

12 cu. ft. frost free refrigerator with bottom freezer

This chic luxury refrigerator is a no-compromise solution for any space. A rich glossy finish in three stunning colours drapes one of the smartest refrigerators available today. Our quiet digital AdaptTech cooling system learns and anticipates when you'll need extra cooling, instantly adapting to your lifestyle. A large bottom freezer, bright LED lighting, door and temperature alarms, and easily adjustable shelves all enable even the smallest spaces to reflect your luxury style.

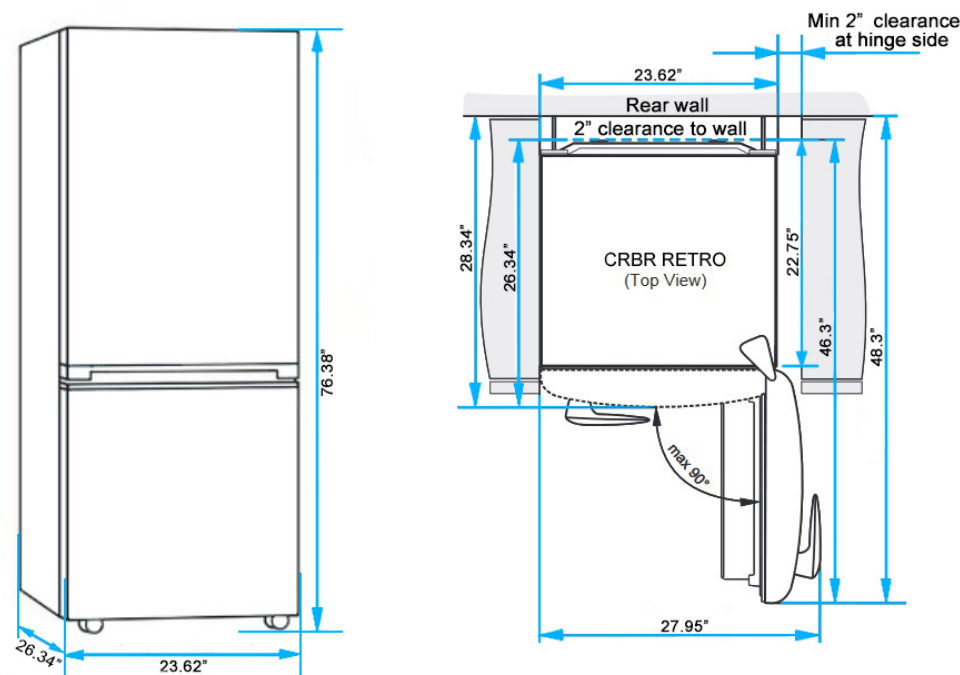

AVAILABLE COLORS

Features and Benefits

AdapTech digital controls	Anticipates and adjusts when you'll need an extra burst of quick cooling, by analyzing how and when you use your refrigerator.
Frost Free	Prevents the accumulation of ice and frost to keep the power consumption low.
12 cu. ft. capacity	8 cu.ft. of cool fresh food drawers and shelves, plus 4 cu.ft. of frost-free freezer drawers.
XtremeFreeze	This drawer can flash freeze your favorite foods, so they'll last longer and taste better.
Adjustable door shelves	Flexible and perfect for quick reconfigurations to fit bottles, cans or tall foods.
Chrome retro handle	A metal and chrome handle is sturdy and precise, and engineered to last.
Left or right hinge flexibility	Doors open left or right, enabling you to position your fridge wherever it's most convenient.
Bright LED interior lighting	Find food easier. Bulb lasts longer, is more energy efficient and won't introduce heat in the cabinet.
Multiflow 360° technology	12 individual air vents circulate cool air more efficiently keeping your food at the ideal temperature.
Stunning retro styling	A great way to bring your memories into modern day living.
Low noise inverter/compressor	Runs quieter and uses less electricity, and is designed to last 20 years.
ENERGY STAR certified	Energy efficiency saves money and protects the environment.
ZeroZone drawer	Keep your food fresh by cooling it fast after bringing it home from the supermarket.
MultiBox	Perfect to keep your butter and cheese separate and fresh.
Wine/Bottle Shelf	Keep those bottles cool all the time and ready to access easily.
Alarms	Open door and high temperature alarms keep you notified when they need your attention.
