

## Technical Bulletin: Adhesives &amp; Substrates V02

**APPROVED CONSTRUCTION ADHESIVES & SUBSTRATES**

The adhesives listed in this table have been tested and approved by Six3 Tile for the listed substrates. All adhesives are approved for Backsplash, Shower Wall and Tub Surround installations. Only the products listed here have been tested, and therefore approved, by Six3 Tile. All adhesives and substrates must be installed according to the manufacturers' instructions. Six3 Tile is not responsible for the effectiveness of the bond if proper installation procedures are not followed.

**Six3 Tile is not approved for, and should not be used in, load-bearing applications (such as floors, countertops, etc.).**
