

Skupos Engage

Step by Step Instructions to Ensure Discounts are Triggered on a Clover

You will need to prompt the customer to enter their phone number in order to trigger discounts

1

Scan the eligible products

The discount will populate after the payment option is selected

2

Select “Pay” and then tap the “Skupos” button, which you will find in the “Other” section

3

Flip the Screen so that the customer can enter their phone number as a Loyalty ID

First time users are required to accept the Terms of Service

4

The discounted total price will now be shown in the basket

The discount amounts will not be shown here, just the new total price with discounts applied

5

Finalize the transaction
