

1400 Toastmaster Drive, Elgin, Illinois 60120 • (847) 741-3300 www.middleby.com

Welcome to Middleby Innovation Kitchens,
The safety and well-being of our guests and employees is always our top priority. We have taken the extra steps listed below to keep our facility disinfected.

1. All guests who are traveling to the Middleby Innovation Kitchens are required to show proof of vaccination and provide a negative PCR or Rapid test prior to arrival.

2. Non-touch Temperature Scanning Stand

Upon arrival, all guests are required to sign in and undergo a body temperature check.

3. Indoor Air Purification

Our reception area, conference room, dining room & training rooms are protected by Bluezone by Middleby. This patented air purification solution kills 99.9995% of viruses, bacteria, mold, and other contaminants in indoor spaces.

4. Social Distancing

Our facility has plenty of space to allow for social distancing. We ask everyone to avoid close contact and allow space between you and others.

Thank you for doing your part!
