# WELCOME FROM THE CHAIRMAN

**To all the devoted volunteers of Wreaths Across America:**

First, let me thank you for your continued support and commitment in helping Wreaths Across America expand its mission to Remember, Honor and Teach. Because of each of your efforts in 2021, we placed 2.4 million wreaths at more than 3,100 participating locations.

Each day, in cemeteries throughout this country, family members of our veterans and active duty military members listen to the sorrowful sound of Taps played as their loved ones' caskets are lowered into the ground and American flags are folded and presented in remembrance of their service and sacrifices.

It is our commitment to not only honor those currently being buried, but also to remember those who have gone long before and who might not have family members to visit their gravesites and thank them for their service.

I have personally been the location coordinator for Arlington National Cemetery in Arlington, Virginia, since 2005. I have had the privilege to meet thousands of some of the incredible and inspiring volunteers who willingly give their time and effort to ensure that all those buried at Arlington are not forgotten. It is these volunteers, and those from all of your local communities, including school and church groups; scout groups; trucking companies; veterans, associations; law enforcement agencies; corporate sponsors; devoted individuals, et al., that serve as the backbone of Wreaths Across America's mission.

Relying on the participation of volunteers is key to the success of Wreaths Across America—today and in the future. While we encourage individual creativity and initiative, we must have established standards and guidelines to ensure that the mission to Remember, Honor and Teach is paramount. Therefore, I ask that you please review the following materials and use the information provided as a basis for your future work in promoting the mission of Wreaths Across America.

Thank you for all you do. We will never forget!

Sincerely,

*Wayne G. Hanson*

---

Morrill Worcester, owner of Worcester Wreath Company of Harrington, Maine, was a 12-year-old paperboy for the Bangor Daily News when he won a trip to Washington, D.C. His first trip to our nation's capital was one he would never forget, and Arlington National Cemetery made an especially indelible impression on him. This experience followed him throughout his life and successful career in business, reminding him that his good fortune was due, in large part, to the values of this nation and the veterans who made the ultimate sacrifice for their country.

In 1992, Morrill found himself with a surplus of wreaths nearing the end of the holiday season. Remembering his boyhood experience at Arlington, Worcester realized he had an opportunity to honor our country's veterans. With the help of former Maine senator Olympia Snowe, arrangements were made for the wreaths to be placed at Arlington in one of the older sections of the cemetery – a section which had been receiving fewer visitors with each passing year.

As plans were underway, a number of other individuals and organizations stepped up to help. James Prout, owner of local trucking company Blue Bird Ranch, Inc., generously provided transportation all the way to Virginia. Volunteers from the local American Legion and VFW posts gathered with members of the community to decorate each wreath with traditional red, hand-tied bows. Members of the Maine State Society of Washington, D.C., helped to organize the wreath-laying, which included a special ceremony at the Tomb of the Unknown Soldier.

This act of generosity became an annual tribute that went on quietly for several years each December, led by Morrill and his family until 2005, when a photo of the stones at Arlington, adorned with wreaths and covered in snow, circulated around the internet. Suddenly, the project received national attention. Thousands of requests poured in from all over the country from people wanting to participate – to emulate the Arlington wreath project at their national and state cemeteries, or to simply share their stories and thank Morrill Worcester for honoring our nation's heroes.

Unable to donate thousands of wreaths to each state, Worcester began sending seven wreaths to every state, one for each branch of the military, and for POWs/MIAs.

In 2006, with the help of the Civil Air Patrol and other civic organizations, simultaneous wreath-laying ceremonies were held at over 150 locations around the country. The Patriot Guard Riders volunteered as escort for the wreaths going to Arlington. This began the annual “Veterans Honor Parade” that travels the East Coast in early December.

The annual trip to Arlington and the groups of volunteers eager to participate in Worcester’s simple wreath-laying event grew each year until it became clear the desire to remember and honor our country’s fallen heroes was bigger than Arlington, and bigger than this one company.

In 2007, the Worcester family, along with veterans and other groups and individuals who had helped with the annual veterans wreath ceremony in Arlington, formed Wreaths Across America (WAA), a nonprofit 501(c)(3) organization, to continue and expand this effort, and support other groups around the country who wanted to do the same. The mission of the group is simple: Remember. Honor. Teach.

In 2008, over 300 locations held wreath-laying ceremonies in every state, Puerto Rico and 24 overseas cemeteries. More than 100,000 wreaths were placed on veterans’ graves. Over 60,000 volunteers participated, including members of national veterans’ organizations and the American Gold Star Mothers.

December 13, 2008, was unanimously voted by the United States Congress as National Wreaths Across America Day.

In 2011, WAA and its national network of volunteers laid 325,000 veterans' wreaths at 750 locations in the United States and beyond. WAA was able to include ceremonies at the Pearl Harbor Memorial, as well as Bunker Hill, Valley Forge and the sites of the September 11, 2001 tragedies. WAA accomplished this with help from 902 fundraising groups, corporate contributions, and donations of trucking, shipping, and thousands of helping hands.

The wreath laying is still held annually on a Saturday, each December, and has expanded to include more than 3,100 locations and 2.4 million wreaths. And for the first time in 2018, our mission expanded overseas with the placement of 9,387 veterans’ wreaths at Normandy-American Cemetery in France. Each wreath is placed by a volunteer and the names of our fallen said out loud to keep their memory alive.

Every year since 2008, Congress proclaims a Saturday in December as National Wreaths Across America Day. This year, it will be held on **Saturday, Dec. 17, 2022.**

## 2021 Recap

- ★ 2.4 million veterans' wreaths were placed in total across the country.
- ★ More than two million volunteers participated at 3,137 locations nationwide. More than a third of the volunteers were children.
- ★ At Arlington National Cemetery specifically, the Wreaths Across America program saw 66 tractor trailers deliver over 250,000 veterans' wreaths that were placed by nearly 38,000 volunteers.
- ★ Over 525 truckloads of wreaths were delivered across the country by hundreds of volunteer professional truck drivers driving donated equipment and fuel from approximately 390 carriers.

## 2022 Theme: Find a Way to Serve

The inspiration for this year's theme came from a few different places and seemed to be a recurring conversation throughout the last year. Notably, the **American Rosie Movement™** which highlights the stories of the World War II-era women known as Rosie the Riveters, or simply "Rosies." These women pulled together to do the work that needed to be done for our freedom. The movement encourages youth to get involved in their own communities to serve in small ways that can make a big impact. As part of this new theme, Wreaths Across America is revamping its educational curriculum working with like-minded organizations to develop action plans to inspire young people across the country to find a way to serve in 2022 and beyond.

## What We Do

### REMEMBER

- ★ WAA's annual pilgrimage from Columbia Falls, Maine, to Arlington National Cemetery in Virginia has become known as the world's largest veterans' parade, stopping at schools, monuments, veterans' homes, and communities all along the way to remind people how important it is to Remember, Honor and Teach.
- ★ The Remembrance Tree Program provides a living memorial to loved ones lost. A replica dog tag is made in honor of your loved one and it is attached to the trunk of an evergreen tree on the tip land in Maine where the brush is harvested every third year to make veterans' wreaths.
- ★ The HART Ceremony (Honoring Allies and Remembering Together) is conducted each year to honor veterans of our nation's allies in ceremonies on international border-crossing bridges between Calais, Maine and St. Stephen, New Brunswick, Canada; Detroit, Michigan and Windsor, Ontario, Canada; and Sweetwater, Montana and the Alaskan/Canadian border.
- ★ WAA hosts statehouse ceremonies in nearly 50 states.

### HONOR

- ★ Through WAA's national group sponsorship program, it has helped other nonprofits and civic groups such as Civil Air Patrol, Scouts, 4- H Clubs, local VFWs and American Legions raise funds for their own community needs. Since 2007, Wreaths Across America has given back more than \$17 million to local groups.
- ★ WAA conducts several programs to honor our veterans, including our popular Thanks-A-Million campaign, which distributes free "I Owe You" cards to people all over the country to share with veterans as a simple thank-you for their service and a promise to give back.
- ★ The organization participates in veterans' events throughout the year as well as public outreach through Veterans Day and Memorial Day programs, Wreaths Across America Radio, in our monthly newsletters, in press coverage and on the website.
- ★ The Wreaths Across America Museum located at the National Headquarters in Columbia Falls, Maine, showcases thousands of items that have been donated to Wreaths Across America over the decades. All donations help to provide insight and tell the greater story of the experiences of U.S. military personnel.
- ★ Wreaths Across America has a veteran liaison on staff to work with local veterans' organizations in Maine.

### TEACH

- ★ WAA is committed to teaching younger generations about the value of their freedoms and the importance of honoring those who sacrificed so much to protect those freedoms. We offer learning tools, interactive-media projects and opportunities for schools, 4-H clubs, Scouts, and other youth groups to participate in our efforts.
- ★ The Mobile Education Exhibit is a traveling classroom on wheels designed to inspire and educate all about the mission and those who lives have been impacted by it. The goal of the Wreaths Across America Education Exhibit is to bring local communities and our military together with education, stories, and interactive connections.

## Frequently Asked Questions

### Why do you use live wreaths?

Wreaths Across America does not “decorate” headstones. We are honoring all veterans and active military members by placing live, balsam veterans’ wreaths on the headstones of our nation’s servicemembers. The fresh evergreens have been used for centuries as a symbol recognizing honor and as a living tribute renewed annually. We want people to see the tradition as a living memorial to veterans and their families.

### Does WAA have a religious or political affiliation?

Wreaths Across America is not affiliated with any religion or political party. It is our mission to remember and honor every fallen military service member during the holiday season, no matter what is happening in the nation or overseas. These are not Christmas wreaths, they are veterans’ wreaths or remembrance wreaths. Our goal as an organization is to Teach younger generations about the diversity of our American heritage, and the freedoms for which so much was sacrificed.

### What are the sources of funding for WAA?

WAA receives no government funding. National Wreaths Across America Day and other events are made possible by thousands of volunteers who organize local ceremonies, raise funds to sponsor wreaths and participate in the events. Individual wreath sponsors and corporate donors, pay for most of the cost for the program and volunteer truck drivers and trucking companies make it possible for WAA to transport wreaths all over the country.

### How can I get involved?

There are several ways for volunteers to get involved. Please keep in mind that there is NO COST to attend or participate in a Wreaths Across America event.

- ★ Help place wreaths on National Wreaths Across America Day in your local community.
- ★ Sponsor a \$15 wreath for a local veteran.
- ★ Statehouse ceremony – in nearly all 50 states and at our nation’s capital.
- ★ Sign up as a sponsorship group and help place wreaths at a local or national cemetery of your choice while raising funds for your own group or program.
- ★ You can also volunteer to coordinate a new location in your state to participate in the national remembrance ceremony.

# WAA LOCATION RESOURCES

## What Is a Wreaths Across America Location?

In 2007, Wreaths Across America expanded its program to enable cemeteries all over the country to place wreaths on individual graves to emulate the Arlington Wreath Program by establishing registered Wreaths Across America Locations. These locations are registered groups of volunteers who partner with cemeteries all over the world and coordinate veteran wreath-laying events on National Wreaths Across America Day. Today, WAA has more than 3,100 throughout the country and internationally.

Registered locations are supported by WAA headquarters and are covered by WAA event insurance

A full list of locations is available on our website at [www.wreathsacrossamerica.org](http://www.wreathsacrossamerica.org).

## Location Coordinators

WAA volunteer Location Coordinators are the backbone of our organization. As a volunteer Location Coordinator, you are responsible for organizing and conducting all aspects of your community's event in December. This includes recruiting and organizing volunteers, reaching out to the community, including, veterans' organizations and others with WAA experience, working with sponsorship groups, communicating with local press, receiving the delivery of wreaths, facilitating the event, removing wreaths after an appropriate amount of time, and staying in close contact with WAA support staff. The following pages contain helpful information to plan and execute a successful ceremony on National Wreaths Across America Day in December. Additional information and resources are available on our resource page [learn.wreathsacrossamerica.org/location-group-resources](http://learn.wreathsacrossamerica.org/location-group-resources).

## Planning Checklist

- ★ Register your location with us by completing the Location Sign Up Form on our website at [learn.wreathsacrossamerica.org/add-location](http://learn.wreathsacrossamerica.org/add-location). As a Location Coordinator, your contact information will be listed as the primary contact for your cemetery location on the WAA website. You will have access to your customized location page and can manage donations through there.
- ★ Meet with the cemetery staff and have them sign the Contact at Location Approval Form. Discuss any requirements they have for the wreath laying ceremony and ensure those are followed. Make sure parking is easy to find, close to the location and free (or at least validated).
- ★ Start planning the details of your ceremony, line up speakers, and decide how you want to handle the logistics of unloading the truck, parking on wreath day, distributing wreaths, placing grave specifics, and wreath clean-up.
- ★ Begin compiling a list of individuals and groups to invite. Involve as many people in your community as possible. Not sure where to start? Reach out to local veterans' groups for suggestions. Some organizations may want to plan flyovers, processions with Patriot Guard Riders, color guards, etc. Reach out to schools and other organizations in your community. Don't be afraid to think big: you can make the event as large as you wish. All we ask is that your event be open to public and remain non-political.

- ★ Reach out to your local rabbi to discuss the best way to honor and include the Jewish Veterans while respecting their culture. Let them know that individual members of the Jewish community may request a wreath even if veteran wreaths are not being placed as a whole. Consult with the cemetery staff to create a list of those wishing not to receive a wreath as well as those in the Jewish community who may want one.

## Community Outreach Checklist:

Send messages through your account dashboard to Sponsorship Groups, Sponsors, and Event Participants. Step-by-step directions for this can be found on the Volunteer Resource Page [learn.wreathsassamerica.org/location-group-resources](https://www.learn.wreathsassamerica.org/location-group-resources). Make sure your messages include all the details:

- Location address and directions for parking.
- Ceremony and wreath laying start times.
- Featured speakers at the ceremony, how wreaths will be distributed, and if refreshments will be provided.
- Mail, email or hand-deliver formal letters of invitation to elected officials.

## Media Contact Checklist:

- ★ Develop a list of media contacts and find out how they like to receive information (most prefer email these days, but some use online forms and others prefer fax or mail).
- ★ Prepare a media advisory to invite press to the event and customize a pre-event press release, using the Wreaths Across America templates on the Volunteer Resource Page [learn.wreathsassamerica.org/location-group-resources](https://www.learn.wreathsassamerica.org/location-group-resources).
- ★ Collect bios of public figures who plan to attend to include in your press kits.
- ★ Follow up via phone or email with journalists to whom you sent the media advisory to remind them of the event.
- ★ If you expect TV coverage, arrange for special parking for satellite trucks.

