

# innovaTel's Platform of Services Meets CCBHC Needs

Our CCBHC Success Package includes custom solutions

innovaTel Telepsychiatry is the exclusive Platinum Partner for telepsychiatry to the National Council for Mental Wellbeing and through our partnership, we have a unique understanding of the CCBHC model.

innovaTel understands what it takes to become certified as a CCBHC and we offer effective and efficient solutions to challenges related to staffing and access to care. Most importantly, our solutions are configurable to your needs and dovetail with the services you already offer.

## Behavioral Health as a Service

### Psychiatric Services

- Psychiatric evaluations
- Ongoing medication management
- Consultative services
- Medication-Assisted Treatment (MAT)
- And more

### Therapy Services

- Diagnostic evaluations
- Individual therapy
- Group therapy
- Addictions treatment
- And more

## Clinical Team Members

Providers are experienced in **SMI and co-occurring** patient populations and **integrate into your workflows**.

- Psychiatrists
- Psychiatric Nurse Practitioners
- Licensed Clinical Social Workers
- Remote Medical Director options (part or full-time)

### Training

All innovaTel employees must complete our training program, which covers data and technology security, diversity and inclusion, fraud and abuse, and clinical quality programs.

### Ongoing Program Management

Our **Clinical Liaisons** — experienced psychiatric nurses — guide providers and clinical teams through designing workflows, case load management and telehealth best practices.

## MAT Program Development

For many CCBHCs, MAT is new and innovaTel has designed MAT policies and protocols by a board-certified addiction psychiatrist that can be customized to the needs of your organization and regulations in your state to ensure quality of care for growing MAT services.

## Access

Increase capacity to help you achieve your CCBHC access goals. This includes non-standard hours, which can be configured upon request.

## Measurement & Analytics

innovaTel is an outcomes driven measurement partner.

- Over 235 measurement tools built into the application
- Ability to build state/company specific metrics
