction for the bond program, resolution of the liability list, and other bond related issues; and
3. General Legal Services, including the review of non-construction related contracts, Bond Measures and Parcel Tax Oversight Committees, CEQA issues, and Board ethics, transparency and accountability measures as requested by the District.
At this time, the Board is asked to approve DWK’s proposal for FY 2020 – 21 in the amount not to exceed $1,213,860.

**ANTICIPATED COMPLETION DATE:**

The duration of this contract amendment is through June 30, 2021. DWK’s contract is renewed annually, and this year’s amendment is the final amendment before an RFP for construction legal services is issued. The District will prepare the RFP before June 30, 2021.

**EVALUATION AND RECOMMENDED ACTION:**

The Chancellor, Vice Chancellor and General Counsel recommend approval of Amendment #5 for Construction Counsel to provide legal advice to the Department of General Services (and others), for matters related to litigation, Measure A and G capital improvement matters, and general fund, for FY 2020 – 21 in the amount not to exceed $1,213,860.

BACKGROUND/ANALYSIS:

The State Chancellor's Office requires that community college districts meet the Equal Employment Opportunity Multiple Method Allocation Model in order to qualify for additional funding from the allocation of the Equal Employment Opportunity (EEO) Funds for the purpose of promoting equal employment opportunities. For the Fiscal Year 2019-2020, the District received the maximum allocation of $50,000 because it met all the requirements for the 2018-2019 Fiscal Year. It is estimated that the EEO funds will, once again, be allocated by the State Chancellor's Office pursuant to the Multiple Method Allocation Model for the Fiscal Year 2019-2020. At this time, the amount of the allocation has not been determined.

In order to qualify for EEO funding, it is mandatory for each District to:
1. Submit a board-adopted EEO Plan to the Chancellor's Office at least every 3 years;
2. Establish an EEO Advisory Committee to assist in the development and implementation of the EEO Plan; and

Certification from the District was required to be submitted to the State Chancellor's Office no later than June 1, 2020, and the District's Certification Form was submitted to and was received by the State Chancellor's Office on May 31, 2020.

Adopt Resolution No. 19/20-64 authorizing lease of relocatable structures for the Laney Locker Room Interim Campus Pursuant to Public Contract Code section 20652, and approve Agreement Incorporating Piggyback Contract with Mobile Modular Management Corporation in an amount not-to-exceed $997,839.00.

TO: Peralta Board of Trustees

FROM: Department of General Services

PREPARED BY: Swinerton CM

BACKGROUND/ANALYSIS:

Peralta Community College District is undertaking the Laney Locker Room Renovation and Interim Locker Room Project (“Project”). In connection with the Project, the District seeks to lease relocatable modular classroom, locker room, and restroom structures (“Relocatable Structures”) for the Laney Locker Room Interim Campus.

Under Public Contract Code section 20651, the District is required to competitively bid the lease or purchase of equipment, materials, or supplies that exceeds $95,200 for 2020. Public Contract Code section 20652, commonly referred to as a piggybacking statute, is as an exception to the competitive bidding requirement, and allows the District to lease or purchase equipment, materials, or supplies by utilizing an existing contract authorized by law between a vendor and another public agency under the same terms as are available to the other public agency under the existing contract.

Pajaro Valley Unified School District has procured a contract (“Piggyback Contract”) with McGrath RentCorp. dba Mobile Modular Management Corporation (“Mobile Modular”) for the lease or purchase of the Relocatable Structures. The Piggyback Contract provides that any California community college district may lease or purchase the Relocatable Structures at the same price and upon the same terms as the Piggyback Contract.

District staff and consultants have researched the costs and terms of the Piggyback Contract and believe that the prices of the Piggyback Contract are reasonable and that it would be in the best interests of the District to utilize the Piggyback Contract to lease the Relocatable Structures pursuant to the Agreement Incorporating Piggyback Contract (“Agreement”) with Mobile Modular.

Contact Information for Mobile Modular is as follows:
Attn: Carl Yeremian
McGrath RentCorp. dba Mobile Modular Management Corporation
5700 Las Positas Road
Livermore, CA 94551

DELIVERABLES/SCOPE OF WORK:

Under the Agreement, Mobile Modular will supply, install, and lease ten (10) Relocatable Structures to the District as follows:

<table>
<thead>
<tr>
<th>Building Type</th>
<th>Delivery &amp; Installation</th>
<th>Monthly Rent</th>
<th>Term Rent(24 Months)</th>
<th>Return Charges</th>
<th>Total</th>
</tr>
</thead>

<td>$131,184.00</td>
<td>$19,324.00</td>
<td>$176,070.00</td>
</tr>
</tbody>
</table>

The Contract Price shall not exceed $997,839.00 for the fully-installed Relocatable Structures leased for twenty-four (24) months, including, without limitation, taxes, delivery, installation, labor, required payment and performance bonds and Vendor insurance per the Piggyback Contract, and removal/return.

**ANTICIPATED COMPLETION DATE:**

By no later than December 9, 2020, Mobile Modular shall complete all installation and related work and the lease of the Relocatable Structures shall commence. By December 9, 2022, the lease will conclude and Mobile Modular will remove and return the Relocatable Structures, unless the lease term is shortened or extended by agreement of the parties.

**EVALUATION AND RECOMMENDED ACTION:**

The Chancellor recommends approval. The Vice Chancellor of General Services and Chancellor recommend the Board of Trustees adopt the Resolution Authorizing Lease of Relocatable Structures for Laney Locker Room Interim Campus Pursuant to Public Contract Code section 20652, and approve the Agreement Incorporating Piggyback Contract with Mobile Modular Management Corporation in an amount not-to-exceed $997,839.00.

**10. ACTION ITEMS**

**Subject**

10.9 Consider Adoption of Resolution 19/20-66 In Support Of California Assembly Constitutional Amendment 5, Known As ACA-5: California Act For Economic Prosperity. Presenter: Chancellor Stanback Stroud

**Meeting**

Jun 23, 2020 - REGULAR MEETING OF THE BOARD OF TRUSTEES

**Access**

**Public**

**Type**

**Action**

**Preferred Date**
TO: Peralta Board of Trustees

FROM: Dr. Regina Stanback Stroud, Chancellor

PREPARED BY: Dr. Regina Stanback Stroud, Chancellor

BACKGROUND/ANALYSIS:

In 1996, California passed Proposition 209 upending California's equal opportunity program. Recently, ACA 5, the bill repealing California's ban on affirmative action and nullifying Proposition 209, passed through the California State Assembly. We are a step closer to the voters having the opportunity to reconsider the value of taking affirmative steps to address discrimination, disenfranchisement, exclusion and marginalization of people of color.

This resolution is consistent with previous statements by the Board of Trustees that acknowledge the existence of institutional and structural racism that negatively impacts the community served by Peralta Community College District.

DELIBERABLES/SCOPE OF WORK:
