ADHESIVES, GROUTS + SUBSTRATES

### APPROVED CONSTRUCTION ADHESIVES, GROUTS + SUBSTRATES

The adhesives listed in this table have been tested and approved by Six3Tile for the listed substrates. All adhesives are approved for Backsplash, Shower and Tub Surround installations. Only the products listed in the table below have been tested, and therefore approved, by Six3Tile. All adhesives and substrates must be installed according to the manufacturer's instructions. Six3Tile is not responsible for the effectiveness of the bond if proper installation procedures are not followed.

**Six3Tile is not approved for, and should not be used in, load-bearing applications (such as floors, countertops, etc.).**
