

T-MOBILE FOR BUSINESS PARTNER SOLUTION:

Ape Glass – Liquid Glass Screen Protector

SOLUTION OVERVIEW / BENEFITS

Ape Glass is an award-winning liquid glass screen protector built with a 9H ultra hard double layer that protects against scratches, drops, dirt, water and bacteria. Ape Glass seals any electronic glass surface, curved or flat, such as mobile phones, tablets, laptops, camera lenses, smart watches and more. With high clarity to enhance color and allow light to travel in, Ape Glass is 100% invisible to the naked eye and fills in imperfections to improve the smoothness of screens.

Our silicon-nano technology offers up to 2 years of protection and can be used on up to 6 devices. In addition, our coating reduces cell phone radiation by more than 90%, and our self-cleaning technology repels contaminants.

**Protects against cracks,
drops, bacteria, water,
dirt and smudges**

Targeted Verticals

- Construction
- Manufacturing
- Hospitality
- Transportation
- Delivery