## Two Weeks Before Wreath Day Checklist:

- ★ If your location accepts Grave Specific Requests, finalize your help for placing those wreaths, download the Grave Specific Report from your location account dashboard, and provide each volunteer with their list of Grave Specific Wreaths to place and instructions for doing so.
- ★ Watch for emails from your Regional Liaison with important information about the delivery of your wreaths, including the total number of wreaths that you will be receiving and how those wreaths will be delivered (UPS/FedEx or 18-Wheeler). If you are expecting more wreaths than you see indicated in these emails, contact your Regional Liaison right away!
- ★ If you don't already have your ceremonial flags, now is the time to contact your Regional Liaison so they can be re-shipped to you in time for wreath day.
- ★ Wreaths may be delivered anytime in the two weeks leading up to wreath day. We rely on donated trucking to deliver the wreaths and must work around their schedule. To prevent delays, it is important to be ready to receive your delivery.

- Prepare a calling tree of volunteers to be ready to help offload the truck upon arrival.
  - Count each box as it is offloaded, only take what is indicated on the Bill of Lading, and alert your Regional Liaison immediately of any discrepancies.
  - Upon final count of your boxes complete your Delivery Confirmation Form so that we know you received your wreaths.
- ★ Reach out to the cemetery staff to share your plans for wreath day and ask if there is anything else you should include.
  - ★ Watch your email for incoming questions from the general public and respond in a timely manner. You may consider adding a Page Alert to your location page with specific information about your wreath laying ceremony to help minimize location questions.

## **Wreaths Across America Day:**

- ★ Arrive at least an hour before the event begins.
- ★ Start the event on time. This shows respect for your guests' time and their other commitments that day. It also promotes solidarity among the hundreds of groups nationwide holding simultaneous ceremonies. The wreath placement ceremony at The Tomb of the Unknown Soldier begins at 12 pm EST at Arlington National Cemetery. While not every location is able to start at the same time, all registered locations hold their wreath laying ceremony on the same day, National Wreaths Across America Day.
- ★ Have a dedicated person look for and direct journalists to the area in which the ceremony will be held and provide each of them with a press kit.
  - Names and bios of important people in attendance, such as political or military figures.
  - A Wreaths Across America fact sheet.
  - National press release (will be distributed to locations in early December).
  - Contact information for follow ups and interview requests.

## **After the Event:**

- ★ Did someone in your community go above and beyond to make your event special? Contact the WAA office – we'd love to hear your story and help you recognize their efforts.
- ★ Did something newsworthy happen? Issue a press release, using one of the templates on our Volunteer Resource Page and contact our PR Team with questions by emailing [pr@wreathsacrossamerica.org](mailto:pr@wreathsacrossamerica.org).
- ★ Send photos and other stories from your event to the WAA office at [pr@wreathsacrossamerica.org](mailto:pr@wreathsacrossamerica.org).
- ★ If you have any questions or concerns that need to be addressed, contact your Regional Liaison. They are always happy to help!
- ★ Your Regional Liaison will contact you to reinstate your location at the beginning of the year. Reinstatement is required to stay active each year.

## Sample Wreaths Across America™ Ceremony

### National Wreaths Across America Day Ceremony Optional Script

Welcome! Thank you for joining us here to today as we celebrate the mission to Remember the fallen, Honor those that serve and their families, and Teach the next generation the value of freedom.

We ask that to start the event, you all please join with me in a moment of silence to remember the fallen, prisoners of war, those missing in action and honor those who have served and are serving this great nation's armed services.

**:30 seconds of silence recommended**

#### **OPTIONAL Color Guard:**

Please stand while we post the colors.

*"Color Guard, post/present the Colors." (Where Honor Guards are present and participating, they too will come forward and place themselves on both sides of the memorial).*

#### **Location Coordinator to set this up in advance.**

*Note of clarity, posting vs. presenting the flags: If flags are put into stands, the command should be "post the colors," if the color guard is to remain standing with the flags, they should be directed to "present the colors." The emcee should direct the audience to stand with the flag is moving. When outside, you should either salute or place your hand over your heart at the American flag passes.*

#### **Opening Remarks:**

Thank you all for joining us here today. This year, across the country at more than 2,700 participating locations like this one, there are millions of Americans gathering safely as one nation to Remember, Honor and Teach. We are all proud to be Americans that live in a free society made up of many people, from many walks of life. The freedoms we enjoy today have not come without a price. Lying here before us and in cemeteries throughout this nation are men and women who gave their lives so that we can live in freedom and without fear. We can worship as we see fit. We can raise our children to believe as we do. We are free to vote for the leaders of our choosing. And, we have the right to succeed and we have the right to fail at whatever endeavor we wish to pursue.

