| FIXED MINDSET | GROWTH MINDSET | NOTES |
|---|---|---|
| The process is great! | What can we do to improve the process? | |
| That's how it has always worked! | What can we test with the process? | |
| Better we do not make a mistake in the process! | What can we learn from past mistakes? | |
| We are doing very well! | Are we already ambitious enough with the processes? | |
| I have done this 100X! | How would Elon Musk design the process? | |
| Why does the process work so well for others? | What can we learn from other successful teams? | |
| Let's keep this small! | Who can we involve to improve the process? | |
| Others seem to be stuck. | How can we help other teams with our process? | |
