

## T-MOBILE FOR BUSINESS PARTNER SOLUTION:

### Akko – Device Insurance

#### SOLUTION OVERVIEW / BENEFITS

Cover your phone, laptop, electronics, and other vital personal items against costly damage and theft – starting at \$6/month per device! And for a limited time, get 1 month of free protection at sign up! Protect any phone or device – new, used, refurbished, any make and model. Akko covers cracked screens, spills and liquid damage, accidental damages (like drops), parts and battery breakdown, theft, vandalism, theft from car break-ins, and more!

Akko provides reliable and affordable protection that’s simple and all-inclusive. We’ve eliminated the need for you to spend money on protection plans, extended warranties and insurance add-ons that retailers, phone companies and others use to pad their bottom line. And because all of your protection is in one place instead of being spread across multiple plans from multiple companies, the process of making a claim is drastically simple!