The United States of America was founded on the ideals of Freedom, Justice, and Equality. Our Nation stands as a shining beacon of liberty and freedom to the world. We thank those who gave their lives to keep us free and we shall not forget you. We shall remember. (Short Pause)

Today, more than ever, we reflect on our nation's veterans and active duty service members who have had and continue to fight to protect the innocent and oppressed. This nation has always been the first to stand up for the freedom of people from around the world. Many of you here today have answered that call and served your country well. For this, we say, "Thank you" and we are honored to know you.

There are many men and women serving today in all branches of the military, here at home and in places far away, that most of us have never heard of. These men and women are part of the best-trained, best-equipped force in the world. We honor them and their families for the sacrifices they make each day to keep our country safe from terrorism, hatred, and injustice. This year, we've added

an additional ceremonial wreath to honor the men and women currently serving in the U.S. Space Force along with those Veterans who have served in roles helping to secure our national interests in space.

Quoting our 40th United States President Ronald Reagan (short pause), “Freedom is never more than one generation away from extinction. We didn’t pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children’s children what it was once like in the United States where men were free.”

Today, we show a united front of gratitude and respect across the United States of America as we REMEMBER the Fallen, HONOR those who serve and their families, and TEACH the next generation the value of freedom.

**Wreath Laying: Color Guard and, if present, Honor Guard will present arms at the laying of each ceremonial wreath**

Now [Person’s Name] will lay a veteran’s wreath in memory of those who served and are serving in the United States Coast Guard.

Now [Person’s Name] will lay a veteran’s wreath in memory of those who served and are serving in the United States Merchant Marines.

Now [Person’s Name] will lay a veteran’s wreath in honor of the 93,129 United States Servicemen from all branches of the service whose last known status was either Prisoners of War or Missing in Action. These individuals have never returned to their families and homes. We shall not forget you.

[OPTIONAL] At this time, we would also like to honor all the uniformed service members who serve in The United States Public Health Service Commissioned Corps (USPHS) and the National Oceanic and Atmospheric Administration (NOAA) Commissioned Officer Corps.

**NOTE: If you would like to include another group in this part of the ceremony, such as Gold Star or Blue Star Families, First Responders, etc., now is the time to recognize these groups. You may use wreaths that have been sponsored to add to this piece of the ceremony, as you deem appropriate.**

**If possible, an active-duty service person should lay the wreath of the armed services they represent. After the last wreath is laid the Color Guard and Honor Guard will Order Arms.**

## Closing Remarks:

We encourage every volunteer here today, who places a wreath on a veteran's grave, to say that veteran's name aloud and take a moment to thank them for their service to our country. It's a small act that goes a long way toward keeping the memory of our veterans alive.

Remember, we are not here today to "decorate graves." We are here to remember not their deaths, but their lives. Each wreath is a gift of appreciation from a grateful America.

These live balsam fir wreaths symbolize our honor to those who have served and are serving in the armed forces of our great nation and to their families who endure sacrifices every day on our behalf. To our children, we want you to understand that the freedoms you enjoy today have not been free but have come with a cost that someday, you may have to pay yourself.

As a nation standing together, we can defeat terrorism, hatred and injustice. Thanks to our Veterans, we have the freedom to do just that.

## **This is where the scripted ceremony ends and the Leader or other Designated person turns it over to the Veterans Groups**

**Tips:** Where there are high-ranking officials present (Governor, State Elected Officials, etc.) and who wish to make a statement (short) this is a good time to let them speak.

**Veterans' Groups:** Coordinators, please make sure you accommodate all groups that want to participate in the ceremony after the scripted ceremony. Try to lead them to keep it short and to the point.

**Ending:** At the conclusion, where possible, have TAPS played. Retire the Colors and thank everyone for coming.

**Location Coordinators:** As Coordinators, you are in charge of everything else that takes place at this ceremonial event. How your Color Guard is placed (and/or Honor Guard is placed) is entirely up to you. Ceremonies throughout the country are all different and we cannot script, nor do we want to script, the entire ceremony. You are capable and a better judge of your command than we are. We will support you with ideas, if asked, to provide them to you or your other leaders in your group. Have fun with this project!

**Additional Ideas:** Before the beginning of the ceremony, some groups have the participants recite the Pledge of Allegiance and play the National Anthem. This is your choice to do, if desired.

If you have families there that want to place wreaths on their loved one's grave, you can either flag the grave ahead of time or have some of the local groups get involved by standing near the headstone to make sure no one else, other than the family member, places the grave specific wreath. All of this would need to be coordinated prior to the service and they would need to pre-register with whomever is organizing.

You should also encourage groups and volunteers to only take one wreath, or two, depending on the number sponsored for your location, so that everyone has a chance to lay a wreath.

If for any reason you need to skip a grave, please encourage people to take a moment and stop at the grave to pay respects and honor that veteran, thanking them for their service.

Please make sure that if you have multiple groups, that you recognize all of them to not discourage anyone from participation.

