

Why Choose the School Property Program?

High performance equipment at a reduced price

Custom Craftworks is passionate about helping schools and students by subsidizing classroom equipment. We believe students deserve to learn the art of massage utilizing high quality tables, chairs and accessories.

Our **School Property Program** provides special pricing for massage schools on Custom Craftworks equipment to enhance the learning experience for both instructor and student.

Our tables have an excellent reputation for being among the highest quality tables in the industry. This ongoing commitment to quality and craftsmanship is reflected in every choice we make, from material selection to execution of the final product.

We are committed to serving the next generation of massage therapists for years to come.
