

Meet Maple Online Healthcare.

Introducing Canada's leading health and wellbeing platform, improving timely and convenient access to care for Canadians coast-to-coast.

Why Choose Maple?

Primary Care, 24/7

- ✓ Unlimited and fully-covered general practitioner visits for members and eligible dependents
- ✓ Receive medical advice, prescriptions, notes, lab requisitions, and specialist referrals

Clinical Excellence

- ✓ Maple maintains the largest online provider network in Canada with over 1,600 practitioners
- ✓ Access to family physicians, emergency room doctors, and nurse practitioners

Seamless Experience

- ✓ Maple is available on computers, tablets, and smartphones in English and French
- ✓ Patients can communicate with providers via instant message, video, or audio

Robust Medical Records

- ✓ Patients own and manage their healthcare data
- ✓ Easy upload history from other points of care and e-fax records to a family doctor