# Sample Wreaths Across America™ Ceremony

## Official Wreaths Across America Statehouse Ceremony

### Opening at 12 noon Eastern Standard Time

Good afternoon. Ladies and Gentlemen please join with me in a moment of silence to remember the fallen, the prisoners of war, the missing in action and honor those who have served and are serving this great nation's armed services.

**:30 - :60 seconds of silence recommended**

### Color Guard:

Ladies and Gentlemen, please stand while we post/present the colors

"Color Guard, post/present the Colors." (*Where Honor Guards are present and participating, they too will come forward and place themselves on both sides of the memorial to be decorated*). **Leaders will set this up in advance.**

Note of clarity regarding posting vs. presenting, if the flags will be put into stands the command should be "post the colors," if the color guard is to remain with the flags they should be directed to "present the colors." The emcee should direct the audience to stand while the flag is moving. When outside, you should either salute or place your hand over your heart as the American flag passes by.

### Opening Remarks:

We are gathered here today at [this location] along with every other State across the country as one nation to Remember, Honor and Teach. We are all proud to be Americans that live in a free society made up of many people, from many walks of life. The freedoms we enjoy today have not come without a price. In cemeteries throughout this nation are men and women who gave their lives so that we can live in freedom and without fear. We can worship as we see fit. We can raise our children to believe as we do. We can travel from one end of this great nation to the other and not have to ask permission to go. We are free to vote for whomever we feel should be in government office, with no explanation needed. We have the right to succeed, and we have the right to fail at whatever endeavor we wish to pursue.

The United States of America was founded on the ideals of Freedom, Justice and Equality. Our Nation stands as a shining beacon of liberty and freedom to the world. We thank those who gave their lives to keep us free and we shall not forget you. We shall remember. (Short Pause)

Today, many of you here, are Veterans of wars and conflicts that America has had to fight to protect the innocent and oppressed. This nation has always been the first to stand up for the freedom of people from around the world. Many of you here today have answered that call and served your country well. We are here today to say, "Thank you" and we are honored to know you.

There are many men and women serving today in all branches of the military, here at home and in places far away that most of us have never heard of. These men and women are part of the best-trained, best-equipped force in the world. We honor them and their families for the sacrifices they make each day to keep our country safe from terrorism, hatred, and injustice. This year we've added an additional ceremonial wreath to honor the men and women currently serving in the U.S. Space Force along with those Veterans who have served in roles helping to secure our national interests in space.

Quoting our 40th United States President Ronald Reagan. Quote “Freedom is never more than one generation away from extinction. We didn’t pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children’s children what it was once like in the United States where men were free.” End Quote.

Today, we show a united front of gratitude and respect across the United States of America as we REMEMBER the Fallen, HONOR those who serve and TEACH our children the value of freedom.

**Wreath Laying: Color Guard and if present Honor Guard will present arms at the laying of the wreath.**

Now (Person’s Name) will lay a live balsam wreath in memory of those who served and are serving in the United States armed forces.

*Notes: If possible, an active-duty service person should lay the wreath of the armed services they represent. After the last wreath is laid the Color Guard and Honor Guard will Order Arms.*

*If the Space Force is unable to provide a service member a Veteran of Air Force Space Command or U.S. Space Command is also appropriate.*

### **Closing Remarks:**

The wreaths before you represent our commitment as a United America to remember the fallen. We also want this wreath to symbolize our honor to those who have served and are serving in the armed forces of our great nation and to their families who endure sacrifices every day on our behalf. To our children, we want you to understand the freedoms you enjoy today have not been free but have come with a cost that someday, you may have to pay yourself. As a nation standing together, we can defeat terrorism, hatred, and injustice.

***This is where the scripted ceremony ends, and the Leader or other Designated person turns it over to the Veterans Groups.***

**Tips:** Where there are high-ranking officials present (Governor, State Elected Officials, etc.) and who wish to make a statement (short) this is a good time to let them speak.

Veterans’ Groups: Leaders, make sure you accommodate all groups that want to participate in the ceremony after the scripted ceremony. Try to lead them to keep it short and to the point.

**Ending:** At the conclusion, where possible, Have TAPS Played. Retire the Colors and thank everyone for coming.

**Location Coordinators:** As Coordinators, you oversee everything else that takes place at this memorial event. How your Color Guard is placed and/or Honor Guard is placed is entirely up to you. Memorials throughout the country are all different and we cannot script, nor do we want to script the entire ceremony. You are capable and a better judge of your command than we are. We will support you with ideas, if asked to provide them, to you or to other leaders in your group. Have fun with this project!

**Additional Ideas:** Before the beginning of the ceremony some groups have the participants recite the Pledge of Allegiance and play the National Anthem. This is your choice to do if desired.

# WAA SPONSORSHIP GROUP RESOURCES

## What is a Wreaths Across America Sponsorship Group?

Our sponsorship groups help us remember and honor veterans laid to rest all over the country by raising funds to sponsor wreaths at specified locations. Groups can be volunteers who fundraise solely for Wreaths Across America or groups from other nonprofit organizations working to raise funds for their causes.

