

Dear Patient,

Your physician has prescribed Positive Airway Pressure (PAP) therapy as a treatment for sleep apnea. Apria Healthcare has been selected to provide you with your PAP device. Apria is the leading provider of sleep therapy devices in the United States and is committed to providing you with the highest quality service.

Apria has obtained the medical necessity documentation and written orders that are required under the terms of your health coverage.

In order to comply with the treatment plan requested by your physician, Apria is providing you with the following:

Your equipment and supplies

Instructional DVD — please watch DVD to learn how to comply with treatment plan requested by your physician

Easy-to-use setup guide

No DVD player? No worries — the same information is available online at www.apria.com/resource-center/videos

Need additional support? We're here to help!

Apria's team is available to answer questions about the setup process and help troubleshoot any issues you may encounter while getting started on your sleep therapy.

Contact us at **(877) 265-2426**. An Apria team member is available to assist you with the following:

Answer questions about the setup process
