Here's how to get started:

- Schools choose the massage equipment package to offer to students
- Schools purchase the selected massage products from Custom Craftworks
- Products are shipped to the school, or to the students if you prefer
- Schools include table and equipment costs in the student's tuition

Simply share a URL link to your students, and they will complete a form to request their unique Custom Craftworks discount code. After receiving a discount code via email, students may shop directly from our website and receive discounts on ALL of their purchases.

The Advocate Program is the easiest program for schools.

Here's why:

- Educators simply share the link
- Students get to purchase whatever they would like