Working with sponsorship groups, WAA returns \$5 of every \$15 wreath sponsorship raised to support a group's nonprofit organization and its ongoing work. If your group wishes to only sponsor wreaths and not receive any money back, WAA has a three-for-two program that is a perfect fit (for every two wreaths sponsored a third wreath will be placed at the cemetery). More information on our sponsorship groups can be found on our website at [learn.wreathsasscrossamerica.org/fundraising](https://learn.wreathsasscrossamerica.org/fundraising).

## Sponsorship Group Getting Started Checklist

- ★ Register as a sponsorship group online.
- ★ Thoroughly read the welcome email that you will receive after your registration is complete. Follow the links in that email to find helpful tips and tricks!
- ★ Schedule a meeting with your group/club/organization to explain the program and set a goal for your group. For example:
  - Instruct each of your members to make a list of family and friends to contact and invite to sponsor veteran wreaths to be placed on the graves of our nation's heroes.
  - Research a list of local businesses (banks, stores, contractors, restaurants, funeral homes, insurance and real estate agencies, etc.).
  - Divide the list and assign group members several businesses each. List larger businesses and major corporations for 25+ wreath sponsorships. Identify select members and group leadership to approach the top prospects.
- ★ Set a start date and schedule a progress meeting to check in with everyone. Giving a group deadline for completion also creates a sense of urgency and action. We recommend 30-day fundraising periods at a time, however, fundraising is encouraged all year long.
- ★ Submit collected funds and tally sheet within 30 days of receiving the check. Wreaths can also be sponsored online directly from the Wreaths Across America page that will be created for your group.
  - If you selected the 3-for-2 plan for your group, donors will pay for as many \$15 wreath sponsorships as they wish, then after the order processes, we will add the extra wreaths to your Wreath Count Report, which is available on your Account Dashboard.
  - If you selected the \$5 Back plan for your group, you will receive \$5 back for every paid wreath sponsorship. Payback checks are issued every 30-45 days, February to November, making this a wonderful way to fundraise for your

organization all year round.

- ◇ 20 group members x 20 sponsorships each = 400 sponsorships
- ◇ 400 sponsorships x \$5 per sponsorship = \$2,000. Think of all your group could do with an extra \$2,000!

- ★ Invite all your members (and sponsors) to participate in the annual wreath-laying event in your area.
- ★ Your Regional Liaison will contact you to reinstate your Sponsorship Group at the beginning of each year. This is required if your Sponsorship Group wishes to stay active.

## Fundraising Ideas and Services to Help Reach Your Goals

Here are some great fundraising ideas that some of our groups have used in recent seasons. As people see the rows of wreaths upon headstones, most of the fundraising work is about sharing what a profound experience it is for volunteers to be involved.

1. Every wreath counts: We have had a number of groups find great success with setting up a sponsorship table at local Wal-Mart, Kroger's, or other high-traffic stores. Local festivals and events also provide an opportunity to inform the public about our mission and share wreath sponsorship information. Our Wreaths Across America online shop has a wide variety of attractive display items for this purpose.
2. Every dollar counts: Not everyone will be in a position to do a full wreath sponsorship. But you can use a bucket or even a combat boot to collect dollars and change as people come and go in high-traffic areas.
3. Every penny counts: We have seen many classrooms successfully conduct penny drives to place wreaths for veterans in their own community. One classroom in Ohio raised funds for over 300 wreaths alone. The more people involved – even in the smallest ways – helps achieve our mission.
4. Virtual Fundraisings:
  - Create a Wreaths Across America Facebook page for your group. If you need help with this, contact Samantha Gatcomb at [sgatcomb@wreathsaacrossamerica.org](mailto:sgatcomb@wreathsaacrossamerica.org). Share the direct link to the WAA page for your group and ask for supporters to sponsor wreaths.
  - Host a LIVE event on Facebook featuring local veterans and families from your community that support the mission. Share their stories and their WHY for participating in WAA and encourage sponsorships to support this year's efforts.

### Helping is easy:

1. Contact your Wreaths Across America Regional Liaison for more information about purchasing a fundraising kit, or ideas to help generate awareness and sponsorships in your community.
2. Hand out the free I OWE YOU cards to veterans and active duty personnel all year long,

seize the moment to show your appreciation by simply saying thank you!

3. Collect sponsorships at your scheduled event and turn them in to Wreaths Across America to help sponsor wreaths for the participating location you are supporting.
3. Create a custom QR code that links to the WAA page for your group. This will make it easy for donors to sponsor wreaths online and pay with a credit/debit card, Google Pay or Paypal.
  - We have business size cards that you can custom order with your QR code and sponsorship group info, available at the Wreaths Across America online store, which are great for handing out.

## Sponsorship Group Program

In 2007, Wreaths Across America expanded its annual wreath placement event to enable groups and organizations to support Arlington National Cemetery and other local, participating cemeteries across the country. We established the Sponsorship Group Program to benefit other like-minded charities, community programs and civic groups through the sale of wreath sponsorships for participating locations.

**We invite your group or organization** to help us remember and honor our American heroes and teach the next generation, through raising funds to sponsor veterans' wreaths. There are three different ways your organization can help raise funds for Wreaths Across America.

- \$5 back Group Plan - This option allows your group to earn funds to support other programs. For every \$15 wreath sponsored, \$5 comes back to your group for your own programs.
- 3 for 2 Group Plan - This option maximizes the number of wreaths sponsored for your location. For every 2 wreaths sponsored at \$15 each we will add a 3rd one for the cemetery at no cost.
- No Plan Group Plan - This option helps support the many different programs that Wreaths Across America offers.

## **FOLLOW THESE STEPS TO START FUNDRAISING TODAY!**

1. **Select a participating cemetery you will raise funds for.** It could be Arlington National Cemetery, or a cemetery in your state or local community. You can find if a cemetery is participating by visiting [www.wreathsacrossamerica.org](http://www.wreathsacrossamerica.org) and clicking “Search Locations/Groups” from the Menu. If the cemetery you are looking to support is not yet participating, you can choose to register it and become a Location Coordinator.
2. **Register your group online.** Follow the steps found at [learn.www.wreathsacrossamerica.org/fundraising](http://learn.www.wreathsacrossamerica.org/fundraising). You will be assigned a group ID number, it will be important to include this on all donations remitted to us to ensure your group is credited.
3. **Create your custom Sponsorship Group Page.** Once registered, a sponsorship group page will be created for you which you can then sign in to customize and manage for your group through [manage.wreathsacrossamerica.org](http://manage.wreathsacrossamerica.org). There you will be instructed to create a login and password and can then begin following instructions to customize your page.
4. **Promote your web page.** Once complete, you will share the direct link to your Sponsorship Group page with family, friends, and contacts to start getting wreath sponsorships. All sponsorships made through this site will be credited to your group.
6. **Fundraising can be done year round!**

# BRANDING GUIDELINES AND MEDIA RESOURCES

The Wreaths Across America brand elements help strengthen our organization's recognition across many channels of outreach and communication.

Our organization brand guidelines have been designed to be easy to access and follow, and allow for a high degree of creative freedom and flexibility – all while maintaining a basic brand consistency. Wreaths Across America deeply understands and exists to support the strong emotional connection, love for America and appreciation for our military personnel and veterans that drive the efforts of many of our volunteers. Our volunteers are the core of our organization, and we strive to be as supportive, accessible and helpful to them as we can.

## Logo

The Wreaths Across America master logo is our most iconic image and is very important to the WAA brand. The three wreathed gravestones above the logotype are inscribed with our mission to Remember, Honor, Teach. In one iconic image, our logo shows a quick visual of what our organization is all about.

The full-color master logo should be used whenever possible on WAA branded material. (Where color, space or proportional constraints make the use of the master logo impossible, other variations are discussed and available below.)

## Do's and Don'ts

- DO:**
- Use the full-color master logo whenever possible
  - Sparingly use the logo variations – only use if required by design or production constraints
  - Use the centered horizontal version only when it can be centered in a layout, otherwise, use the horizontal version
- DO NOT:**
- Use the logo on top of a busy, multi-colored background that would make it difficult to read

## Media Policy

Wreaths Across America's mission to Remember, Honor and Teach has been taken up by eager groups and individuals all through the country and beyond. We are humbled and grateful for the response we have received, and at the rate of growth we have experienced as we help accommodate people's willingness to help.

At the same time, we have a responsibility to protect the principles and core values this organization was founded on, and we must ensure that our message is not distorted, corrupted or used in any way that could unintentionally hurt our ability to achieve our mission. Failing to do this could put all our work at risk. We must remember that above all, our work is about veterans, men and women in the armed forces, and military families. Our work is not about religion, a political party or agenda, or any group or affiliation.

Our goal is a consistent and positive message that helps educate the public about the importance of honoring the memories of all who sacrificed their time, their family, their health, and often their lives, to protect the freedoms we enjoy.

Our media policy, which relates to all board members, groups and location coordinators, is the following:

1. The executive director of Wreaths Across America is the official spokesperson of the organization.
2. The use of the Wreaths Across America™ name or likeness on any printed or electronic form of communication by anyone other than a registered group or location coordinator is prohibited.
3. Groups and location coordinators will use press release templates provided in this handbook. If WAA is mentioned in any other press releases, press kits, special articles, guest columns, etc., prepared in advance, they must be approved by WAA headquarters before they are distributed and/or published.
4. When working directly with the media (such as in interviews), groups and location leaders may speak OF Wreaths Across America, but not speak FOR it. Comments, quotes and other official information will be provided for you or the media by WAA if requested.

No board member, group or location coordinator may use the letterhead, logo or name of Wreaths Across America to give an implicit or explicit impression that they are employed by or officially represent Wreaths Across America. Board members may represent Wreaths Across America with permission from the executive director.
